Proceedings

RECORD OF PROCEEDINGS
OF THE
ONE HUNDRED TWENTY-SIXTH ANNUAL SESSION
OF THE
PEE DEE BAPTIST ASSOCIATION
HELD WITH
EAST ROCKINGHAM BAPTIST CHURCH
ROCKINGHAM, NORTH CAROLINA

TUESDAY
Afternoon Session

October 21, 1941

1. At 2 o'clock on Tuesday afternoon October 21, 1941, Moderator W. H. Moore, Wadesboro, called the one hundred twenty-sixth annual session of the Pee Dee Missionary Baptist Association to the transaction of business.

2. The Association sang, with B. H. McKay, East Rockingham, leading, "All Hail The Power."

3. J. B. Little, Marshville, led the devotional services.

Song: "Lead On, O King Eternal."

4. A special prayer was led by J. C. Meigs, Pageland, S. C.

5. The enrollment of messengers by the Clerk, Charles B. Deane, Rockingham, revealed that messengers from fourteen of the thirty-three churches were present, all of whom were recognized together with the visitors present. Upon motion by J. B. Little the Association voted that all messengers now enrolled, and others who may register during the sessions shall constitute the Association of 1941.

6. At this time the Moderator named Bruce Benton, *Chairman*, and J. C. Meigs and Aubrey S. Tomlinson to compose the *Committee on Committees*.

7. Words of welcome were at this time extended by the host pastor, J. Marvin Smith, East Rockingham.

8. Prior to a brief message from Fred R. Poplin, representing Wingate Junior College, Misses Margaret Denny and Margie Robinson, Wingate students, sang "He Died of a Broken Heart," assisted at the piano by Mrs. Fred R. Poplin.

9. Moderator Moore requested and Bruce Benton, Rockingham, led in another session of prayer.

10. General Missionary M. O. Alexander, Raleigh, representing the Baptist State Convention brought a special message, emphasizing the Denominational Program. He called special attention to the Digest of Church letters of the Pee Dee Association prepared by Clerk Charles B. Deane in which it was pointed out that twenty-two churches increased their denominational gifts over last year approximately \$4,500.00, and nineteen increased their denominational gifts over last year by approximately \$2,500.00. However, he pointed out that several churches have contributed nothing to the denominational program this year and have not for several years. The closing words of the message urged every church to become a truly Missionary Baptist Church.

Song: "Amazing Grace."

11. B. H. Condor, pastor at East Hamlet, preached the Annual Sermon. His subject was "The Secret of Paul's Enlistment, Consecration, and Zeal," based upon Romans I:14-16.

12. After the singing of "I Am Thine, O Lord" and prayer by J. Marvin Smith, the first session adjourned.

WEDNESDAY

Morning Session

October 22, 1941

13. This session opened with the singing of "All Hail The Power" and "Footprints of Jesus," led by Aubrey S. Tomlinson, Laurinburg, assisted at the piano by Miss Elizabeth Duck, Laurinburg.

14. The devotional service was led by Tom M. Freeman, Assistant Pastor, Wadesboro, *First*, Church.

15. In a spirit of genuine appreciation the Association upon motion by J. B. Willis, Hamlet, requested the Clerk to write C. E. Ruffin, Ellerbe, recently retired as Minister at Ellerbe and Cartledge Creek, after a sixteen-year pastorate, the feelings of sincere gratitude for his faithful service in the Association.

16. The Associational Report was read by Aubrey S. Tomlinson, Laurinburg, and in the course of the presentation he made several forceful comments outside of the following printed report which was adopted by the Association upon motion by Charles B. Deane, Rockingham.

17. Report on the Cooperative Program to the Association

Article Nine (9) of the Constitution of the Pee Dee Baptist Association reads in its first sentence as follows: "It shall be the duty of the Moderator to appoint someone to write a report of the whole

Cooperative Program.''' This report concerns our united efforts to carry on the work of the Pee Dee Association, with its Missionary, Educational and Benevolent objects, of the North Carolina Baptist State Convention.

There is one object of our concern, interest in which we share with four other Associations, namely: Wingate Junior College. Gifts to this school are purely voluntary on the part of the churches and our support evidences very little interest indeed.

Also apart from the full Cooperative Program is the support of the North Carolina Baptist Orphanage which makes its appeal directly to the churches for a monthly offering. Twenty-nine of the thirty-three churches comprising this Association gave \$2,761.36 in 1940. Churches giving nothing in 1940 were Hoffman, Mount Olive, New Hope, and Roberdell. Hoffman, Mount Olive, and New Hope reported no offerings for any object except local for that year. Our churches that are not cooperating in the Missionary Program of our Denomination are missing much of the glory that comes in serving our Master.

18.

State Missions

Of all money contributed as offerings in the Cooperative Program, sixty per cent is retained to carry on the work of our State Convention. This work includes contributions to the maintenance of a senior college for men and one for women, and five junior colleges, one hospital, and of two general missionaries who travel over all the State in the interests of the churches, of many pastors in strategic places which would be without religious services otherwise. These funds also are used in conjunction with similar funds of the Southern Baptist Convention for Ministers' and Church Employees' Retirement. Similarly State and Southern Convention unite to promote other features of our work, including the Baptist Training Union, and the Sunday Schools.

During the past year our State Convention has responded to a crying appeal from the regions adjacent to the several army camps in this State. We needed land, a place for worship and teaching and training programs and religious leadership for soldier lads, their families and the many tradesmen who moved into those areas. We applaud this effort, and cordially commend the work and accomplishments of one of the most consecrated, and the ablest State Secretaries in our Southern Convention, Mr. M. A. Huggins, our General Secretary. We commend the administrators and workers in all our institutions who have labored together for the advancement of the Kingdom of Christ Jesus in the world.

In addition to the sixty per cent of the Cooperative Program gifts, once each year the churches are urged to make special gifts to State Missions. In 1940 this Association gave \$737.27 for this special purpose, of which sum the Hamlet First Church gave \$560.00. In 1940, nineteen churches reported no offering for this cause.

The Southern Baptist Convention

19.

Foreign-Home Missions

Of all the funds sent to our State Treasurer not designated for a special interest, forty per cent is sent to assist in the work, all Southern Baptists do together. Foremost among the interests of all, are Foreign Missions. Through our Foreign Mission Board in Richmond, Virginia, these funds are used as the Board believes most effectively for the spread of the Christian Gospel among people in foreign and unchristian lands. From the Pee Dee Association, Dr. H. H. McMillan has this month returned to China to continue his work there.

Next in general interest is the Home Mission Activity. The Home Mission Board, in addition to supervising the needs and works of missionaries in the United States and surrounding Latin countries among Indians, Negroes, Mountain people, and large French, Italian, and Mexican population in our great cities, also has been promoting a campaign of evangelism, and during the past year, working to provide religious services in the areas adjacent to the great military camps.

Each year through the W. M. U. and other organizations the churches are invited to make special offerings for each of these causes. In 1940 fourteen churches gave \$775.32 to Foreign Missions of which the Laurinburg First Church gave \$464.92. Nineteen churches reported nothing. Please refer to Table IV and note 1941 W. M. U. gifts. In several churches the gifts of the women total over half of the total missionary gifts of that church. Without our devoted women our Missionary program would go by default.

In 1940 fifteen churches reported total gifts of \$288.66, and seventeen reported nothing for Home Missions. In fact, in 1940 fourteen Missionary Baptist Churches of this Association reported no special offering for any of these important parts of our work, five of which gave nothing through the Cooperative Program. These included Hoffman, Marston, Midway, Mount Olive, and New Hope. Refer to financial Table VII and note what churches are carrying on the missionary program. In 1942 we hope every church will show increased gifts over this year.

Southern Baptists also have three Theological Seminaries and in union with Northern Baptists support a Negro institution for Theological Training. There is also a Southern Baptist Hospital in New Orleans supported by our Convention.

20.

The North Carolina Baptist State Convention

For purposes of promoting the work and informing our people of opportunities and needs, as well as providing inspirational religious literature, our State Convention publishes a weekly religious journal, *The Biblical Recorder*. The minds and interests and culture of our people are revealed by their reading material. If this statement is true, the Baptist interest among the people of the Pee Dee is startlingly

revealed when, from a total of 6,415 members in 1941, only 302 families receive our state paper and of these families 146 being from Laurinburg, First, Church.

This is not a satisfactory report. If we were speaking in military terms, we would say the morale in our churches is low, very low. Why should churches be content to report year after year, "Nothing dreamed, nothing done?" Yet the Pee Dee has a full supply of churches who are apparently oblivious to the fact that we all form the army of God, and all we have is needed.

From an examination of the records for 1940, we see that eight churches in the Association have pastors living and working, as their most important field, in other Associations and in three instances, in another State. Now it stands to reason that pastors can serve most effectively and economically when their churches are near. When a church calls a pastor it should have in mind that he is minister of that church and also with definite responsibilities in the Association and to the State Convention. No pastor can effectively work in several Associations, especially in Training Union and Sunday School work.

One possible solution for this condition would be for churches unable to support a pastor alone to seek to form definite fields within the Association. Their work would become healthier, the pastor's lot made happier and less complicated and the Associational work greatly improved. As an instance of how scattered we are, let us see Scotland County with four churches. Three of those churches have pastors along with other churches. But in each case the other church or churches are outside the Pee Dee. At least one combination of two of these churches would form an excellent field.

Another solution is that the people of the churches and the Association love Our Savior and each other more. Love to be with the brethren. Why we can't get even the pastors of this Association to meet for a period of discussion and conference. Not more than one of the pastors living outside the Association ever responded to written invitations to attend the pastors' conferences, meeting last winter and spring. Doubtless those men were completely engaged already. With resident pastors, and churches settling down to stop sampling preachers here and there, and to begin some serious business, the unsatisfactory report of this Association would at least be improved.

Throughout the Association, indeed in our State, there is a growing discontent among the Christian Baptists. We are not doing what we would. The Gospel which it is our joy to proclaim, The Lord of Whose Body on earth we are members, The God, Our Father, so gracious, bearing with us as He has; surely the churches are not measuring up to such possessions. Is our light limited as under a bushel? Is the savor of the salt lost?

We need not pass the buck, people to preacher, to people, to home or school or all the world. But we do need to examine ourselves critically in the light of God's love and expectation and set out to demonstrate our faith by our works.

Fifteen of our churches have a financial goal for the year to come. Let us seek, all out, to grow spiritually, to grow in grace, in faith, in all good works, and thus glorify the Name of Jesus Our Lord. Love the Lord and one another. Make this year memorable by the rebirth of our Association.

Respectfully submitted,

AUBREY S. TOMLINSON.

21. Prior to the adoption of the report Charles B. Deane, Tom M. Freeman, Mrs. H. W. Little, Mrs. R. P. Lyon and perhaps others acknowledged and discussed the critical analysis of the state of the churches as outlined in the report. The discussion aroused much interest and must have led all present to a greater appreciation of our tasks for the coming year.

22. Treasurer Charles B. Deane submitted his report. In referring the report, appearing below, to the Audit Committee, J. B. Willis called attention to the Historical Page showing how our associational minutes have ranked since 1929, and urged the churches to fully subscribe to the minute fund and in addition requested that this Association take a special offering to cover the deficit and obtain a purse for our visiting speaker on the morning program. This offering was taken and amounted to \$10.05.

23. The subject of Christian Literature was discussed by O. W. McManus, Gibson, who urged every church to see that many copies of *The Biblical Recorder* be placed in the homes of its members. In this connection attention is directed to the fact that of a total associational membership of 6,415, only 302 members take the *Recorder* and of that number 146 go to members of the Laurinburg First Church.

Proceedings

RECORD OF PROCEEDINGS
OF THE
ONE HUNDRED TWENTY-SEVENTH ANNUAL SESSION
OF THE
PEE DEE BAPTIST ASSOCIATION

HELD WITH
FIRST BAPTIST CHURCH
Laurinburg, North Carolina

TUESDAY
Morning Session

October 20, 1942

1. Promptly at 9:30 on Tuesday morning, October 20, 1942, Vice-Moderator Aubrey S. Tomlinson, Laurinburg, called the one hundred twenty-seventh annual session of the Pee Dee Baptist Association to order. He announced that several weeks ago W. H. Moore, Wadesboro, who was elected Moderator at the 1941 Association had accepted work with the Baptist State Convention and was now located in Raleigh, N. C.

2. Under the direction of Miss Elizabeth Duck, Laurinburg, who led the music for the sessions, the messengers sang: "I Love to Tell the Story," and "He Leadeth Me," accompanied at the organ by Mrs. W. L. Fields, Laurinburg. J. Marvin Smith, Rockingham, and Cade Deaver, East Laurinburg, led in prayer after which the audience sang "How Firm a Foundation."

3. A special musical number "Jesus My Lord Is Real to Me" was rendered by Miss Elizabeth Duck.

4. At the close of the worship and praise service, Bruce Benton, Rockingham, preached the Annual Associational Sermon, using as his subject "Christ Stilling Life's Storms," with the scriptural basis coming from Math. 8:26, and at the close of the sermon prayed.

5. In appreciation of the splendid message brought by Brother Benton the Association at the suggestion of the Moderator stood.

6. The first item of business was the roll call of churches and the enrollment of messengers. Clerk Charles B. Deane, Rockingham, announced that all church letters had been received prior to the date of the Association and he then recognized the messengers by churches. James B. Willis, Hamlet, moved and the Association voted that all mes-

sengers now enrolled, and others who may register during the sessions shall constitute the Association of 1942.

7. The following were named by Moderator Tomlinson as the Committee on Committees: O. W. McManus, *Chairman*, E. P. Pearce, T. W. Hearne.

8. Of special interest was the recognition of the following pastors new in the Association, who were recognized and welcomed into the Association by Moderator Tomlinson: *Ansonville*, W. J. Connell; *Cartledge Creek*, *Ellerbe*, *Saron*, Frank R. Moore; *Morven*, Eugene Knight; *Peachland*, J. C. Bennett; *Wadesboro*, *First*, R. A. Ellis.

9. It was noted that Deep Creek was without a pastor and the Association was advised that J. E. Reamy, Raeford, pastor at Spring Hill had resigned. J. Marvin Smith, Rockingham, mentioned that Moderator Aubrey S. Tomlinson, pastor of the host church had offered himself as a Chaplain in the Armed Services and was expecting an early call into this new field of service.

10. Visiting friends recognized included: M. O. Alexander, General Missionary, Baptist State Convention, Raleigh; C. C. McKoin, Superintendent of Farms, The Mills Home, Thomasville; L. B. Olive, recently returned Missionary from China; R. F. Mayberry, Rhodhiss, N. C.; J. S. Church, Granite Falls, N. C.; Mrs. Amelia Sauls, Savannah, Ga.; Mrs. S. A. Myers, Lenoir.

12. In view of the fact that New Hope Church, located in Richmond County, had not reported in three years, the Association ruled that the church be dropped from the active list of churches co-operating and that the Moderator and Clerk be authorized to further investigate what, if any, interest the church has in its Associational Membership, and report at the next annual meeting if the Association should fully withdraw fellowship.

13. Benjamin M. Covington, Wadesboro, read the following Associational Report, which was thereafter adopted upon motion by T. W. Hearne, Rockingham.

THE ASSOCIATIONAL REPORT

14. The Co-operative Program

Southern Baptists for a number of years have been using a system for carrying on the work of the Southern Baptist Convention which is called "The Co-operative Program." Necessarily, the manner and way in which each individual member of the churches fulfills his or her duty to the several churches, will determine the effectiveness of the system. From year to year we have been getting better and better co-operation and more and more of our people are having a part in the united work for the Kingdom. According to late reports, from January 1 to September 1, 1942, the Executive Committee of the Southern Baptist Convention received \$2,224,564.39 to be distributed among the different agencies. This is an increase over the same period last year of \$658,766.85. There is included in this amount \$1,022,462.32 to be divided among the agencies sharing in the Co-operative Program Funds, this amount exceeding by \$176,620.34 the sum received during the same period last year. The special offering of \$300,000.00 for World Relief accounts in part for this large increase. The Hundred Thousand Club had receipts amounting to \$259,914.86 which is \$95,274.73 more than the amount contributed during the same period last year.

15. Missions

It has been customary to discuss the subject of missions under the divisions of State, Home and Foreign Missions. Regardless of the name we may give to our missionary efforts, we should always bear in mind the fact that we cannot be truly followers of Christ without engaging in some kind of missionary work. The layman as well as the preacher has been commissioned by our Lord to carry the Gospel of Jesus Christ to the lost wherever and whenever they may be found. It seems that we are not exercising the great privilege that has been so graciously bestowed upon every Christian by our Lord and Master, but we depend too much for our missionary efforts upon our preachers, our paid workers and our Missionaries.

16. State Missions

Under the able leadership and untiring efforts of Mr. M. A. Huggins, Secretary of the General Board, and those workers who have so

loyally assisted in the work, we have made great progress in State Mission work. Under present conditions within our State, the need for increased zeal and effort is apparent.

17.

Home Missions

With the entry of our own Nation into the World War on December 8, 1941, and the apparent lowering of our moral standards, the agitation for social equality between the races, the efforts of minority groups to control and dominate our political and economic life, there is greater need than ever before for more Christian living and service to combat the forces of evil that are seeking to destroy that which is good in the sight of God.

18.

Foreign Missions

Since the beginning of hostilities in our Foreign Mission Fields, many of our people have seemed to think that the end has been reached in our Foreign Missionary efforts, but, on the contrary, it seems likely that when the war has been won, there will be presented opportunities and places for Christian Evangelism not heretofore open to our Missionaries, and they can truly "Go into all the world, and preach the Gospel to every living creature." As never more true than now—Christ is the hope of the world.

19.

Christian Education

There has always been a great need for Christian Education, but never has the need been greater than now. We are having very forcefully brought to us the danger of the acquisition of knowledge alone, when we see the Totalitarian Nations making use of all of their knowledge they have obtained without the guiding and directing hand of the Christian influence and restraint, to destroy Christianity and everything for which it stands in the world today. Surely, we should redouble our efforts for Christian Education.

Benevolences

20.

The Hospital

Our Baptists should be very proud of the fine Hospital which is doing so much to relieve sick and suffering humanity. Since the School of Medicine of Wake Forest College has been transferred to Winston-Salem at the site of our Hospital and the two units are operated side by side, there is greater opportunity for both to render even more efficient service than ever before. No doubt our offerings on Mother's Day will be much larger with the great increase in the capacity of our Hospital for service.

21.

The Orphanage

Probably none of our Baptist institutions is so close to the hearts of our people as the Baptist Orphanage. The Mills Home located at Thom-

asville and the Kennedy Home at Kinston are managed and looked after by fine consecrated Christian men and women and are rendering a most necessary and worthy service for our boys and girls.

22. **Ministers' and Church Employees' Retirement Plan**

Our Baptist State Convention has taken a great forward step in providing a plan to provide for a certain measure of financial security for the older ministers and employees of our churches who may retire from service. It is hoped that every minister will avail himself of the benefits thus afforded him. This plan is operated in co-operation with the Relief and Annuity Board of the Southern Baptist Convention.

Training Activities

23. **Bible Schools**

Our Sunday Schools are one of the most important of our training activities. They go hand in hand with the work of Christian Education, for it is in the Sunday School that the child first learns about Jesus and his plan for the Salvation of the world. Much training is also given which is of value not alone to the young people, but to the adult as well. Our great need in our Sunday Schools today is a greater supply of consecrated, hard-working teachers.

24. **Religious Literature**

The Biblical Recorder, Journal of the Baptist State Convention of North Carolina, should be in the home of every Baptist who wants to keep in touch with his Denominational activities, for this is the only means afforded for such purpose. In addition to this, many splendid articles are found within the pages of this paper.

25. **Conclusion**

We are well organized in our Churches to carry on our work in a normal way, and we are making great strides along certain lines, but it occurs to us that the Christian layman in our Churches today is depending too much upon the pastors, the organized workers, the missionaries, and other professional workers to carry on the work of the Kingdom.

We are living in a day and generation when apparently the forces for evil are more open in their assaults upon the forces seeking to do the will of God; that there is a lessening of the moral fibre of our people; that those who should lead in our State and National Governments are prone to be swayed and sometimes unduly controlled by pressure groups filled with greed, hatred, and envy; that there is a desire to cling to those things which we know are destroying and demoralizing our civilization; that when we should put away the things which are saboteurs and fifth columnists of our war efforts, we sit complacently by and allow the Liquor interests to continue to flourish and control and dominate our fair land, to kill and disable our military forces, to bring death, despair and ruin upon our civilian population. Is it not

now the time for Christians everywhere to arise and smite these evil forces, and do all in their power to destroy the world's public enemy No. 1, the liquor traffic?

Respectfully submitted,

BENJAMIN M. COVINGTON.

26. In keeping with suggestions contained in the Association Report, R. A. Ellis, Wadesboro, moved and the Association directed the Moderator to name a special Committee on Resolutions to draft a resolution bearing upon the use of intoxicating beverages and report at the afternoon session. The Committee named by Moderator Tomlinson were: B. M. Covington, *Chairman*, R. A. Ellis, and T. W. Hearne.

27. C. B. Deane, Rockingham, called attention to the establishment of the largest air borne army camp in the United States, soon to be established in the Hoffman vicinity and suggested the naming of a special committee from the Association to work with the Hoffman Church and our State Mission agencies to the end that Baptist Church facilities will be ready for the great challenge that will arise with the coming of many thousands of troops to this section of the Association. During the day the Moderator named the following to this special committee: J. B. Willis, *Chairman*, C. B. Deane, and A. R. Brothers.

Song: "Marching to Zion."

28. "The Present Crisis Challenging the Churches" was the theme of the special message brought at this time by J. B. Willis, Hamlet. At the conclusion of his message he spoke briefly on the urgent needs at Wake Forest in view of the early drafting of the 18- and 19-year-old youths into the Army. He advised that the Trustees of Wake Forest, three of whom reside in the Association, viz.: Claude Gore, C. B. Deane and himself, were among the large majority of the Trustees who voted at the last Commencement to permit young women to enter the junior and senior classes. This action was prompted mainly in an effort to encourage Baptist young women, many of whom were coming from our Baptist junior co-educational colleges, to go to a Baptist College.

29. At the conclusion Moderator Aubrey S. Tomlinson requested Bruce Benton, Rockingham, who some few years ago was given an honorary D.D. degree by Wake Forest to take the chair. The presiding officer requested any to speak who desired on this plan of co-education at Wake Forest. Aubrey S. Tomlinson responded and expressed the belief that while he was not a graduate of Wake Forest he felt very close to the institution and that in his opinion the trustees made a great contribution to Christian Education in North Carolina by giving to Baptist young women in North Carolina the opportunity of entering the college at the junior and senior levels. He then moved and the Association, without a dissenting vote, commended and approved the action of the Board of Trustees in opening the College doors to young women for the first time.

30. At the suggestion of C. B. Deane, the Association approved and Brother Deane was requested to telegraph the Association's greetings

and best wishes to W. H. Moore, for many years pastor at Wadesboro and a faithful worker in the Association.

31. O. W. McManus, *Chairman*, Gibson, reported for the Committee on Committees and upon his motion the following Committees were approved:

Committee on Place and Preacher for the 1943 Association: B. M. Covington, *Chairman*, O. L. Moore, T. G. Thomas.

Committee to Plan 1943 Associational Program: J. B. Willis, *Chairman*, C. B. Deane, and R. E. Ellis.

Committee to Audit Books of Treasurer: B. H. Condor, *Chairman*, Mrs. Claude Gore, Joel Ballard.

Committee to Nominate Promotion-Executive Committee: J. Marvin Smith, *Chairman*, C. C. Reece, J. C. Meigs.

Committee on New Church Applications: Bruce Benton, *Chairman*, E. M. Harris, J. E. Reamy.

Orphanage Representative: A. R. Brothers.

Hospital Representative: T. W. Hearne.

Biblical Recorder Representative: O. W. McManus.

32. Speaking next on the *Biblical Recorder* were C. B. Deane and M. O. Alexander, who urged every church to secure subscription clubs. Several churches reported club memberships and what the *Biblical Recorder* had contributed to the home and church life. Continuing the subject of religious literature, L. B. Olive, called attention to and asked the messengers to subscribe to the splendid publication "Commission" published by the Foreign Mission Board.

33. President C. C. Burris, Wingate, spoke next on Wingate Junior College, giving a splendid report on the current school year. He expressed appreciation for the support given by certain of the churches during the year.

34. Prior to adjournment Mrs. Aubrey S. Tomlinson, who had charge of registration, revealed that a total of 196 messengers had registered before the noon hour. This was considered a splendid registration since the Association was meeting in the extreme end of the territory and in view of the urgent conservation of automobile tires and gasoline because of World War II.

35. The host pastor invited the messengers present to dinner served by his church in the dining room. O. W. McManus prayed and the Association adjourned.

TUESDAY

Afternoon Session

36. With Miss Elizabeth Duck leading, the Association convened at 2 o'clock and sang "Draw Me Nearer," with Mrs. J. D. Nash, Hamlet, Superintendent of the Woman's Missionary Union, presiding and presenting the W. M. U. report. She was assisted in the devotional period by Frank R. Moore, Ellerbe. At the conclusion of the Union's report

the Association again sang "The Light of the World Is Jesus," being the W. M. U. hymn of the year.

ELBERT PLUMMER PEARCE, Sr.

To whom this Minute is dedicated by Order of the Association

Born in Centerville, Franklin County, North Carolina, April 28, 1878, the oldest son of D. B. and Carolina (Gupton) Pearce. At the age of 15 joined the Red Bud Baptist Church. Student of the Franklin County Schools and Buie's Creek Academy. Married (Miss) Mattie King in 1900, who died in 1911. No children born to this marriage. In December 1915 married (Miss) Glennie Alma Maske, children: E. P. Jr., Edwin; William; and Alma Willis. Mr. Pearce moved to Hamlet in 1914. He was a member of the Hamlet Baptist Church, and served as a member of the Board of Deacons and Superintendent of the Sunday School for twenty-eight years, and for eighteen years was Chairman of the Board, and was serving in both capacities at the time of his death. Mr. Pearce by occupation was a farmer and dairyman, yet spent a large portion of his time in promoting the religious and social betterment of his own church and community, the influence of which spread throughout the Pee Dee section of North Carolina. His death occurred at his Hamlet residence in his sixty-fifth year, on Sunday morning, August 22, 1943. Interment in Mary Love Cemetery, Hamlet.

Proceedings

RECORD OF PROCEEDINGS
OF THE
ONE HUNDRED TWENTY-EIGHTH ANNUAL SESSION
OF THE
PEE DEE BAPTIST ASSOCIATION

HELD WITH
FIRST BAPTIST CHURCH
WADESBORO, NORTH CAROLINA

TUESDAY
Morning Session
October 19, 1943

1. An organ prelude played by Mrs. R. P. Lyon, Wadesboro, organist for the sessions, preceded the opening of the One Hundred Twenty-eighth Annual session of the Pee Dee Baptist Association which met in the spacious auditorium of the Wadesboro First Baptist Church on October 19, 1943.

2. Moderator James B. Willis, Hamlet, called the Association to the transaction of business at 10 o'clock, A.M. He requested R. A. Ellis, Wadesboro to lead the music for the sessions, and the opening hymn was "Saviour Like a Shepherd Lead Us." The opening prayer was led by J. D. Whisnant, Raeford, and again the group was led in the singing of "Higher Ground" after which James B. Little, Marshville, prayed.

3. James B. Willis, Moderator, at this time called to the attention of the messengers present, that this annual session would be limited to one day in view of severe war restrictions on driving. He emphasized the seriousness of the times in which the meeting was held and urged a greater spiritual awakening on the part of the co-operating churches. He then named J. Marvin Smith, Rockingham, Chairman and J. J. Gray, Hamlet and W. F. Moore, Cordova as the Committee on Committees.

4. Host Pastor, R. A. Ellis was recognized and on behalf of his church membership extended words of welcome.

5. A roll call of the churches followed, led by Charles B. Deane, Clerk, Rockingham, with the introduction of all messengers present. It was determined that only five of the thirty-three co-operating churches were not represented. Upon motion by T. W. Hearne, it was agreed that the messengers now enrolled, and others who may register during the sessions shall compose the 1943 Association. In closing the Clerk com-

mented on the splendid co-operation of each of the thirty-three church Clerks, all of whom had sent in their church letters five days before the meeting of the Association.

6. At the request of Moderator Willis, the following new pastors in the Association came to the front and were cordially welcomed into the Association: J. D. Whisnant, *Wagram*, Roy Arnette, *Pee Dee*, and James B. Turner, *Laurinburg, First*.

7. Among the visitors recognized were: Dr. A. C. Reid, Wake Forest College, Wake Forest; Mr. John W. Chandler, Mills Home, Thomasville; Rev. W. B. Carr, Marshville; Rev. and Mrs. J. Tillman Lake, Wadesboro; Rev. R. D. Riggins, Derita; Rev. J. M. Pickler, Wingate; Prof. C. C. Burris, Wingate; Rev. and Mrs. W. C. Link, Jr., Wingate; Rev. Joel C. Herrin, Wingate; Rev. J. T. Johnson, Raleigh.

9. A message in song "Trust and Obey" followed and thereafter James B. Turner, Laurinburg, addressed the Association on the work of the Woman's Missionary Union. In connection with this address a brief statistical summary on the work of the W. M. U. in the Pee Dee Association made by Mrs. J. H. Hawkins, Hamlet, indicated that for the Associational year 1942-43, total gifts amounted to \$8,296.95. To the Hundred Thousand Club a total of \$1862.10 was paid. There are

nine full graded Unions in the Association namely: Ellerbe, Laurinburg, *First*, Peachland, Pee Dee, Polkton, Rockingham, *First*, Wadesboro, *First*, East Rockingham, Hamlet, *First*, and Cordova.

10. Frank R. Moore, Ellerbe read the Associational Report covering the Co-operative Program and related subjects and at the close upon motion by J. Marvin Smith, Rockingham, the report was approved as follows:

THE ASSOCIATIONAL REPORT

11. Co-operative Program

The co-operative program is a plan through which each church and each church member may have a share in every phase of denominational work. Through the unified budget the work may be systematically and proportionally carried out.

12. Missions

In the "Great Commission" our Lord insisted that the task of every Christian is world-wide. Baptists recognize this responsibility and our plan of work is all-inclusive. We have three phases of missionary endeavor—State, Home, and Foreign Missions. We must have the proper vision that we may see the need in every field. It is a mistake to be so selfishly near-sighted that foreign needs are obscured, or gloriously far-sighted that the home work loses its significance.

13. State Missions

Our first responsibility is the work in our own State. Never before has the need seemed greater. With the constantly changing population which has increased the size of our already congested towns and cities, especially in war production areas; and with the fervent war spirit loosing, in a measure, from our people their personal, moral, and religious responsibilities, we must exert every effort toward the maintenance and development of the Lord's work here at home. Our State Convention has been actively engaged in building and supporting new churches in localities adjacent to our army camps. Our state missionaries have been faithfully working in their capacity for the upbuilding and strengthening of our churches. This is our work, and to it we owe our full support. For we have only begun to do what we ought.

14. Home Missions

The Home Mission Board is entirely out of debt, having paid the last dollar May 12 of this year. This is a remarkable achievement and one in which we greatly rejoice. For many years the Home Board has labored under the serious handicap of heavy indebtedness, but thanks be unto God and to His people the way is cleared for advancement. We must now press forward. It is reported by the Board that between 1200 and 1400 Southern Baptist ordained ministers are now serving as chaplains in the armed forces. How can we do less than give of our means, time, and prayer for complete victory in Christ.

15.

Foreign Missions

Present conditions have made great changes in our foreign missionary enterprise. Many fields are closed to our workers. But under the competent leadership of Dr. Maddrey the pace is not slackened. Hundreds of missionaries are still at work while hundreds of new ones are being trained in this country for service as soon as fields are re-opened. The close of the war is expected to throw open the doors of hitherto forbidden lands, white unto harvest. It is our duty and privilege to be ready when the moment comes. The Foreign Mission Board has now been completely out of debt since March 12, 1943. We cannot rest on our laurels, for the task is just begun. Give to it your unswerving loyalty and financial support.

16.

Christian Education

Baptists believe in Christian education. For this purpose Southern Baptists support four seminaries, three white and one negro. Each State has its own colleges or universities. In our State the work includes the maintenance of two senior colleges for men and women, and five junior colleges. With four other associations we share in the support of Wingate Junior College. The records reveal that our allegiance is very small, and our financial help is so meagre that we should blush with shame.

Benevolences

17.

The Orphanage

As we know the orphanage is divided into two units—the Mills Home, at Thomasville, and the Kennedy Home, at Kinston. No facts and figures can compute the immeasurable good they have done. Many young lives otherwise destined for ruin have been developed and trained into stalwart Christian men and women. These two branches of our Baptist Orphanage have outstanding and consecrated leaders. We are justly proud of the work thus far accomplished. But more can be done. The responsibility for greater deeds rests on our shoulders—the more we contribute the more service can be rendered. Keep these things in mind during the monthly Sunday School and yearly Thanksgiving offerings.

18.

The Hospital

Our Baptist Hospital at Winston-Salem is making a lasting contribution to the welfare of our State. Hundreds of people, each year, are cared for and treated by our skilled and consecrated doctors and nurses. Many of these patients might have otherwise been left to suffer and die. The ministry of healing is exceedingly important. The only help received by the Hospital from the churches comes through the Mother's Day Offering. May we with compassion remember the sick and needy that our offerings may be greatly increased.

19.

Ministers Retirement Plan

This plan adopted and supported by our State Convention makes possible a source of income for retiring ministers and church employees.

All churches and pastors are urged to participate. Though comparatively young it is gaining in popularity because of its soundness and beneficence.

20. Sunday School

The Sunday School is an important part in Southern Baptist work. Its main object is teaching. Used properly, and as intended, it is a mighty factor in imparting to our people the teachings of the Bible. From the Sunday School the church receives most of its new members. Therefore, it is necessary that the Sunday School officers and teachers be Christian and thoroughly consecrated. The need is more teachers filled with the Spirit of God and a vision of the holy task they are called upon to perform.

21. Training Union

The Training Union is primarily an organization for training in church membership. Its activity is to afford opportunity for expression. In the Sunday School we are taught; in the Training Union we are trained to work. It is the training ground for future leaders of our churches and denomination. Every church should sponsor and promote a Training Union.

22. Religious Literature

The *Biblical Recorder* is the official news agency of our State Convention. It affords splendid, inspirational articles as well as news of the activities of all our organizations. Every home should have access to it. During Dr. Carpenter's management it has increased in popularity and subscription. But more should subscribe and more should read it.

23. Conclusion

This report, shows marked advancement for most of our organizations. Within themselves the accomplishments are worthy of praise. We may well say, "Look what we have done." But in the light of God and our responsibilities as Christians all our work fades into insignificance. It reveals to us that we are playing with the King's business. We are but children piping and dancing in the streets. Our work is but a mockery, a shadow, a cleansing of the cup's outside. We do enough to keep ourselves and our churches respectable. We are playing church! We like to have and pride ourselves in smooth organizations and good reports while the greater need is inner conviction and spiritual power. May I gently say, we are over-organized and underspiritualized. We want our way when we should seek God's will. Baptists, today, need to rethink the reality, the power, and the love of God. In the light of these things the immensity and the importance of the task and the urgency of the Gospel message are clearly revealed. We need a higher and nobler concept of God. As our concept is so is our giving; as our concept is so is our living.

Respectfully submitted,
FRANK R. MOORE.

FIRST BAPTIST CHURCH
HAMLET, NORTH CAROLINA

TUESDAY
Morning Session
October 17, 1944

1. Promptly at 10:00 o'clock A.M. on October 17, 1944, James B. Willis, Hamlet, Moderator of the 129th Annual Session of the Pee Dee Baptist Association called the messengers assembled in the auditorium of the First Baptist Church, Hamlet, to the transaction of business.

2. Miss Elizabeth Duck, Laurinburg, director of music for the sessions was recognized and she led in the singing of "Blessed Assurance," assisted at the piano by Mrs. J. H. Bone, Laurinburg.

3. The scripture and prayer service was offered by R. D. Riggins, Cordova, afterwards Miss Duck led in the singing of "I Am Thine, O Lord."

4. Words of greeting were at this time extended by the host pastor and Moderator, James B. Willis to which Clerk Charles B. Deane, Rockingham, responded.

5. Complying with the usual custom the Clerk called the roll of churches and as each church was recognized the pastor introduced his messengers. Four churches of the Association, namely Hoffman, Mars-ton, Midway, and New Hope, failed to be represented, but submitted their letter. It was agreed, upon the ruling of the Moderator, that the messengers present would constitute the Association, but recommended that, pending their registration messengers who arrived after this hour, be recognized as members of the Association. The total registration to be announced at the close of the afternoon session.

6. The Moderator named Bruce Benton, Chairman, J. D. Whisnant, W. H. H. Bagwell, Mrs. J. H. Bone and J. Marvin Smith, to compose the Committee on Committees.

7. At the request of the Moderator the following new pastors came forward and were recognized and welcomed into the Association: Donald G. Myers, Wadesboro; R. D. Riggins, Cordova; H. M. McGinnis, East Hamlet; Edwin F. Perry, Rockingham.

10. A memorial service was observed at this time, when the Clerk was requested to call the names of those who have died since the last meeting of the Association (See Page 27 for names). Donald G. Myers, Wadesboro offered the special prayer.

11. James B. Turner, Laurinburg, prepared and at this hour read the Associational Report, covering the work of the State Convention. The Moderator announced that the various subjects covered by the report, which follows, would be discussed during the day and thereafter would be subject to adoption.

THE ASSOCIATIONAL REPORT

12.

The Co-operative Program

We are familiar with the Co-operative Program, a system of raising money proportionately for the objects of our work, State and South-wide. All monies are forwarded to our State Office in Raleigh, from which is sent a proportionate part to the Executive Committee in Nashville, which in turn allots to each of the South-wide agencies its share. Thus each church in our Association is in touch with every field of our effort, here at home and out in the way stations of Foreign Mission service, where the individual donor perhaps will never visit. During 1943 the Pee Dee gave \$21,299.93 to objects of the Program. In 1942 the amount was \$17,297.10, an appreciable increase in 1943 over the year previous. An increase is noted this year over 1943. The increase being \$28,737.16. In this connection it might be well to mention that the 100,000 Club, started in Washington back in 1933, has run its race like a strong man. All South-wide debts have been paid, the immediate object of creating this special effort. A few States, including North Carolina, are continuing the Club in the hope that their debts may be wiped out. Our convention owes very little, but the Club will be continued a short while longer looking to the liquidating of all obligations. Fifteen years ago, or thereabouts, we owed over a million dollars on Meredith College, for instance. Secretary Huggins is hopeful that the last penny on this obligation will be paid before we meet in Charlotte next month in annual session.

13.

Missions

This Bible-fraught topic has been, since our organized work started, a passion among Baptists. As long as we believe the gospel should be preached "to the uttermost parts of the world," we shall continue to grow in the things that do not pass. Our boys and girls learn in Sunday School, the Training Union, and in the auxiliaries of our W. M. U., that missions is a threefold word: Foreign, Home and State. Our Lord mentions the divisions in Acts I:8, and to be sure, the reference is inherent in His teachings in numerous other passages; in fact, His every word is eloquent of the passion that every nook and cranny of earth is in His program, no less than the neighborhood in which you and I live.

14.

State Missions

Mr. M. A. Huggins is General Secretary-Treasurer of this branch of our work. He has held this pivotal position since Dr. Maddry's resignation in 1932. He is ably assisted by co-workers in the various phases of the Missions responsibility, such as Woman's Work, Sunday School, Training Union, and activities among the students in our colleges. L. L. Morgan, Harvey Gibson, Miss Mary Currin, are names we are familiar with. No one of us can read his denominational paper without being impressed by the faithful and efficient service each of

these secretaries is rendering. As goes State Missions, so goes the work the Convention is fostering over the world. It is carrying coals to Newcastle to write about the primacy of this arm of our organized work. Let our churches pray for, give to, support in every way they can, our state agencies. They are seed-corn for fields afar, where the need is increasingly urgent, and will be even more challenging when the war is over.

15.

Home Missions

Dr. J. B. Lawrence is secretary of this Board, with offices in the Red Rock Building, Atlanta. Since the war started this agency has taken on additional responsibility, and doing it without diminishing its efficiency in other and more familiar efforts. For instance chaplains for the armed forces are recommended by the Home Board. Dr. Alfred Carpenter is secretary of this branch of the work. He visits the camps, and otherwise stays in touch with the men whom he recommended. Too, the ports of our Southland are crowded with new faces and needy cases, caused by increased shipbuilding and other war efforts. The Board is charged with the care of all this, besides the new work in many of our inland cities, two or three of which are within our state.

16.

Foreign Missions

In January of next year Dr. Chas. E. Maddry will retire from the secretaryship of the Foreign Mission Board. His service has been praiseworthy from its inception. The large debt has been entirely wiped out, and a reserve fund of almost two million dollars is intact, for renewed effort after the war. Dr. M. T. Rankin, who has seen long service as a missionary in China, will succeed Dr. Maddry. Dr. Rankin is a native of South Carolina and a graduate of Wake Forest. A worthy man follows a true and tested leader. Our work on foreign fields, generally speaking, is arrested due to the war, but in South America, and in portions of Africa, the cause is growing in favor and fervor.

17.

Christian Education

Education, without Christ as the center, never reaches the mark of which it is capable. The head needs the heart, no less than the heart needs the head. Christian education combines mind and feeling, the brain and the sympathy of spirit. Our state is fortunate in having noble institutions that seek this combination. Our two senior colleges are in the limelight at present. At the convention in Charlotte next month a motion will be offered looking to the combining of these institutions. Our people should vote on the motion calmly, dispassionately, which we feel sure will be the case. Mars Hill, Campbell, Wingate, and Gardner-Webb are junior colleges of which any denomination should be proud. Surely with such an array of contributors to Christian education our churches should redouble their efforts to help young men and women to drink at the Pierian Spring.

Benevolences

18.

The Hospital

At the convention in Winston-Salem last November a step was made to enlarge the facilities of our hospital. Patients crowd the facilities, in fact many are turned away because of the lack of space. In connection with the hospital is the A-1 Bowman Gray Medical School, an adjunct of Wake Forest. These two units work together, of course, in fine harmony. Mother's Day offerings go a long way in caring for the charity cases that the hospital ministers unto. Let us keep this offering in mind.

19.

The Orphanage

This is the one institution that all our people unite on. "The child in our midst" calls out the heart of every one of us. There are some who do not know the values of college education, who have never been patients in the hospital supported by our churches, but the child is found in every nook and cranny of our State, and with few exceptions there is an orphan everywhere we turn. The Mills Home at Thomasville, and Kennedy Home at Kinston are worthy of our best effort and our devotion. Some of our churches have the helpful custom of contributing the first Sunday offering in our Sunday Schools each month to this worthy object. The practice should be universal.

20.

Ministers' Retirement

So far as we are informed every State in our Southern Convention is co-operating in this important service. North Carolina entered the plan in 1939. Financial security for the minister in his old age is a fact our churches as well as the pastors should give attention to. By this plan adopted for the minister's benefit primarily this security can be vouchsafed, and very easily. The church, the State Convention, and the pastor work together to the building of a competency for the pastor when he needs it most.

21.

Training Activities

Some one has arrived at the conclusion that 85% of our people who join Baptist churches by baptism come from the Sunday Schools. Surely each pastor is in position to testify to the magnificent results of the Bible school in many respects. We need the teaching service no less than we need the preaching hour. Our great Sunday School Board in Nashville is equipped to supply our schools with the best material, which it is doing in a fine way. Hard on the heels of the Bible school comes the Training Union. Some one has aptly called the Training Union the West Point or Annapolis of our work. Training is the word emphasised, just as teaching is the word that applies to the Sunday School.

22.

Biblical Recorder

No report to an association would be complete without a word about our denominational organ, the *Biblical Recorder*. The paper has the largest circulation in its history, about 30,000 subscribers. Dr. L. L. Carpenter is doing a splendid job as editor. He is not only a good

editor but is in demand throughout the state as a speaker, from pulpit, forum, and school platforms. One simply cannot keep abreast of what is happening in the Baptist Zion without reading the *Recorder*. Inquire into the budget plan which the periodical encourages.

Conclusion

"Hear the conclusion of the whole matter," admonishes the wise man who wrote Ecclesiastes. His reference was to a more essential matter, 'tis true, but his words fit the discussion of our co-operative work. No church is safe that attends only to local needs, no matter how pressing conditions immediately attaching to the situation. How Jesus stressed the work at Jerusalem! But equally he stressed the call from Samaria and the uttermost parts of the world. In this connection where there is one emphasis that should be laid, viz., let us not depend overly much on organizations. The evangelistic fervor that marked the early church cannot be put aside with impunity. Hand to hand, personal and friendly touch, is still the way to conduct church work. Sermons and class teaching and BYPU leadership are more or less impotent to reach the lost and conserve the gains contributed by us in the church, if the personal touch is minimized, by pastoral visitation, visiting by teachers and other leaders. Remember, ever remember, the beautiful reference to this in the early verses of John's gospel, "And he brought him to Jesus," referring to Andrew's touch with his brother Simon Peter.

Respectfully submitted,

JAMES B. TURNER.

23. Under miscellaneous business a report was received from the Committee on Committees, Bruce Benton, Chairman, and upon motion by T. G. Thomas, Rockingham, the report was approved as follows:

Committee on Place and Preacher 1945 Association: J. C. Meigs, Chairman, B. D. Grant, and B. M. Covington.

Committee to Plan 1945 Association Program: J. B. Willis, Chairman, C. B. Deane, and R. D. Riggins.

Committee to Audit Books of Treasurer: M. F. Walters, Chairman, W. H. Boggan, and William Wallace.

Committee to Nominate Promotion-Executive Committee: Donald G. Myers, Chairman, Edwin F. Perry, O. W. McManus.

Orphanage Representative: J. D. Whisnant.

Hospital Representative: H. M. McGinnis.

Biblical Recorder Representative: O. W. McManus.

24. A brief statement was made by O. W. McManus, Gibson, in behalf of the American Bible Society.

25. A discussion led by the Moderator developed on the need for an active Executive Committee. It was pointed out that the present Promotion-Executive never functioned and was too large. It was agreed upon motion by J. Marvin Smith, Rockingham, that this would be notice of intention to amend Article 8 of the Constitution at the afternoon session and the Committee to name the Promotion-Executive Committee were instructed to draft the proper amendment and present along with their report.

26. It was noted that the program was moving several minutes ahead of schedule and the clerk was requested to give some features from the church letters. A digest of the 1944 church letters previously placed in the hands of the messengers indicated that denominational gifts were up \$7,437.23 over 1943 and local gifts ran \$21,262.22 over 1943. Other interesting facts show that only three churches in the Association have any debt. This total debt being \$3,152.52, as compared with \$50,750.00 ten years ago. It was pointed out that the total value of all church property in the association totaled \$511,676.05

The messengers and pastors were advised by the clerk of a policy adopted by the General Board of the Baptist State Convention, that the Board would not look with favor on assisting any church destroyed by fire, if the particular church failed to carry some fire insurance protection. The pastors and laymen were requested to study statistical table V and note where insurance coverage is needed or the absence of such.

27. President C. C. Burris, Wingate, brought greetings from Wingate Junior College and in closing called attention to the proposed merger of Wake Forest and Meredith to be considered at the State Convention in Charlotte on November 14-16, 1944.

28. A special solo number "The Lord's Prayer" was sung by Miss Elizabeth Duck, accompanied at the piano by Mrs. J. H. Bone.

Song "Holy Ghost, With Light Divine"

29. "Pressing Toward the Mark" was the subject used by Frank R. Moore, Ellerbe in bringing the Annual Sermon. His scripture basis was taken from Phil. 3:13-14.

30. The morning session adjourned following prayer by Frank R. Moore.

TUESDAY

Afternoon Session

31. At 1:15 the messengers began to assemble for the afternoon session and to listen to the Carillonic Meditations played by Mrs. James B. Willis, Hamlet. This devotional service was continued by prayer led by Cade Deaver, East Laurinburg. Miss Elizabeth Duck then sang a solo "Jesus My Lord Is Real To Me."

32. Moderator Willis recognized President Leslie H. Campbell, Buies Creek, who brought brief greetings from Campbell College.

33. Mrs. J. T. Lake, Wadesboro, Superintendent of the Pee Dee Associational W. M. U. presented the following report covering some of the activities of the W. M. U.

W. M. U. REPORT

It is with feeling of sincere gratitude and deep humility that I bring to you the report of the W. M. U.

There have been sacrifices of love and deeds done this year by the women in the name of the Lord Jesus. We feel the women have stood

by this year with their talents, time, and money, as they were taught to do by Our Lord.

We report 26 churches giving to all causes \$9,121.45 this year. We feel if we had been better informed this amount would have been doubled. Through our giving, the Good News of Jesus has been carried to the ends of the world. How happy we should be in helping to carry out the Great Commission.

When we behold our host of fine young people in the Pee Dee Association, our hearts are made to rejoice because of their part in our great work. Their splendid report last year to all causes was \$511.79.

We are "Laborers Together with God," "That the Generation to Come Might Know," here at home and abroad. Never before has the need been so great for real Christian workers. Idle women are not to be found among the faithful members of your Woman's Missionary Society.

I quote in part the words of our beloved president, Mrs. J. S. Farmer, in her message to the State W. M. U. Convention: "One of the most beautiful bits of information about heaven is found in Rev. 22:3, 'And His servants shall serve Him.' A consecrated woman who had given forty years on a mission field 'doing earthly things in a heavenly manner,' which Dan Crawford once stated as Africa's greatest need, said not long before her death, 'No heaven for me with a harp and crown. I want a heaven with some blueprints in it—something more to do.' Another expresses the same thought thus: 'ask no heaven till earth be Thine:

No glory crown while work of mine
Remaineth here.
When earth shall shine among the stars,
Her sins wiped out, her captives free,
Her voice a music unto Thee,
For crown, more work give Thou to me.
Lord, here am I!'"

In these days of opportunities while other nations of the world look to us as a land flowing with milk and honey, let us pray together for the same spirit of the pioneer woman, as we stand on the threshold of a new century—"together" to consecrate ourselves to the task before us, "together" to clasp the Bible to our hearts, "together" to take children by the hand and lead them, and "together" to face the untrodden paths with faith in God.

Respectfully submitted,

MRS. TILLMAN LAKE.

34. A message on and a discussion of the report on Christian Education followed, led by Edwin F. Perry, Rockingham, who presented in closing the following resolution and upon his motion was approved without a dissenting vote.

RESOLUTION CONCERNING MERGER OF WAKE FOREST COLLEGE
AND MEREDITH COLLEGE

Be it resolved that the Pee Dee Baptist Association in regular meeting, October 17, 1944, go on record in favor of the proposed merger of Wake Forest College and Meredith College. Be it further resolved that this action be made known at the coming meeting of the State Baptist Convention in Charlotte. Let it be moreover recorded that we heartily endorse the proposed merger for the sake of sound pedagogy, reasonable economy, enlightened stewardship, and organizational efficiency.

35. The work of the denominational program continued with a message from E. L. Spivey, Charlotte, who came representing the N. C. Baptist State Convention. He emphasized the fact that while we had much to be thankful for there was much to make us feel ashamed. Our total gifts, he stated, were greater than ever before, but it was taking for example 38 church members in this Association to win one member to Christ, which was a fair average for the State.

Song: "When I Survey the Wondrous Cross"

36. J. C. Meigs, Polkton, opened the discussion on the Hospital and then presented C. E. Parker, Winston-Salem, Chaplain of the Hospital and the Bowman Gray Medical School of Wake Forest College, who closed the discussion with a special message.

37. In closing a discussion of the Associational Report, W. C. Reed, Kinston, Superintendent of the Kennedy Home, spoke to the Orphanage Report.

38. With all discussions of the Associational Report having ended, the entire report as submitted by James B. Turner, during the morning session was adopted upon motion by Frank R. Moore.

39. With B. M. Covington, Wadesboro, Vice-Moderator, presiding, the closing message of the afternoon was brought by Donald G. Myers, Wadesboro on the subject "The Centennial Evangelistic Crusade." Prior to the address the messengers stood and sang "Forward Baptist Comrades," a centennial marching song, arranged by Ernest C. Kolb, Loris, S. C., to the tune of "Onward, Christian Soldiers." In keeping with the message and at the suggestion of the Southwide Centennial Committee, and upon motion by Donald G. Myers, the following steps were taken to promote the crusade in this Association:

(a) An Associational Committee of five on Evangelism, composed of Donald G. Myers, Chairman, James B. Turner, Edwin F. Perry, R. D. Riggins and Frank R. Moore, were named by the Moderator.

(b) The Association pledged its active cooperation to the Crusade and each church was requested to appoint a committee of three on Evangelism.

(c) And in January, 1945, it was agreed that an Associational Conference on Evangelism be held, and each church was requested to promote a study course on soul winning during January or February 1945.

40. A report from the Committee on Place and Preacher was made by the Chairman, J. C. Meigs, Polkton and upon his motion the messengers voted to hold its 1945 Association with the Lilesville Baptist Church and requested Donald G. Myers, Wadesboro to preach the Annual Sermon.

41. M. F. Walters, Laurinburg, Chairman of the Committee to audit the report of the Treasurer stated that the report was found correct and it was approved upon the committee's recommendation.

42. The Association approved the following amendment to the constitution, to be designated, Article 8, concerning an Executive Committee, upon motion by Donald G. Myers, Chairman of the Committee to name an Executive Committee.

The Association shall elect an Executive Committee consisting of five members from five separate churches of the Association for a term of one year. The Moderator and Clerk will be ex-officio members of this Committee. It will be the duty of this Committee to attend to any and all business between regular Associational meetings to promote our Baptist Program and to make an annual report of its activities to the Association. A majority in attendance will constitute a quorum.

43. In keeping with the above amendment the following were suggested by the Committee offering the amendment to serve until the next Associational meeting as the Executive Committee of the Association: J. D. Whisnant, Raeford, Chairman, J. H. Bone, Laurinburg, J. Marvin Smith, Rockingham, B. M. Covington, Wadesboro, Frank R. Moore, Ellerbe.

44. J. C. Meigs, Polkton, observed that there were two vacancies from this Association on the Board of Trustees of Wingate Junior College, and nominated Edwin F. Perry, Rockingham to succeed T. W. Hearne, removed from the State, for the term to expire in 1947, and LeGrand Bennett, Wadesboro, to succeed R. A. Ellis, removed from the Association, for the term to expire in 1948.

45. All Associational officers were re-elected upon motion by Cade Deaver, East Laurinburg, namely:

James B. Willis, Moderator;
B. M. Covington, Vice-Moderator;
Charles B. Deane, Clerk and Treasurer;
W. H. Covington, Historian.

46. Vice-Moderator Covington prior to adjournment expressed for the 185 registered messengers and visitors, words of appreciation for the hospitality of the host church.

47. The Association adjourned at 3:40 upon motion by Cade Deaver, East Laurinburg and prayer by Donald G. Myers, Wadesboro, with the unanimous feeling by all in attendance that one of the best Associational programs in many years had ended.

JAMES B. WILLIS, *Moderator.*

CHARLES B. DEANE, *Clerk.*

2. The Superintendent announced that the theme for this session would be "Face today—Plan for tomorrow." Hymn "Holy, Holy, Holy" was sung, then the Watchword "Laborers together with God that the generations to come might know. This is the day the Lord hath made, we will be glad and rejoice in it," was repeated in unison.

3. A period of Praise and Worship was led by Mrs. J. T. Lake.

4. Greetings were extended the Association by Mrs. C. L. Parker of the Cordova Church, to which Mrs. John Adams, of Rockingham, responded.

7. Mrs. J. H. Hawkins, Secretary and Treasurer, at this time presented to the Association a detailed report of the receipts and disbursements for the past year, which report was accepted.

8. "Today's Achievements—an Incentive for Tomorrow's Task," were shown by the reports from Associational Chairmen: *Stewardship*—Mrs. F. M. Little; *Mission Study*—Mrs. L. J. Huntley; *Community Missions*—Mrs. J. H. Hawkins; *Margaret Fund and Training School*—Mrs. O. W. McManus; *Young Peoples*—Mrs. B. T. Hill.

9. Mrs. Nash, Superintendent, expressed her appreciation of the work of the different chairmen and hoped that the coming years would show even much greater improvement. She stated that the reports financially have been most encouraging and she feels that this year the women will be even more liberal.

10. A Roll Call of the churches was made with thirteen responding, at which time each President of the W. M. U., bringing the Associational

The morning session adjourned at 12:45 for a delightful lunch prepared and served by the ladies of the Cordova Church.

THE ASSOCIATIONAL REPORT

15. Cooperative Program

"Baptists doing things together everywhere" is the essence of our cooperative program. This cooperative program is the medium of receiving and distributing mission funds for State, Southwide, and World-wide missions. It is not an impersonal medium. Rather it provides that everyone who, in cooperative enterprise, gives anything anywhere, gives something everywhere. It stretches the cooperative dollar around the world. It gives geographical focus and application to the Lord's great commission. More and more the logic and wisdom of such cooperative emphasis are being established in our denominational life.

16. State Missions

The claim of mission service in our own State is appallingly great. From every cooperative dollar, 55c stays in North Carolina. These 55c support the personnel of our convention's administration, headed by Mr. M. A. Huggins, our general secretary; work among Indians, Negroes, locating new churches, initiating and strengthening mission points, supplementing mission pastors' salaries, empowering a stronger Christian educational program in the churches and in our denominational colleges, endorsing and caring for the ministry of mercy and healing in our hospital at Winston-Salem, sharing in the ministers'

retirement plan, underwriting and overseeing the publication of our State Baptist paper, *The Biblical Recorder*, promoting summer work with students in associations and churches, aiding ministerial and missionary students, promoting Baptist student union work on major college campuses in the State, and giving cohesion to our entire state mission program.

17.

Home Missions

With headquarters in Atlanta, Ga., J. B. Lawrence, as executive secretary, our home mission board faces heavy responsibilities. Cuba, Central America, and Southern California have become spheres of activity of this Board. Missions to Indians, Negroes, Mexicans, and alien Nationals are rendered by this Board. City missions offer a desperate need for evangelism. Only one out of every 34 persons in our southern cities is a Baptist. 25,000,000 of our Southern people are unchurched—and this is the “Bible belt!”

18.

Foreign Missions

“Into all the world.” The word “foreign” is almost obsolete. We are not more than 60 hours from any spot on earth, via air. The agonizing hurt of the world calls for healing efforts and Christian interest. Our sincere Christian hope for peace, following the indescribable horror of the war years, will be reflected in how we perform our world-wide gospel mission.

Destroyed mission property in China and elsewhere will cost tremendous amounts of money to rebuild or replace. Secretary M. T. Rankin states that our convention has 540 active foreign missionaries at present, yet over 300 new missionaries are now needed, to say nothing of the replacements. Outbound ships and planes now carry these sacrificing servants of God back to their land of service, back to their “first love.” Can they, can God, depend on us to support and encourage them?

19.

The Orphanage

Although a very definite part of our State program, the orphanage, is not a participant in the cooperative program. The need is increasingly great today for orphan care. Broken homes and war casualties bring our awareness to the necessity of expanding our facilities and/or offering more help to mothers who long to keep their children with them. Our orphanages, with homes at Thomasville and Kinston, are largely dependent upon Thanksgiving and first Sunday School offerings for support. Many churches, however, are now placing this so-human cause of benevolence in their regular budget.

20.

Centennial Evangelistic Crusade

During the calendar year of 1945, the Southern Baptist Convention is making a maximum effort to crown our first century for Christ in an intensive and extensive evangelistic effort. We are seeking to be led of the Lord in the blessed privilege of winning one million souls to

Christ during this one year. Reports thus far are extremely encouraging.

As a part of our Centennial Crusade we are stressing Stewardship of life and of substance. Receipts for the first half of 1945 in offerings have been 30% in excess of 1944. A new century with Christ calls forth our best to claim a new world for Christ.

21. The Road Ahead—Recommendations

It appears wise in the desire of greater cooperative effort to recommend the following for the Association's consideration:

First, that we explore the advisability and possibility to call an associational missionary, whose labors among us would be of great value.

Second, that our Association name a standing committee on ordination to counsel with churches on the examination of candidates for ordination with the power only of recommendation. This would in no wise take the power to license or ordain out of the control of the local church.

Third, that our executive committee prepare an adequate report on permanent pastoral fields, with recommendations for improvements.

Respectfully submitted,

EDWIN F. PERRY.

22. Appearing on the program at this hour was General Secretary M. A. Huggins, Raleigh, who brought a special message on the work of the State Convention pointing out that convention receipts were at the highest point in the history of the Convention, but noted the tremendous task facing North Carolina and Southern Baptists in the enlistment of 25 million people in the Southern Convention, as yet unenlisted by any church group.

23. A report was received from the Committee on Committees, presented by the committee chairman, J. B. Turner, and upon his motion the following report was approved:

(a) *Committee to Nominate Executive Committee*: B. M. Covington, Chairman, H. M. McGinnis, M. F. Walters.

(g) *1945-46 Orphanage Representative*: Mrs. Joe H. Smith, East Hamlet.

(h) *Trustee Wingate Junior College*: LeGrand Bennett, Wadesboro.

24. Mrs. Roland S. Pruette, Wadesboro, sang a solo accompanied by Mrs. R. P. Lyon of Wadesboro.

25. After the audience stood and sang one verse of "Come Thou Fount" the Annual Sermon was preached by Donald G. Meyers, Pastor of the Wadesboro Church. His subject being "Here We Raise Our Ebenezer" using 1 Samuel 7-12 as a text basis.

26. The morning session adjourned at 12:30 after prayer by General Secretary Huggins.

Afternoon Session

27. Following a bountiful dinner served by the ladies of the host church the Association reconvened at 1:30 and the devotion was led by John M. Barbee, Pastor at Roberdell. The prayer was offered by Frank R. Moore, Ellerbe.

28. In the absence of Mrs. T. J. Lake, Wadesboro, Superintendent of the Association W. M. U., her report was received and by general consent here printed in the proceedings:

REPORT OF ASSOCIATIONAL WOMAN'S MISSIONARY UNION

"The days of our Centennial year have been difficult and trying days, each filled with anxieties. Many of our dreams were not fulfilled. In spite of many handicaps the W. M. U. of the Pee Dee Association has made much progress. We are realizing more and more that 'first things must come first,' if we are to do the will of the Master.

"The W. M. U. work consists of forty-five churches, thirty-three churches in the Pee Dee and twelve in the Anson Association. We have sixteen unlisted churches in the Pee Dee and eight in the Anson. We are happy to report two new W. M. S. organized this year, one in Wade Church, Pee Dee Association, one in Cedar Grove Church in the Anson Association, making a total of twenty-nine W. M. S. Five new Young Peoples organizations have been reported making a total of forty-one organizations. The need is great for Young People's leaders.

"Our Stewardship Chairman reports 199 tithers, a gain over last year of 63. Many are experiencing, for the first time, the joy of giving according to God's Plan.

"Gifts reported to your Superintendent to all causes for the year 1945, total \$11,253.25. This includes the gifts given by our young people. Not all designated items reported to your Superintendent, will be recorded in our State Minutes, only the gifts designated on report blanks are recorded in Raleigh. Our hearts rejoice when we remember that our gifts are helping to send the Gospel around the world.

"Our thanks are given to God who has brought us to this good hour. He has brought us face to face with the postwar world that we have dreamed so much about. God grant that we may prove equal to the challenge of this new day. For the Church of Christ faces the greatest missionary opportunity in all

its history. Our plea to all the pastors and laymen is that they help us, that we may teach our boys and girls the full meaning of our watchword 'That we do have the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people.' "

Respectfully submitted,

MRS. TILLMAN LAKE.

29. The young men's quartet from Wingate sang "Beautiful Land."

30. A key discussion of the afternoon was brought by George Heaton, Pastor of the Meyers Park Baptist Church, Charlotte, on Christian Education. He pointed out if our Christian Colleges were failing it was due to the failure, first of the home, the Sunday School, day school and general training environment of the youth before he entered college.

31. B. M. Covington, Wadesboro, asked that he be allowed, and presented in behalf of the Wake Forest Alumni in the Association, the plan on behalf of the friends of Wake Forest College to raise during the next five years \$150,000.00 for the erection of a dormitory at Wake Forest College. The motion that the Association request the various churches in the Association to endorse, encourage and support this movement, was unanimously approved. The alumni of the college having previously requested Charles B. Deane, Rockingham, to act as general chairman of the movement in the counties of Anson, Richmond and Scotland.

32. The orphanage representative in the Association, J. D. Whisnant, Pastor at Spring Hill, introduced Cleveland Wilkie, an orphanage boy, now Pastor at the Kennedy Home, Kinston, who brought a discussion of the Orphanage Report.

33. There being no representative from the Hospital or one to discuss the Allied Church League, the audience sang "I Love Thy Kingdom, Lord."

34. A discussion ensued on the recommendation embodied in the Association Report (see section 21, page 19).

(a) It was agreed upon motion by C. O. Funderburke, in view of the action of the Rockingham First Baptist Church, in setting up in their budget an item of \$1,000.00 for missionary work in the Association and the willingness of General Secretary Huggins to give through the General Board up to \$1,000.00, that the Executive Committee be asked to name a committee to take up the study and map out a plan for the cooperation of the churches in the Association, looking toward the early employment of a full-time Associational missionary.

(b) It was agreed by common consent that the recommendation looking toward the naming of a Standing Committee on Ordination to Counsel with Churches on the examination of candidates for ordination with the power only of recommendation, and recommendation that the Executive Committee prepare an adequate report on permanent pastoral fields, with recommendations for improvements, be referred to the

Executive Committee, for study and such action as they deem to the best interest of the work.

35. Approaching the close of the afternoon session, the election of officers now took place.

(a) With Vice-Moderator B. M. Covington, Wadesboro, presiding, J. C. Meigs, Polkton, nominated James B. Willis, Hamlet, for re-election as Moderator, and in the absence of other nominations the motion of J. D. Whisnant, Spring Hill, that the vote be by acclamation, carried unanimously and Moderator Willis was re-elected.

(b) Moderator Willis, called for nominations for Vice-Moderator, and upon motion by Frank R. Moore, Ellerbe, B. M. Covington, Wadesboro, was re-elected Vice-Moderator.

(c) J. Marvin Smith, Rockingham, nominated for re-election Charles B. Deane, Rockingham, for clerk and Treasurer, and he was without other nominations unanimously elected.

(d) W. H. Covington, Rockingham, was re-elected Historian upon motion by C. O. Funderburke, Rockingham.

36. Words of appreciation were here voiced by the Association through George W. Burch, Pastor at Deep Creek, concerning the many years of service by the Clerk and urged the Association to express its appreciation by a further financial token, up to a total of \$50.00, for bringing out such excellent Minutes. In view of the Minute Fund already contributed the motion of A. R. Brothers, Rockingham, that an offering to the Minute Fund be taken, prevailed, and this offering amounted to \$45.77.

37. James B. Turner, Laurinburg, reported for the Committee to Audit Treasurer's Report, that all funds were accounted for and the report was approved.

38. The Committee on Place and Preacher, recommended that the Association meet in 1946 with the Pleasant Grove Church in Richmond County, and that James B. Turner, Laurinburg, preach the annual sermon. The report was unanimously approved upon motion by Joe H. Haywood, Ellerbe.

39. Chairman B. M. Covington reported for the Committee to Nominate the Executive Committee and upon his motion the Committee named was elected, viz.: Donald G. Meyers, Wadesboro, Chairman, Joe H. Smith, Hamlet, George Allen, Lilesville, W. L. Godsey, Laurinburg, Roy Arnette, Rockingham.

40. A rising vote of thanks was extended upon motion by B. M. Covington, to the host church and to the ladies of the church for the cordial hospitality extended and dinner served during the sessions.

41. The hour of adjournment having arrived, such action was then taken, upon motion by C. O. Funderburke, Rockingham, and following prayer by Charles E. Stevens, Mt. Gilead.

JAMES B. WILLIS, *Moderator.*

Proceedings

RECORD OF PROCEEDINGS
OF THE
ONE HUNDRED THIRTY-FIRST ANNUAL SESSION
OF THE
PEE DEE BAPTIST ASSOCIATION
HELD WITH
PLEASANT GROVE BAPTIST CHURCH
ROCKINGHAM, N. C.

Tuesday Morning Session
October 22, 1946

1. On October 22, 1946, the Pee Dee Baptist Association, held its One Hundred Thirty-first Annual Session with the Pleasant Grove Baptist Church in Richmond County. In calling the Association to the transaction of business, Moderator James B. Willis, Hamlet, called attention to the fact that it had been forty-four years since the Association last met with the Pleasant Grove church.

2. The audience stood and sang "All Hail the Power of Jesus' Name," led by Frank R. Moore, Ellerbe, assisted at the piano by Mrs. Clara Mae Parker, Rockingham, after which George W. Burch, Wadesboro, led the devotional service.

3. R. D. Riggins, pastor of the Host Church extended greetings to which Charles B. Deane, Rockingham, responded.

4. Clerk Charles B. Deane at this time called the roll of churches and the church messengers were recognized. It was determined that thirty of the thirty-three churches were represented, and all the churches had sent in the church letter, except New Hope. The Clerk's motion was adopted, that the messengers now enrolled, and those that may hereafter register, compose the Association for the transaction of business.

5. Moderator Willis spoke words of welcome to all visitors present and cordially recognized J. M. Cook, Lilesville, the only new minister coming into the Association during the past year.

6. Upon the Motion of Program Chairman Donald G. Myers, Wadesboro, the following Order of Business was adopted:

MORNING SESSION

- ### AFTERNOON SESSION

7. In behalf of the Executive Committee the Chairman, Donald G. Myers, Wadesboro, offered and upon his motion the following report was adopted:

At the 1945 meeting of the Pee Dee Baptist Association three special matters were referred to your Executive Committee for consideration and action. These matters are listed in section 34, page 21, of the 1945 minutes. The Committee wishes to make the following report:

Your committee met four times. At the first meeting they voted to proceed with the selection of a suitable man as missionary of the Association. After prayer and deliberation, and after the consideration of several men, we felt led to call a good man for the work. He in turn became interested, however, a house could not be found and the matter had to be dropped for the time.

II. CONCERNING THE ORDINATION OF MINISTERS

In the light of the seriousness and the consequent responsibilities in the ordination of men to the ministry, we, as your Committee, would offer the following recommendations:

1. That the candidate should already be called as pastor of some Baptist church, or employed in the work of our denomination;
2. That either the church to which he is called, or the church asking for the ordination, conduct a satisfactory examination of the candidate;
3. That at least one week prior to the examination the moderator and the ministers of the Association be invited to take part in the examination;
4. That at least one week elapse between the examination and the formal ordination;
5. And that a copy of these resolutions be mailed to every pastor and every church of the Association, as information and as an expression of the sense of the Association.

III. CONCERNING PERMANENT PASTORAL FIELDS

1. We recommend that where reasonably possible all of our churches should have full time pastoral service;
2. That part time churches when calling a pastor consider the needs also of nearby Baptist churches with a view to forming permanent and effective fields;
3. And, we feel the need for an increased effort on the part of our pastors to live in close proximity to their work. To aid them, we would encourage the churches and fields to provide a suitable and livable pastorium where needed.

IV. CONCERNING THE EXECUTIVE COMMITTEE

1. Owing to the bigness of the task assigned them, we recommend that the Association appoint a new Committee composed of six ministers and six laymen or laywomen;
2. That this Committee organize itself on the rotation plan, with four members serving three years, four members serving two years, and four members serving one year;
3. That after the first year the Association elect two ministers and two laymen or laywomen to serve terms of three years.
4. We further recommend that no one succeed himself until he has been off the Committee a year. Also, we suggest that the moderator and the clerk be ex-officio members.
8. In approving the report of the Executive Committee, notice was given at this morning session by Donald G. Myers, that he would move during the afternoon session to amend the Constitution which in effect would rewrite Article 8 of the Constitution.
9. To compose the Committee on Committees, the Moderator, James B. Willis, named the following Committee: Edwin F. Perry, Rocking-

preach to my pastor at Pleasant Grove. The same year the church elected me general chairman of the 75-million campaign. At the age of 17 the church licensed me to preach. At 18 I tried to preach for the first time—at a mission point which was later organized into a church, in the suburbs of Rockingham. Under the providence of God, I moved this same year, upon the death of my father, to Greenville, S. C., to the home of Dr. J. S. Dill, for whose father I was named. Dr. Dill was a Cousin of my father and took a special interest in me. His guidance and theological instructions become the foundation of my ministry as I served student pastorates while attending Furman University. The blessings of his home and help prompt the choicest memories of life.

After serving other student pastorates while attending the Southwestern Baptist Theological Seminary, I returned to South Carolina to serve the First Baptist Church, Abbeville, for eight years, the First Baptist Church, Aiken, for seven years, and have just completed my third year at the Sans Souci Baptist Church, Greenville. In the midst of this most happy pastorate I am still hoping that God in His own time and way will see fit some day to lead me back to my native state.

It is with deep regret that I am absent from your meeting today. A church to which I promised myself for a revival more than a year ago, and which did not feel that a postponement was wise, is the only reason for my absence. But in the words of Paul in Col. 2:5 I greet you, "For though I be absent in the flesh, yet am I with you in the spirit, joying and beholding your order, and the steadfastness of your faith in Christ." I am grateful to the Pee Dee Association and the Pleasant Grove Baptist Church for the great influence which you have exercised upon my life, and I pray God's richest blessings upon you.

Very sincerely and fraternally,

THOMAS DILL LIDE

12. Frank R. Moore, Ellerbe, brought the Associational Report, and upon his motion it was approved as follows:

THE ASSOCIATIONAL REPORT

The Co-operative Program

13.

In a spiritual democracy the ideal is that all work together for the common good of every phase of God's eternal program. The Baptist means of attaining that goal financially is the Co-operative Program. If every church would contribute wisely through this medium, soon there would be no need of our many special offerings. For the co-operative dollar touches with due emphasis nearly every phase of our work at home and abroad. Therewith we may encircle the globe in our effort to fulfill the "Great Commission."

14.

Missions

In our missionary enterprise we begin within the boundaries of our own state. Neither space nor time permits even the listing of all the various efforts and activities sustained or assisted by our state missionary program. Our able leader, M. A. Huggins, is anxious that our churches be urged to increase their support of this essential part of God's kingdom work. Reports show that the Baptists of this state are responding nobly but the needs are ever increasing.

Then, we push on into the fields which we label Home Missions. The Board's home office at Atlanta is the hub of a great circle of kingdom building. This agency was responsible for Southern Baptists' share in the spiritual guidance of our service men. Now, it is giving aid and counsel to the churches as they welcome back the returning veterans. The above is only a small item in the many functions of the Home Mission Board, for it challenges us all to greater effort as we seek to make Christ known in the nation.

Launching out in every direction we encircle the globe with the Gospel message, for it is "unto all the world" that we are sent. The war hampered some of the work, but new doors are now open, and we shall miss a golden opportunity if we neglect to push forward for Christ. Here may I quote from Dr. J. W. Marshall. He says, "Southern Baptists face the most titanic job ever placed before them. It is a judgment day for us. If we fail to offer the world the Only Hope, we shall be traitors to our age, our Christ, our country, and to our children."

15.

Christian Education

Christian Education begins within our homes. And in every part of our church organization we seek to enrich home training. Therefore, our Sunday Schools and our Training Unions are educational institutions. Concomitant with each other they try to teach and train our constituency into enlightened and efficient Christian workers. On a comparative basis with other associations, we stand pretty well. But there is much to be done.

Then in our denominational schools, for we usually think of them when we mention Christian education, the work is growing by leaps and bounds. All of our schools are full and overflowing with students. Each college is making a noble effort to care for all of its student body. But they cry to us for help, and we must not, we cannot let them down.

The greatest material and noticeable advancement of this year is the plan whereby Wake Forest College will be moved to Winston-Salem where it will have an opportunity to make a far greater contribution to the education of the state, south, and nation. This challenge to the Baptists of North Carolina must be met with a rousing response in money, time, and talent.

16.

Benevolence

Through three agencies we seek to minister to the needy in our midst. The Orphanage is making a worthy contribution to Christ's kingdom program. However we limit its efficiency, power, and effectiveness as we slacken or fail to increase our offerings for its support. No other part of our state work depends more on our special offerings. Our Hospital with its staff of select workers is ministering splendidly to the sick and infirm. Through this agency we are reminded of the words of our Maker who said, "greater works than these shall ye do."

Through the Minister's Retirement we render service to the aged minister. This is a wonderful work and in many states it is strengthened by the "Widow's Supplement" which takes care of the minister's widow. These avenues of benevolence are all worthy and merit our deep concern and wholehearted support.

17.

Biblical Recorder

We cannot forget the means by which all our work is tied together—our state Baptist paper. Many churches have found it so helpful that they now send it to every family through the church budget. Dr. Carpenter and his associates have greatly increased its value and usefulness.

18.

Conclusion

As we examine our past year's work we are proud of our accomplishments and as we look forward to future advancement, let us take heed to our Master's commands, girding ourselves for worthwhile and unselfish service.

19.

Recommendations

Now I would like to make the following recommendations to our association.

1. That we provide some means whereby we may enlist all our churches in a unified associational program of Sunday School and Training Union work.

2. That a committee be appointed whose duties shall be to co-operate with our State and Southwide Radio Committees in order that every facility for religious broadcasts may be utilized.

20. A brief message was brought at this time by J. D. Whisnant, Raeford on the work and great accomplishments of the American Bible Society.

21. The Activities of the Woman's Missionary Union of the Association was at this time presented by Mrs. W. M. Dempsey, Rockingham, who offered the following report as a matter of information:

REPORT OF ASSOCIATIONAL WOMAN'S MISSIONARY UNION

I count it a privilege to bring you this report. Our W. M. U. year ends in December so this report is based on a nine months' period.

Yes, we have won the war and are in our post war period. It

isn't as you had it pictured, is it? So far we are a long ways from winning the peace. You and I will not sit at that official peace table but we still have a part to perform. Not a small part either. First that peace must be won in each heart and how can we have that peace and good will without first having God and the love for our Saviour, Jesus?

As W. M. U. members we are "Laborers Together with God." We have 29 churches who are "Laborers Together" in W. M. U. work in the Pee Dee Association, 5 being in the Anson Association and 24 in the Pee Dee. Sixteen churches in the Anson and Pee Dee Associations do not have any W. M. U. work. I know of no better way to be world-minded than to study missions. One of our chief aims is to study the missionary message of the Bible and to study world missions including missionary education of our young people.

Two-thirds of the societies have held mission study courses so far this year and all have a devotional and definite missionary program each month. There are other plans for the individual mission study such as the Missionary Round Table and Missionary Reading Courses of which none have been reported. It is my hope that members will take more interest in these plans in the future.

We also stress individual prayer, family altars, and three special seasons of prayer; in March for Home Mission work, in September for our individual State Mission Program, in December for Foreign Mission work. We urge all other organizations of the church to aid us in these special seasons of prayer by not holding meetings on these dates and by your attendance.

We stress tithes and offerings. Each society is urged to enlist more tithers. Our goal is a 10% increase in tithers and 10% increase in gifts to cooperative program, thus setting a goal of \$6,848.41 for 1946. The amount given thus far is well over \$5,000 with the goal well in sight and I feel sure by the end of this year, we will have passed it. So for this year we have given to other mission causes almost \$3,000 not including our Relief and Rehabilitation gifts which will be about \$2,700 when all reports get in. I feel we as W. M. U. members have done well this year in our gifts. As we tithe and bring our offerings we will be growing spiritually causing others to do likewise and enjoying the privileges of spreading the gospel around the world to the spiritually hungry as well as provide physical needs for many.

Another point we emphasize in W. M. U. is community missions with the main purpose winning the lost to Christ in the community also to minister in the community wherever there is a need. All of our societies do some community mission work, but so many do not have a planned program of work. We must begin first in our own community.

We now want to think more definitely of our young people. There are 11 churches with no missionary organizations for their young

people. We have only 4 full graded organizations in the Association. The others have some organizations. Do you think the Sunday school and perhaps the Training Union are enough for our youth? Sunday school and Training Union meet on Sunday. The young people then have very few connections with their church during the week. They not only need weekday meetings but need the missionary education that W. M. U. young people organizations have to offer. Usually in talking with societies about organizing the young people's work the response "we don't have leaders" is always given. It takes a person who loves God and loves children.

It seems that R. A.'s are the neglected group and I feel we need to put more emphasis on that group. We need more men who are missionary minded. If we had more mission-minded men we would not have such difficulty in trying to get leaders.

Jesus said, "Do men gather grapes of thorns?" If we want a younger generation that fears and loves God and are willing workers for Him, the example must be set by the older generation.

We are very grateful to God for every bit of our progress and give Him all glory knowing it could not have been done without His Divine Grace and Help. May we each covet that in the coming year we can say like Paul "I can do all things through Christ which strengtheneth me."

Let us not glory in yesterday's victories but strive for a victory today.

May I leave with you our W. M. U. watchword for this year. "Look unto me and be ye saved, all the ends of the earth; for I am God and there is none else." Isaiah 45:22.

22. Edwin F. Perry, Rockingham, as Chairman of the Committee on Committees made the following report and upon his motion it was approved:

Committee to Nominate Executive Committee: James B. Turner, Chairman; J. Marvin Smith; C. O. Funderburk.

Committee on Place and Preacher: Donald G. Myers, Chairman; Mrs. J. M. Cook; R. D. Riggins.

Committee to Audit Treasurer's Books: Frank R. Moore, Chairman; W. H. Boggan.

Committee on Order of Business for 1947: James B. Willis, Chairman; Roy Arnette; J. D. Whisnant.

1946-47 Hospital Representative: Joe Smith, Hamlet.

1946-47 Orphanage Representative: Cade Deaver, East Laurinburg.

23. The special order at this time was a discussion of the Wake Forest College Enlargement Campaign. The following speakers responded in support of the special Campaign now being sponsored by the College in the Association: R. R. Jackson, Wake Forest; Donald G. Myers, Wadesboro; B. M. Covington, Wadesboro; Edwin F. Perry, Rockingham; Charles B. Deane, Rockingham; O. W. McManus, Gibson; J. M. Cook, Lilesville; and J. B. Willis, Hamlet. It being pointed out

that in the acceptance of the gift from the Zachary Smith Reynolds Foundation, Inc., by the North Carolina Baptist State Convention in special session in Greensboro, on July 30, 1946, which would involve the moving of Wake Forest College, from Wake Forest to Winston-Salem, North Carolina Baptists and friends of the college would need to raise \$6,000,000.00*

Song: "Come Thou Fount."

24. The hour having arrived for the Annual Sermon, the Moderator recognized James B. Turner, Laurinburg, who preached this sermon, using as his topic: "The Christian Is Unique."

25. Prior to the adjournment of the morning session, greetings were received from Wingate Junior College through faculty representative Fred W. Sandusky, Wingate.

26. Prayer was offered by J. C. Meigs, Polkton, and the session adjourned.

Afternoon Session

27. At 1:30 the Association reconvened following a bountiful dinner served by the host church and Frank R. Moore, song leader, led in the singing of "I Love Thy Kingdom, Lord."

28. T. S. Lawrence, Cliffside, was the visiting representative who spoke at this time to the report on the Baptist Hospital.

29. The report of the Committee on Place and Preacher was made by Donald G. Myers, Chairman, and upon his motion it was agreed that the designated preacher of the Annual Sermon at the 1947 Association would be Edwin F. Perry, Rockingham, with R. D. Riggins, Rockingham, alternate. During the afternoon session, R. D. Riggins, in behalf of the Cordova Baptist Church extended an invitation, which the Association accepted, that the next session of the Association be held with the Cordova Church.

30. Notice having been given at the morning session, the Constitution of the Convention was at this time amended as follows upon the Motion of Donald G. Myers: That all of Article 8 of the Constitution be eliminated and that Article 8 now read: "The Association shall elect an Executive Committee consisting of six ministers and six laymen or laywomen. The Committee will operate on a rotation plan, with four members serving three years, four members serving two years and four members serving one year. After the first year the Association will elect two ministers and two laywomen to serve terms of three years. No member shall succeed himself until one year has elapsed. The Moderator and Clerk shall be ex-officio members of the Committee.

31. The Committee to Audit the Treasurer's Books was received and Frank R. Moore, Ellerbe, Chairman, reported that all receipts and dis-

* Soon after the Association meeting, Wake Forest men in the Association, including many pastors and friends of the College launched an active Campaign for funds and went on record to raise in the Pee Dee Association \$300,000.00. At this meeting an announcement was made that Charles H. Teague, Hamlet, and T. Ashley Haywood, Rockingham, had each given \$50,000.00 to this campaign.

bursements were in order and upon his motion the report as shown in paragraph ten was approved. The Committee recognized the efficient work of Clerk Charles B. Deane, who at the end of this session will have served the Association twenty years.

32. C. O. Funderburk, Rockingham, brought the nominations from his Committee to compose the Association Executive Committee:*

Term Expiring 1947: J. M. Cook, Lilesville; John B. White, Rockingham; Roy Arnette, Rockingham; J. J. Gray, Hamlet.

Term Expiring 1948: H. P. Taylor, Wadesboro; Edwin F. Perry, Rockingham; J. D. Whisnant, Raeford; R. D. Riggins, Rockingham.

Term Expiring 1949: Donald G. Myers, Wadesboro; W. L. Godsey, Laurinburg; John Pittman, Rockingham; Frank R. Moore, Ellerbe.

33. Attention was directed by the Clerk to the fact that New Hope Baptist Church had not submitted a church letter. It was pointed out that several attempts had been made to communicate with the church leaders without success. Therefore it was agreed upon motion by Charles B. Deane that the Executive Committee would determine if the church still existed and report its findings and recommendations to the 1947 meeting of the Association.

34. Upon motion by J. C. Meigs, Polkton, Fred Allen, Wadesboro, was re-elected a Trustee of Wingate Junior College.

35. Ike G. Greer, Thomasville, Superintendent of the Mills Home at Thomasville, and the Kennedy Home at Kinston, appearing on the program of the Association for the first time, brought an inspiring message on the "Rights of the Child."

36. With B. M. Covington, Wadesboro, Vice-Moderator presiding, the election of officers took place at this time.

James B. Willis, Hamlet, was re-elected Moderator upon the motion of Cade Deaver, East Laurinburg. The Moderator was recognized, who took the chair, and called for the election of the other officers.

B. M. Covington, Wadesboro, was re-elected Vice-Moderator upon motion by Charles B. Deane.

Charles B. Deane, Rockingham, who was recognized as the newly elected United States Congressman from this District, was nominated and re-elected Clerk and Treasurer upon motion by Frank R. Moore, Ellerbe.

Upon the motion of Cade Deaver, East Laurinburg, W. H. Covington, Rockingham, was re-elected Historian.

37. Clerk Deane brought greetings from Historian W. H. Covington, detained at his home ill, and reminded the Association that the Historian as a boy of 15 years old, attended a session of the Association meeting here in Pleasant Grove Church in the year 1888, and that in doing so he walked from his home North of Rockingham a distance of ten to twelve miles. Such loyalty and faithfulness brought a response from the Association and upon the motion of C. O. Funderburk, Rockingham, the Clerk was asked to convey greetings to Brother Covington.

* After final adjournment Donald G. Myers was elected Chairman and John Pittman, was elected Secretary of the newly created Executive Committee.

38. At the request of the Moderator, Charles B. Deane, brought the digest of Church letters appearing on page 25.

39. The work of the Allied Church League, was presented in an address by R. M. Hauss, Shelby.

40. By a rising vote, the Association approved a motion by Edwin F. Perry, Rockingham, expressing to the pastor and membership of the host church a most cordial vote of thanks for the opportunity of holding this session with Pleasant Grove and for the excellent dinner served to the messengers.

41. Charles B. Deane, Clerk, reported that a total of 245 messengers and visitors had been in attendance for the sessions.

42. Speaking upon the topic, "Taking the Name Christian," E. L. Spivey, Charlotte, General Missionary for the North Carolina Baptist State Convention brought an inspiring and the closing message.

43. Upon the motion of C. O. Funderburk, Rockingham, and following a prayer by A. R. Brothers, Rockingham, the One Hundred Thirty-first Annual Session of the Association adjourned.

RECORD OF PROCEEDINGS

OF THE

ONE HUNDRED THIRTY-SECOND ANNUAL SESSION

OF THE

PEE DEE BAPTIST ASSOCIATION

HELD WITH

CORDOVA BAPTIST CHURCH

CORDOVA, N. C.

Tuesday Morning Session

October 21, 1947

1. The One Hundred Thirty-Second Annual Session of the Pee Dee Baptist Association convened with the Cordova Baptist Church at ten o'clock in the morning on October 21, 1947.

2. The Moderator James B. Willis, Hamlet, called the Association to the transaction of business and recognized Frank R. Moore, Ellerbe, to lead the devotional service. This service included the singing of "Faith of Our Fathers" and the reading of the Thirteenth Chapter of Paul's First Letter to the Corinthians. Thereafter the Wingate College Trio composed of Misses Margie Wike, Barbara Phillips and Jane Russell, accompanied at the piano by Miss Betty Ann Horton, also of Wingate Junior College, sang "Take Time To Be Holy."

3. The Host Pastor, R. D. Riggins, brought words of welcome. The response from the Association came from Charles B. Deane, Rockingham.

4. A roll call of the churches by the Clerk, Charles B. Deane, Rockingham, determined that 31 of the 33 churches of the Association were represented by messengers, the churches without representation being Hoffman and Morven. The total registration of messengers totaled 233 with 8 visitors. The Moderator ruled that the messengers now enrolled and those that may hereafter register compose the Association for the transaction of business.

5. At this hour and at other times during the morning and afternoon sessions the following visitors and guests were recognized by the Moderator: Claude F. Gaddy, Executive Secretary, Council on Christian Education, Raleigh; Sankey L. Blanton, Dean, School of Bible, Wake Forest College, Wake Forest; L. P. Beck, Field Secretary, Wingate

Junior College, Wingate; J. D. Fraley, Treasurer, N. C. Baptist Orphanage, Inc., Thomasville; Lloyd Gilbert, Assistant Administrator, Baptist Hospital, Winston-Salem, R. M. Hauss, Allied Church League, Shelby.

6. During the enrollment of messengers representatives from Cordova and from Cartledge Creek, Ellerbe and Saron and from Wadesboro expressed sincere regrets in the losing of their respective pastors, namely R. D. Riggins, resigned; and Frank R. Moore, who has been called to the Baptist Church of McColl, South Carolina; and Donald G. Myers, who has accepted a call to the Reidsville North Carolina Baptist Church. These pastors indicated that they would not forget the happy fellowship they had experienced in the Pee Dee Baptist Association.

7. On behalf of the Association the Moderator expressed the best of wishes to these ministers as they enter new fields of activity and at the same time recognized and cordially welcomed the following new pastors who come to the Association for the first time: Ernest W. Moore, Cobb Memorial; Louis W. Williams, Deep Creek; C. C. Hancock, East Hamlet.

In addition to these new ministers, E. N. Johnson for many years active in the ministry and now a member of the Spring Hill Church and a resident of Wagram was also recognized.

8. Frank R. Moore, Ellerbe, was named by the Moderator as Chairman of Committee on Committees, and to serve with him were J. Marvin Smith, Rockingham, and J. C. Meigs, Polkton.

9. As the Chairman of the Committee on Order of Business, James B. Willis presented and upon his motion the following order of business was adopted:

THE ASSOCIATIONAL REPORT

Through the Foreign Mission Board of Southern Baptist Convention, Southern Baptists have actively sponsored the development of groups of baptized believers in 18 countries of the world, the majority of whom now have their own National Baptist Conventions with a Home Mission Board and a Foreign Mission Board. These groups include Chinese Baptist Conventions, the Nigerian Baptist Convention, the Italian Baptist Convention, Latin American Baptist Conventions, the Japanese Baptist Convention, and others, all cooperating in the Baptist World Alliance.

Baptists are missionary and they instinctively respect the Great Commission. Through our cooperative Program we *go* abroad in the world, making disciples among the peoples of the 19 nations of the 63 nations of the world. Baptizing them. Teaching them to *observe* the things Christ Commanded. For every \$28.00 we spend on our selves, we spend \$1.00 for Foreign Missions.

There are five million baptized believers who are members of 25,000 Baptist Churches in 18 states. 500 missionaries are employed by the Foreign Mission Board of these churches, at a standard salary of \$800.00 annually.

Of all the money that Southern Baptists give for Foreign Missions this year, 94½% is designated for overseas. When you give through your

church, you actually "go into all the world and preach the gospel," for you support a christian witness to millions of men and women and children who are without God.

Home Missions

Our Home Mission Board whose offices are at Atlanta, Ga. has continued with untiring efforts to serve all classes, races and peoples residing within the bounds of our convention territory. Schools, Hospitals, Mission Centers have benefited from the faithful services rendered by this Board. It is most commendable that the returning veterans have not been forgotten or overlooked by our Southern Baptist Churches.

Without our State Mission Board, splendidly organized and efficiently manned by consecrated men and women our witness in the many needy places where we are permitted to serve would be woefully neglected. A commendable work has been done by them and will continue to be done. Christian Education, Benevolences, (Orphanages, Hospitals, and the care for aged ministers and their widows) and the Baptist Student Union, have all held important places in our activities and this brief mention of them in no wise indicates that we do not recognize their worth; but that we look more to our Biblical Recorder and other Publications for detailed discussions on their merits and needs, which in this report is impractical both from the standpoint of time to hear the reading of a written report and the space to incorporate a lengthy report in the minutes.

We recommend that all our churches enter whole heartedly into the proposed programs for enlarging our Hospital at Winston-Salem and the efforts now well under way for the raising of funds to meet the proposal of the Reynolds Foundation in the matter of moving Wake Forest College to Winston-Salem. Also that we encourage tithing as a minimum not only for 3 months, but for all time.

Conclusion

A sick world lies at our feet. We know the great Physician. No situation ever baffles Him. May we resolve to bring to the Physician's presence, every patient that the "Balm of Gilead" may be applied to every sin sick soul.

12. Before submitting a summary of the Church Letters for the year ending September 30, 1947, appearing on page 24, Clerk Charles B. Deane called the attention of the Association to the fact that three of the churches in the Association; namely, Cobb Memorial, Deep Creek and Lilesville had become full time pastorates for the first time.

The Digest of the Church Letters following indicates the per capita gifts by churches and that the total gifts for 1947 represents the largest in the history of the Association, but that the total gifts for Missions in 1947 is approximately \$4,000 less than in 1946. The Clerk urged that the ministers and representatives from each of the churches study the reports as contained in the Minutes to the end that during the coming

year greater emphasis be placed upon the needs of the mission program as represented by the denominational gifts.

13. An excellent report on the work of the Associational Woman's Missionary Union was presented by Mrs. W. M. Dempsey, Superintendent, Rockingham:

REPORT OF THE ASSOCIATIONAL WOMAN'S MISSIONARY UNION

The W. M. U. of the Pee Dee Association again has seen fit to elect me as their Superintendent; thereby giving me the privilege of serving them another year.

May I remind you of the W. M. U. year ending December 31st, and I would like to report that on December of 1946 the associational W. M. U. exceeded their financial goal over \$600.00. Our financial goal is a 10% increase in gifts to co-operative program over the amount given the previous year. So far this year the women and young people of the W. M. U. have given approximately \$7,000.00 with a goal set of \$8,207.88 for the year. Our goal of gifts to co-operative program is well in sight. Then too, we have 4 special offerings during the year besides stressing gifts to the hospital and the orphanage. Some societies continue making offerings for world relief. Last year total gifts made by W. M. U. members according to records totaled over \$16,000.00. Our aim is to put emphasis always on the co-operative program. It seems necessary to also stress our special offerings. If it were not for the gifts by W. M. U. members our mission work would go lacking. About 30% of total gifts of Southern Baptists to support our foreign mission work came through the Lottie Moon offering of the W. M. U. May I quote Phillip J. McLean, "If all Southern Baptists were as interested as our W. M. U. members, our Foreign Mission Board would have had almost four times as much as they had last year." Some of you good men may be thinking that we women could not have given this much if it were not for the consent of the men. Yes, this may be true. I think I will be safe in saying, the women are still responsible for these gifts. May we continue to be "Laborers together with God."

With our entire convention we are striving to enlist more tithers. Our goal being a 10% increase over the number we had last year 328. So far this year we have enlisted 25 new tithers. With this special effort to enlist tithers we plan to enlist many more before the year is out.

This year we have had added interest in missionary reading. Much enthusiasm has also been shown in mission study classes of soul-winning books. In studying missions we strive to carry out our course of study in the winning of the lost to Christ in our community which comes under our program of community missions.

Your W. M. U. began this year with a Leadership Conference in January at Ellerbe. This being a great success. Our plan of work for

the year was studied and discussed. Much information and inspiration was gained by those in attendance.

In May our annual W. M. U. Meeting was held at Laurinburg with 141 in attendance. A very interesting program was given by those taking part. All officers were present and gave their reports well.

Those present were deeply stirred by the message brought by Mrs. Edwin Dozier of Japan, now living in Charlotte. She told of the physical and spiritual needs of the Japanese people. An offering was taken, which was sent to Mrs. Dozier, to be used for the Japanese as she saw fit. The offering amounted to \$51.17. Mrs. Dozier later wrote she used half of the money for food and the rest for warm winter clothes. Some societies later packed boxes and sent to Japan.

It gives me great joy to report that we now have 30 societies in our association. This means we have two new societies, one at Midway and one at Red Hill in Anson County. We lost one society during the year.

In the late summer Mrs. John Wacaster was in our association for a week doing field work. During the week she helped in the organization of these two societies. I had tried to contact each church that did not have a W. M. U. organization. But from some churches I received no answer. May I urge each Pastor to help the women in their church or churches to organize a W. M. U. by giving them some encouragement. All churches not organized will be contacted again during 1948 in an effort to perfect an organization. Again may I urge each pastor to help as much as possible? We still have 8 churches in our association unorganized.

This year again I plead for our young people's work with perhaps the R. A.'s in the greatest need. The need is for leaders, leaders who have a sense of responsibility for the youth. What about your stewardship? Are you willing to be questioned concerning your stewardship of opportunity and time? Have you been asked recently to lead a group of young people perhaps a Sunbeam, G. A., R. A., or Y. W. A? Did you say you did not have the time? God does not expect the impossible but he does expect each to carry their share of the work. If you have failed as a steward of opportunity and time, no one else will do your work for you. Now is the time to offer to help in the Lord's work and you are the one to do the Lord's work.

We read our newspapers and see what a chaotic condition our world is in, and we realize that time is precious; so don't delay in the teachings of your youth. Teach them to be missionary-minded. Help them to talk missions, study missions and be missionaries in their everyday lives. What you do about your youth today will show in results of tomorrow.

Think of the youth today who are placed in institutions for crimes committed. Some of the boys and even girls who commit crimes are so young that the State is even in doubt as to the exact manner of handling their cases.

Look at all the adults in prisons and in jails. None of us would dare to think, maybe we are responsible. But somebody failed along the line; maybe a parent; maybe a neighbor; or maybe just a Christian failed to use his or her influence for Christ.

Have you been asked recently to lead a group of Sunbeams, G. A.'s, B. A.'s or Y. W. A. So many of our missionaries tell us that as a Sunbeam they first felt the call to be a missionary.

Won't you reconsider that opportunity offered you?

Remember the saying "As ye sow, so shall ye reap." Let us say it this way, "Ye shall not reap where ye sow not."

Our watchword this year is "Go ye and make disciples of all nations." We as individuals are to make disciples of those about us.

May we praise God for all that we have accomplished and then go on down into the valley to serve him more and better.

14. A report and discussion on the work of the American Bible Society was lead by James B. Turner, Laurinburg. Special emphasis was placed upon this report. A summary of the scope of the work carried on by the American Bible Society, which has been approved and is being promoted by the State and South-wide Conventions, follows:

REPORT ON AMERICAN BIBLE SOCIETY

The American Bible Society has its general headquarters in New York City, Park Avenue and 57th Street. The organization is world wide in its scope and influence. Agencies are located in Havana, Mexico City, Cristobal, Lima, Santiago, Buenos Aires, Istanbul, Cairo, Manila, Bangkok, Tokyo, Shanghai. Many of these points are distributing centers only, which means that the offices depend on churches and individuals in our more favored land to send in Bibles and funds with which to purchase the Word. The close of the war opened doors in Europe and Asia where entire nations were cut off from the Bible. Now the desire to read and know God's word is reasserting itself. Japanese Christian leaders have requested 2,500,000 Japanese New Testaments. Since Japan has only about 500,000 Christians, this indicates a widespread interest and an outstanding missionary opportunity. For Germany an even greater number of Testaments and Bibles are needed. We must take these opportunities while they are here.

The Bible, or some part of it, is published in 1,068 languages spoken by nine-tenths of the human race. Lack of funds is the barrier to dispersing the Holy Scriptures into the needy places, where translation is in our favor Churches and individuals are urged to send contributions to Secretary Huggins, Biblical Recorder Building, Raleigh. Our State Convention in Asheville last year generously approved of the Society, and Secretary Huggins requests that we place it in the budgets of the churches.

15. Under miscellaneous business, Moderator James B. Willis recog-

nized L. P. Beck, Field Secretary, Wingate Junior College, who brought a report from the college pointing out that the college was entering its 51st year with an enrollment of 347 students, the largest in its history.

James B. Turner, who recently led the students in a revival meeting, supplemented this report.

16. The Associational Treasurer presented the following report which was referred to the Committee to Audit the Books of the Treasurer.

TREASURER'S REPORT

Rockingham, N. C.

October 21st, 1947

CHARLES B. DEANE, *Treasurer*

IN ACCOUNT WITH

THE PEE DEE BAPTIST ASSOCIATION

By Amount paid C. B. Deane, Clerk.....		\$ 50.00
By Amount paid Seeman Printery Inc., Printing Minutes.....		291.05
By Amount paid Gore Company, paper, twine etc., for mailing.....		5.85

	<u>\$362.15</u>	<u>\$362.15</u>

Respectfully submitted,

CHARLES B. DEANE, *Treasurer*.

17. At the suggestion of James B. Turner, Laurinburg, the Association recognized that the amount of the Minute Fund as now requested from various churches would not be sufficient to defray the expenses for the 1947 Associational year and it was agreed upon his suggestion that a special offering be taken, which was received at this time in the amount of \$76.26.

Commenting further on the fact that the amount of funds being contributed by the various churches was insufficient to take care of the increased cost of printing, Donald G. Myers, Wadesboro, expressed the belief that it would be wise to increase the amount of the Minute Fund for each church. The Association was favorable to this suggestion and upon motion by J. Marvin Smith, Rockingham, the Clerk was requested to ask the various churches to increase the Minute Fund for the next associational year by fifteen percent.

18. Charles B. Deane, Rockingham, called special attention to the need for the compilation of a complete history of the Pee Dee Association and his motion prevailed to the end that W. H. Covington, Rockingham, Historian of the Association, was asked to compile a history of

the Association during the ensuing associational year and that the Moderator be included on a Committee of three other Members of the Association to be named by him, who would cooperate with and assist the Historian in making possible the compilation of this historical manuscript to be printed in the Associational Minutes for 1948.

The additional Members of the Committee as named by the Moderator: Edwin F. Perry, Rockingham; J. C. Meigs, Polkton; and, Charles B. Deane, Rockingham.

It was agreed that such funds as may be available from the Associational Treasury be transferred to the use of the Historian to compensate for travel and other expenses incurred, and if additional funds are needed, the above Committee make the proper requests of the various churches to assist in making possible the bringing together of the rich historical data of the Pee Dee Baptist Association.

19. Chairman Frank R. Moore, Ellerbe, reported in behalf of the Committee on Committees, who recommended the following appointments and upon his motion the report was adopted:

Committee to Nominate Executive Committee: Donald G. Myers, Chairman; C. M. Covington; H. T. Tadlock.

Committee on Place and Preacher: Ernest Moore, Chairman; S. C. Cooper; J. B. Turner.

Committee to Audit Treasurer's Books: C. C. Hancock, Chairman; Lewis Williams.

Committee on Order of Business for 1948: Edwin F. Perry, Chairman; J. M. Cook, James B. Willis.

Song: "Leaning on the Everlasting Arm."

20. During the roll call of the churches the clerk reminded the messengers present of the illness of Edwin F. Perry, Rockingham, who was to bring the Annual Sermon. At this time the Moderator recognized the Alternate Minister, R. D. Riggins, Rockingham, who, prior to the bringing of the Associational Sermon on the subject "Our Three-Fold Commission" using as the basis of his message Verses 1-16 from the 16th Chapter of Mark, called upon Ernest W. Moore, East Rockingham, to offer prayer.

21. At the close of the sermon the minister offered the closing prayer and the session adjourned.

Afternoon Session

22. With the singing of "How Firm a Foundation" the afternoon session convened at 1:30, with J. Marvin Smith, Rockingham, leading

the devotional service. The service included the reading of the scripture and prayer and the singing of "Holy Spirit, Breathe On Me" by the Wingate Junior College Trio.

23. The opening message of the afternoon on the work and program of The Allied Church League was brought by R. M. Hauss, Assistant Director, Shelby.

24. A discussion of the Associational Report began with Lloyd Gilbert, Assistant Administrator, Baptist Hospital, Winston-Salem, discussing the far-reaching plans in the ministry of the Baptist Hospital.

25. Earle L. Bradley, Field Secretary, North Carolina Baptist State Convention, brought the message on the Cooperative Program and the general work of the North Carolina Baptist State Convention.

26. A special musical selection was rendered by Miss Mary Van Eman, Minister of Music at the Rockingham Baptist Church, the selection being "The Lord's Prayer." She was accompanied at the piano by Mrs. J. H. Bone, Laurinburg.

27. Dean Sankey L. Blanton of the School of Religion, Wake Forest College, brought the inspirational message of the afternoon.

28. He was followed by Claude F. Gaddy, Raleigh, Executive Secretary of the Council on Christian Education.

29. A discussion of the work of the Orphanage was presented by J. D. Fraley, Treasurer, Thomasville, who during the year preceding succeeded the late R. D. Covington.

30. The discussion of the Associational Report having been completed, the report as read by J. Max Cook at the morning session was adopted.

31. Moderator James B. Willis now announced that the time had arrived for the election of the officers and expressed the belief that he, having served several years as Moderator, would be glad if the Association desired to elect a new Moderator and thereafter requested Vice-Moderator B. M. Covington, Wadesboro, to assume the chair.

Vice-Moderator Covington requested nominations for Moderator and in the absence of any other nominations, James B. Willis, Hamlet, was re-elected upon the motion of J. Marvin Smith, Rockingham.

The Vice-Moderator handed the gavel to the elected Moderator, who called for the election of a Vice-Moderator. B. M. Covington, Wadesboro, being the sole nominee, was re-elected Vice-Moderator upon the motion of C. M. Brady, Ellerbe.

Likewise, Charles B. Deane, Rockingham, was re-elected Clerk and Treasurer upon motion of Ernest W. Moore, East Rockingham.

W. H. Covington, Rockingham, was re-elected Historian upon motion of Charles B. Deane, Rockingham.

32. In keeping with the rotation system, James B. Turner, Laurinburg, was elected to succeed Edwin F. Perry, Rockingham, as Trustee of Wingate Junior College upon the motion of Frank R. Moore, Ellerbe.

33. A report was received from Donald G. Myers, Wadesboro, Chairman of the Committee to Nominate an Executive Committee, and this Committee recommended that George W. Allen, Lilesville; James B. Turner, Laurinburg; and Mrs. W. M. Dempsey, Rockingham, be elected for the term expiring 1950 and that Ernest W. Moore, East Rockingham, and Joe H. Haywood, Ellerbe, be named to fill the unexpired term expiring 1949 of Donald G. Myers, Wadesboro, and Frank R. Moore, Ellerbe, respectively.

Upon recommendation by the Moderator, Edwin F. Perry of Rockingham was requested to serve as Acting Chairman of the Executive Committee until the full Committee could meet and elect a permanent Chairman.

34. Upon the recommendation of the Committee on Place and Preacher and the motion of Ernest W. Moore, Chairman, East Rockingham, the invitation of the Ellerbe Baptist Church to hold the 1948 Baptist Association was accepted and J. D. Whisnant, Raeford, Pastor of the Spring Hill Church was asked to preach the Associational Sermon with J. C. Meigs, Polkton, acting as Alternate.

35. C. C. Hancock, Chairman, reported for the Committee to audit the Treasurer's books and his motion to approve the receipts and expenditures of the Associational Treasurer was adopted.

36. Frank R. Moore, Ellerbe, who has acted as Associational Director in the effort by the State Convention to raise \$1,500,000, for building the new Wake Forest College, gave a very encouraging report on the support from the churches. In answer to questions, the Director suggested that each church adopt a goal and that each church make a very substantial contribution to this worthy program for the re-location and the building of the new Wake Forest at Winston-Salem.

In view of the acceptance of a new pastorate outside of the Association, Brother Moore pointed out that a new Director would be named and bespoke for the new person the wholehearted support of all the ministers in the churches in reaching the desired goals.

37. Moderator Willis recognized the Vice-Moderator, B. M. Covington, who expressed general feelings of appreciation on the part of the messengers for the splendid program planned and carried out during this, the One Hundred Thirty-Second Annual Session of the Association, together with words of sincere praise for each one taking part on the program and especially to the host church for its splendid hospitality.

38. Upon motion by Cade Deaver, East Laurinburg, the Association rose and J. D. Whisnant, Raeford, offered prayer and the Association adjourned.

JAMES B. WILLIS, *Moderator*,
CHARLES B. DEANE, *Clerk*.

12. Ernest W. Moore, Pastor, Cobb Memorial Baptist Church, East Rockingham, was recognized and brought the Associational Report which follows:

THE ASSOCIATIONAL REPORT FOR 1948

Foreign Missions

The Foreign Mission Board of Southern Baptist Convention is still on the march. Believing in the great commission of our Lord to "Go Into All the World and Preach the Gospel," this Board is striving to practice it in its totality. The work now going on under the supervision of The Foreign Mission Board is an immense undertaking, which is becoming more so from year to year, as it should; and will be even more so, as we who are a part of this great body of Missionary Baptist, get the vision that we should of the need of a world-wide crusade for the Christ of Calvary, keeping in mind to do this we must, in all the ways we can, minister to the soul and body of our brothers around the world.

Southern Baptist are proud of the work being done to help our brothers in far off lands to know Christ. But there is a vast difference in being proud and that of doing our best. Now is the time for all of us as Southern Baptist to prove to the world that we are not just missionary in name only. While practically all the churches in our Convention are making some advances, is it not time that all our churches through our great Cooperative Plan or Program, help to make the advance of a great world-wide mission program possible? Thereby, making it possible to alleviate much of the suffering of those less fortunate than we, both in soul and body.

Our Foreign Mission Board has undertaken an advanced program, which will give us 292 instead of the present 119 stations in foreign countries. That will give us 1,740 missionaries instead of 669, for which we will need to spend \$10,000,000.00. All this will require less than 10 cents out of every dollar given through the local churches. Is this too much to give for Christ and His cause, when he gave His all?

Home Missions

Without our splendid Home Mission Board, which has its home in Atlanta, Ga., we would not be able to reach all the classes, races and peoples residing in the environs of our convention territory. We would have to do a lot of research work and much study, to evaluate the work being done through Hospitals, Schools, Mission Centers and other projects, heading up under our Home Mission Board. All of these are worthy of our untiring support as Baptists.

We are thankful for the progress that has been made in raising the money to move Wake Forest College to Winston-Salem. Most of our

churches in North Carolina have been very responsive, but we must realize that there is a great task yet ahead of us. Surely the Baptist of North Carolina would not and will not expect others to do the job that is ours.

Surely we are proud of the work being done in North Carolina for State Missions, under the leadership of Mr. M. A. Huggins, with our Seaside Assembly, our Fruitland Assembly, our preachers' schools, our Book Stores; the mission stations that are being established, which will one day grow into a Baptist Church; the church sites that are being paid for by this board, not forgetting the many pastors whose salaries are being supplemented by the same Board. These are just a few of the many things that are being done by and through State Missions.

We should like to urge every church in our association to enter whole-heartedly and cooperate through the Cooperative Plan in helping to make every undertaking possible.

We would also urge more of God's children to adopt God's plan of financing the Kingdom Cause, by tithes and offerings. Since this is the only plan that we find in the Bible, let's not say a million tithers, but every Baptist a TITHER.

13. By agreement the Moderator recognized W. C. Reid, Kinston, Superintendent of the Kennedy Home, who spoke to the Report in behalf of the North Carolina Baptist Orphanage.

14. Treasurer Charles B. Deane presented his report indicated below which was referred to the Committee to Audit the Books of the Treasurer:

20. Mrs. W. M. Dempsey, Rockingham, Superintendent of the Woman's Missionary Union read the following report covering the activities of the WMU with special emphasis on the 60th Anniversary of the outstanding accomplishments of Woman's Missionary Union.

REPORT OF THE ASSOCIATIONAL WOMAN'S MISSIONARY UNION

Woman's Missionary Unions all over the Southland have been challenged this year to go forward as never before.

This year 1948 is an anniversary year, our 60th birthday. This is our commemoration year which is now drawing to a close.

Since the days of Dorcas we have read of circles of Christian women using their needles in Christian service and to help with the cause of missions.

As far back as 1800 we have records of a group of Baptist women meeting and also children's societies being formed in Boston under the

capable and influential leadership of Miss Mary Webb, a helpless cripple. She in her little hand carriage pushed by her own hands, went out into the city of Boston and did Community mission work. Under the influence of Miss Webb 120 societies sprung up in different parts of the country.

We find at the First Baptist Convention in America that Southern Baptist women had a part—not by their presence.

Luther Rice in his report to the Triennial Convention at Philadelphia in May 1814 of his tour of the South in the interest of missions reported received \$44.00 from a Female missionary Society in South Carolina.

These societies rapidly increased; we have records of societies being organized in North Carolina by 1805.

The withdrawal of Southern Baptists from the Triennial Convention and the formation of the Southern Baptist Convention in May 1845 was followed by a period of progress and great hope.

Then followed a period of darkness: first war between the states then reconstruction days.

After the war still during the dark period the mission-hearted women began meeting again and work was begun once more. They gave of their poverty.

In May 1868 a woman's meeting at the Southern Baptist Convention was an unheard-of thing. But at the request of Mrs. Ann Graves, mother of a foreign missionary, the ladies met in the basement of the church where the convention was meeting in Baltimore. Mrs. Graves appealed to the ladies to go home and organize societies to raise money to employ native Bible women in China.

In 1884 again the Convention met in Baltimore and this was counted the first regular meeting of Southern Baptist women. By this time some of the states had secretaries directing the work of missionary societies. These were asked to bring or send reports to this meeting.

In 1888 Southern Baptist women united and organized for mission work in Richmond. At the same time the men were in session in the convention and were debating the advisability of allowing the women to organize.

Instead of being an evil in the life of Baptist the Woman's Missionary Union has helped to strengthen churches and has proven a mighty force for the unity of church, state and convention.

We, the Woman's Missionary Union, are of no small organization. We are a part of something big and should be proud of our heritage. We are all united for the one purpose—missions; foreign, home and community.

This year our W. M. U. set high goals. A ten per cent increase in gifts through the co-operative program. The goal for our association

is \$9774.97 so far this is a little over \$7000.00 has been given.

Also a high goal was set for our Annie Armstrong offering for Home Missions. This special work cares for 41% of our Home Mission field work. The association gave \$1323.52 not quite reaching the high goal set.

A goal has been set for an increase of 18% to the Lottie Moon Christmas offering. It is hoped this will be reached.

As has been the custom the W. M. U. began the year in the association with a Leadership conference. This year our conference was held in Rockingham and was well attended.

A little later in the year we held a mission study institute at Lilesville, a plan to help teachers to teach a mission study class in their local societies.

In April our W. M. U. met at Morven in annual session. Our inspiring speakers challenged us on to greater heights.

Again due to the Polio epidemic we were unable to have summer gatherings for our young people as scheduled but did have a rally at Hamlet in the early fall for all the junior organizations combined which was very successful.

Then we held 3 associational mission study classes, one in each county.

We still have 29 societies in our association. We joy in the one new society this year at Cobb Memorial Church. We have reports of 2 other societies being organized.

We also have had good reports of many new young people's organizations.

Yes, we have come a long way and accomplished great things during these 60 years but don't look back and pat yourself on the back. May we press forward on and on as "Laborers Together with God."

Look about your church and ask yourself—"What have I done to help my church to go forward?" You need not look very far and you will find a service you can render.

Every church needs leaders, every church needs more mission-minded persons. We will not be finding many mission minded persons unless those of us are willing to serve the Lord Christ that others may know.

Are you taking God's name in vain? Are you claiming the name Christian but go on from day to day unwilling to live up to the name Christian? Unwilling to serve as Christ would have you serve?

Go home today and right away organize a W. M. U. in your church if you do not have one. Surely if a band of women 60 years ago could organize under the hardships of womanhood in those days we today cannot find an excuse for not being organized.

Those who do have a W. M. S. what of the other organizations;

Sunbeam Band, G. A., R. A., and Y. W. A. Do you have all of these? Are you providing for missionary education for the youngest to the oldest? You must not stop until each person is provided for.

May I leave this challenge for you and myself "That at the name of Jesus every knee should bow." Philippians 2:10.

21. A special message was brought by R. M. Hauss, Shelby, Director of the Allied Church League.

22. An address on Christian Education was delivered by J. Glenn Blackburn, Chaplain, Wake Forest College, and minister of the Wake Forest Baptist Church.

23. O. W. Rhodenhiser, Representative of the North Carolina Baptist Hospitals, spoke to the Report in behalf of the hospital program.

24. O. W. McManus, pastor at Gibson for many years, spoke to the Report in support of the "Biblical Recorder."

25. At this time Moderator Willis called for the various Committee Reports.

26. Ralph Benoy, acting in behalf of the Committee to report to nominate Executive Committee, read the following report and upon his motion, the Report was approved as follows:

Term Expiring 1949: J. Towney Davis, Rockingham, to fill vacancy; R. D. Riggins, Rockingham, to fill vacancy.

Term Expiring 1950: B. E. Honeycutt, Cordova, to fill vacancy.

Term Expiring 1951: E. N. Johnson, Wagram; C. O. Funderburk, Rockingham; Paul Bruce, Ellerbe; E. B. Gunter, Hamlet.

27. J. J. Gray, Chairman, Committee on Place and Preacher reported and upon his motion it was agreed that the 1949 Session of the Association would be held with the First Baptist Church of Rockingham and that B. E. Honeycutt, Cordova, would preach the Associational Sermon.

28. T. G. Bagwell, Chairman, reported for the Committee to audit the Treasurer's books and his motion to approve the receipts and expenditures of the Associational Treasurer was adopted.

29. Clerk Charles B. Deane briefly reviewed a digest of church letters for the year ending September 30, 1948, appearing on Page 18.

The Clerk emphasized the per capita giving of the respective churches pointing out significant progress made by practically every church in the Association. He pointed out that twelve of the twenty-three churches in the Pee Dee Association showed an increase in their per capita giving over the year previous.

Of special interest was the fact that several churches including Cartledge Creek, Cobb Memorial, East Hamlet, Ellerbe, McDonald, Pee Dee, Pleasant Grove, Rockingham First and Spring Hill had completed or were engaged in a new building or remodeling program. The Church Letters revealed that all of the churches in the Association had during the past year spent \$49,198.04 on a building program.

The Clerk emphasized the fact that while most of the churches in the Association were giving splendidly to the Cooperative and Denominational program that several of the churches should emphasize the Denominational program during the coming year in view of the urgent need of the various Agencies of the Convention and especially that of Christian Education.

30. The time having arrived for the election of officers, J. Marvin Smith, Rockingham, moved that James B. Willis, Hamlet, be re-elected as Moderator. This action took place upon the motion by J. H. Haywood, Rockingham, that the nominations close and James B. Willis was elected by acclamation.

Prior to the election of the Vice-Moderator, Moderator Willis called attention to the fact that the late B. M. Covington, Wadesboro, had served the Association most acceptably and in a most faithful way through the years. The Association stood in appreciation of these years of service by this faithful and consecrated layman.

Upon the motion of Edwin F. Perry, Rockingham, J. Marvin Smith, Rockingham, was elected Vice-Moderator.

W. H. Covington, Rockingham, was re-elected Historian upon the motion of Paul Bruce, Ellerbe.

Upon the re-election of Charles B. Deane, Rockingham, as Clerk and Treasurer, upon the motion of J. H. Haywood, Rockingham, Moderator Willis called attention to the fact that our Clerk was first elected in 1927 and had served most acceptably during each of the succeeding 21 years.

31. B. E. Honeycutt, Cordova, requested and briefly discussed the need for the churches in the Association to be more active in Associational work. Entering into the discussion were Ernest W. Moore, Charles B. Deane, Edwin F. Perry and Paul Bruce. At the close of the discussion a motion by Charles B. Deane was approved which directed that the Executive Committee of the Association meet at least four times during the year and encourage and if necessary, map out a program of work which would enlist the cooperative efforts of all the churches in the Association with special emphasis upon Sunday School and the Young People's Work.

32. Prior to adjournment, the Moderator expressed to the ladies of the host church the thanks of the Association for the hospitality and sumptuous dinner served.

33. Upon motion by B. E. Honeycutt, Cordova, the One Hundred Thirty-Third Session of the Pee Dee Baptist Association adjourned.

12. A quartet from Wingate Junior College sang "Must Jesus Bear the Cross Alone."

13. The Associational Report for 1949 covering the various activities of the denomination was presented by G. Carl Lewis, Rockingham which appears as follows:

THE ASSOCIATIONAL REPORT

The one great fact which serves as the basis for the assembling of this body of Christians, and which serves as the common bond for the united effort of the Churches of the Pee Dee Association is the fact of eternal salvation through Jesus Christ our Lord. As we rejoice in our salvation we take note of the resultant obligation to send forth the message of the Saviour to a waiting world. Thus we accept the commission of our Lord, given with the assurance of His presence and power, as He said, "All authority hath been given unto me in heaven and on earth. Go ye therefore, and make disciples of all the nations, baptizing them into the name of the Father and of the Son and of the Holy Spirit: teaching them to observe all things whatsoever I commanded you: and lo, I am with you always, even unto the end of the world."

One of the truly remarkable factors in the life of Baptist people is the splendid organization and cooperative spirit back of our work. With Christ as the one head of the Church we move together through an associational organization with twenty-three churches and 5,916 members, a State Convention with more than 2,800 churches having a membership of more than 636,000, the Southern Baptist Convention with 26,882 churches and six and one-half million members. In addition we cooperate with the several Baptist conventions of this and other nations in the Baptist World Alliance.

As we consider the Commission of Christ we are humbly grateful to God for His work through consecrated missionaries who have labored to make known to the peoples of all nations and races the "good news" of our Saviour. The report of the Foreign Mission Board to the Southern Baptist Convention in session at Oklahoma City in May of this year shows that we have 670 missionaries working in 119 mission centers situated in twenty-five geographical areas of the world. On an over-all annual budget of approximately \$5,000,000 these 670 missionaries and thousands of national Baptists are conducting a strong and far-reaching program of church activity, evangelism, Christian education in the churches, a program of Christian education through kindergartens, primary schools, high schools and colleges, evangelism through the use of printed matter—Bibles, tracts, literature—and a great program of medical missions.

At its meeting in Memphis in 1948 the Southern Baptist Convention adopted the advance program proposed by the Foreign Mission Board,

looking toward the goal of 1750 overseas missionaries with an annual over-all budget of \$10,000,000. In our Association we need to accept the challenge of this program in all earnestness, determined that we shall give at least twice as much to our denominational work as we are now contributing.

The mission work that is being conducted in the Southland and in adjacent areas also deserves emphasis; thus we consider the activity of the Home Mission Board. The missionaries of the Home Mission Board, exclusive of summer workers, number 731. This group, with the aid of 287 students workers, last year reported 28,218 conversions. The work of the Board is so extensive that this report can merely name the several types of endeavor. The newest division of the Board's activity is the Cooperative Mission work, including the City Mission Program which is being carried on in forty-four cities, the Rural Church Program in which thirteen states cooperate, and the Western Mission Program, conducted jointly by the Home Board and the state mission boards of Arizona, California, and New Mexico.

The largest division of the Home Mission Board's work is the program of Direct Missions. In this department we have ninety-six missionaries to the Indians, 201 workers among the Spanish-Americans, eight missionaries to the Cubans in the United States, twenty-two missionaries to the French people, eleven missionaries to the Italians, six missionaries to the Chinese, three workers among the Japanese, six to the other language groups, six to the deaf, twenty-eight workers in goodwill centers and rescue missions, 133 missionaries in Cuba, thirteen in Panama and the Canal Zone, and eleven in Costa Rica.

Other phases of the Home Mission Board's work include the department of Evangelism, the department of Jewish work, the department of Education and Publicity, work among the Negroes, and supervision of the work of Baptist chaplains.

Time will not permit more than the naming of other vital activities of Southern Baptists but, we value highly the work of our Sunday School Board, our Relief and Annuity Board, our Seminaries, our Southern Baptist Hospital, and other boards and agencies.

Inasmuch as we will hear from representatives of our State Convention and from several of our institutions we will not take time for a detailed account of the great work being done by North Carolina Baptists within the borders of the State. Let it be said, however, that our Association should view with pride the excellent leadership of our Executive Secretary, M. A. Huggins, Raleigh, and his efficient staff of co-laborers. The work being done in the field of associational missions, in the promotion of the Sunday School, the Baptist Training Union, the Woman's Missionary Union, and the Baptist Brotherhood deserves our heartiest commendation and support. We are enthusiastic about the far-reaching work of the State Mission Board as it strengthens churches, encourages the organization of new churches in strategic areas,

provides for summer assemblies, and fosters the promotion of a strong Baptist work in all fields of activity. We pledge our support to the work of Christian Education through our several fine colleges, to the work of our Orphanage, our Hospital, and our State Baptist Paper, the *Biblical Recorder*.

We commend the Churches of this Association for the work being done at home and, through our gifts and interest, around the world. However, we find an urgent need at the present time to strengthen and enlarge our work. The Association should take steps to introduce a program of associational missions looking to the establishment of mission Sunday Schools, the organization of new churches, and the reaching of the thousands of unsaved souls at our doors. Let us "lift up our eyes and look on the fields, for they are white already unto harvest."

Respectfully submitted,

G. CARL LEWIS

26. A report was presented by Mrs. W. M. Dempsey, Rockingham, Superintendent of the Woman's Missionary Union of the Pee Dee Baptist Association. The report which follows is received as a matter of information:

REPORT OF ASSOCIATIONAL WOMAN'S MISSIONARY UNION

Woman's Missionary Union celebrated its 60th anniversary in 1948. We in Pee Dee Association were able to reach 873 women in the interest of missions at the beginning of this year in 16 churches. We have seen some increase during the year in membership and in organizations. At present we have 19 churches organized in the interest of missions. This is a good figure but is it enough women from our association concerned about learning more about missions? What about the other 4 churches? You will not be satisfied with this number I hope. Also we enlisted 471 in our young people's organizations. It is indeed a sad picture that less than 500 of our young people are being given definite missionary education.

Missions of course is the very heart of Woman's Missionary Union. So one of our chief emphases is mission study. So far this year only 3 of our societies have not had a mission study with a majority of our young people's organizations also having had a mission study class. Jesus said, "Go ye" but how would a person go when he has not been taught or has not studied the needs? How can a person be sent except that the need to be sent is known? How would a person pray for laborers to be called or how would a person pray for laborers already on the field if they do not know about the great need of additional missionaries and about the needs of missionaries who are now laboring? Let's study more about missions in the days ahead. I am sure any society would welcome the men of their church to sit in on any of their mission study classes.

Through its entire history Woman's Missionary Union has sought to teach tithing and stewardship of possessions. Woman's Missionary Union recognizes the best means of supporting missions is through the co-operative program and encourages its members to increase their gifts through this channel. We are working diligently to help meet the need for increased gifts and to attain the Southern Baptist Convention goals of "Fifty-Fifty by 1950" and "Every Baptist a Tither."

Our goal for gifts through the co-operative program for 1949 is \$10,132.41. It should be easy to reach this goal and it is my hope that we exceed it. Jesus taught that we make a mistake when we heap up treasures for ourselves on earth. Another thing Jesus taught is that we ought to lay up treasures in heaven where they will be safe. Let us put our means into Christ's Kingdom and teach our children that the tenth belongs to God and they are robbing God if they do not give Him that which He said is His.

Woman's Missionary Union have promoted weeks of prayer. A week for foreign missions and a week for home missions. During these

weeks offerings are brought which enable both the Home Mission Board and the Foreign Mission Board to lengthen the cords and strengthen the stakes. We also have a period of prayer for state missions with an offering that helps our state convention to carry on their program of work.

Another emphasis in our work in Community missions. Soul winning is the primary purpose of the community missions program. All of our societies are engaged in some type of community mission work. You will remember Jesus said to begin at home.

The Woman's Missionary Union has for their watchword this year "To make known to the sons of men His mighty acts and the glory of the majesty of His Kingdom" Psalm 145:12.

May I quote E. J. Millington, "I am standing here in one place and yet by the Miracle of Missions my feet are treading the paths of mercy around the world. I have two unskilled hands and yet by the Miracle of Missions these hands are performing delicate operations in many hospitals and doing deeds of kindness everywhere at this hour. I have one tongue and that tongue can speak only one language, yet by the Miracle of Missions, I am telling the story of Jesus Christ in a hundred languages at this hour."

Yes, each of us here is enabled to be a missionary here and around the world through our mission program.

The question is, "Will a man rob God?" We are guilty of robbing God. You may say but I give through the co-operative program so I am helping to carry out the great commission. But are you giving of your time, talents and material possessions as God would have you to give? You have the time but do you take the time to lead some group of young people? Are you taking the time to pray for laborers? Are you giving in proportion as God has prospered you? Think on these things and ask yourself, "Am I robbing God?"

Respectfully submitted,

MRS. W. M. DEMPSEY

27. E. N. Johnson, Wagram, led the discussion on the American Bible Society.

28. The Association next considered various miscellaneous business.

29. The Committee on Place and Preacher reported through the Chairman, C. H. Kirkley, Hamlet, and upon his motion, the Association agreed to hold the 1950 Association meeting with the Spring Hill Baptist Church in Wagram and that G. Carl Lewis, Rockingham, preach the annual sermon with W. H. Bogan, Hamlet, serving as alternate.

30. A report was received from the Committee to nominate an Executive Committee and upon the motion of J. Marvin Smith, the following were elected to serve for the terms indicated:

Term expiring 1950: B. E. Honeycutt, Cordova; O. W. McManus, Gibson; E. M. Reeves, Wagram; Mrs. Mary White, Rockingham.

Term expiring 1951: E. N. Johnson, Wagram; C. O. Funderburk, Rockingham; E. B. Gunter, Hamlet; Charles Barrett, Laurinburg.

Term expiring 1952: G. Carl Lewis, Rockingham, Chairman; George H. Wallace, Rockingham; Ernest W. Moore, Rockingham; Mrs. W. M. Dempsey, Rockingham.

31. H. Maxeey King, as Chairman of the Audit Committee, reported that a check of the Treasurer's books revealed that all receipts and disbursements had been properly accounted for and upon his motion the report of the treasurer as given in the morning session was approved.

32. The acting clerk distributed a digest of the Church Letters as prepared by the Clerk, Charles B. Deane, appearing on page 19 which indicated that for the year ending September 30, 1949 several churches had made outstanding progress. A study of the digest of letters will indicate that 15 churches showed an increase in per capita giving over the year 1948. The four churches with the highest per capita giving were in this order: Cartledge Creek; Rockingham, First; Cobb Memorial; and Pleasant Grove.

It is interesting to note that the 23 churches now composing the Pee Dee Association contributed to all causes during 1949, \$210,618.10 which is more than was contributed during the year 1946 when the Association included 10 additional churches from Anson County. This 1949 total contribution will likewise approach the 1947 contribution when the Association included the present churches and 10 from Anson County.

While these total contributions stand out for 1949 over 1948, there is a serious drop of 90 in the number of baptisms, as compared with 1948.

A careful study of the digest of Church Letters will indicate the strong and weak points in the churches of the Association.

33. The Moderator recognized C. O. Funderburk who discussed the employment of a full time Associational Missionary and his motion prevailed that the Moderator designate a committee with the authority to investigate the possibilities of employing an Associational Missionary and that the committee so named be given the authority to employ such a person. In the adoption of this motion the Association accepted a suggestion from E. N. Johnson, Wagram, that this committee consist of three pastors, three members of the Executive Committee, including the Chairman; Chairman of the Pastor's Conference; Superintendent of the Woman's Missionary Union and the Associational Moderator. This Committee as designated and named by the Moderator are as follows: G. Carl Lewis, E. N. Johnson, George Wallace, James B. Turner, O. W. McManus, Charles Barrett, Mrs. W. M. Dempsey, B. E. Honeycutt and James B. Willis.

34. Historian W. H. Covington, gave some of his observations covering the interesting history of the Pee Dee Association along with some of his personal experiences as an annual messenger through many years.

35. The time having arrived for the election of officers, the Association by a unanimous vote re-elected James B. Willis, Hamlet, as Moderator; Charles B. Deane, Rockingham, as Clerk and Treasurer; W. H. Covington, Rockingham, as Historian.

In addition to these officers, E. N. Johnson, Wagram, a New Pastor in the Association, was elected Vice-Moderator.

36. In the closing minutes the Moderator expressed the appreciation of the the Association for the excellent manner in which the Host Church had entertained this session of the Association and paid special tribute to the ladies of the church in providing such a splendid lunch and especially congratulated the Church on the splendid accommodations of the New Educational Building.

37. With a closing prayer offered by J. Marvin Smith, Rockingham, the One Hundred Thirty-fourth Annual Session of the Pee Dee Baptist Association adjourned.

Proceedings

RECORD OF PROCEEDINGS
OF THE
ONE HUNDRED THIRTY-FIFTH ANNUAL SESSION
OF THE
PEE DEE BAPTIST ASSOCIATION

HELD WITH
SPRING HILL BAPTIST CHURCH
WAGRAM, N. C.

Tuesday Morning Session
October 17, 1950

1. On October 17, 1950, the one hundred thirty-fifth annual session of the Pee Dee Baptist Association convened in the Spring Hill Baptist Church in Wagram, N. C.

2. The session began at 10 o'clock in the morning with James B. Willis, Hamlet, serving as Moderator and Charles B. Deane, Rockingham, acting as Clerk.

3. Under the leadership of S. David Smith, Director of Music, Campbell College, the audience joined in the singing of "All Hail the Power of Jesus' Name." Iswaine Stephenson of Campbell College served as accompanist during the sessions of the Association.

4. The devotional period was led by F. Eugene Deese, pastor of the Ellerbe Church.

5. The host pastor, Elbert N. Johnson, expressed words of greetings in behalf of the members of his church. The large group of delegates recalled with a great deal of appreciation the great Baptist leaders who have through the years been associated with the Spring Hill Baptist Church, the oldest church in the Association, having been organized in 1813.

6. Charles B. Deane, Clerk, was recognized and called the roll of churches. It was determined that the total enrollment was 175. Upon a motion by the Clerk, it was agreed that the messengers now present and those who may hereafter enroll during the day compose the Association for the transaction of business.

7. The Clerk then announced that the following new pastors have come into the Association since the last annual meeting: F. Eugene Deese, Ellerbe, First; W. R. Gosnell, Hoffman; C. C. Drye, Marston. These new ministers were welcomed into the Association by the Moderator.

8. Moderator James B. Willis designated the following to constitute the Committee on Committees: James B. Turner, Laurinburg; J. Marvin Smith, Rockingham; T. G. Bagwell, Hamlet.

9. The Campbell College Quartet composed of S. David Smith, Nelson Burton, William Sexton and Paul Royal, sang "My Anchor Holds," with Iswayne Stephenson at the piano.

10. George H. Wallace, pastor of Pee Dee Church, presented the Associational Report for 1950 covering the work of the Denomination which upon his motion was adopted as follows:

THE ASSOCIATIONAL REPORT

When our Risen Lord stood on Mount Olivet with a few precious moments remaining before ascending back to the Father, He said unto His disciples: "All authority is given unto me in heaven and on earth. Go ye therefore, and teach all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit: teaching them to observe all things whatsoever I commanded you: and lo, I am with you always, even unto the end of the world." May I submit that Jesus did not speak these words as a suppliant before His disciples, but He spoke with the voice of supreme authority. Dr. A. T. Robertson in his book, *Word Pictures in the New Testament*, so aptly states: "He spoke as one already in heaven with a world-wide outlook and with the resources of heaven at His command." All true Southern Baptists accept these words as the "marching orders" issued by the Captain of our salvation. It is also a call and a challenge to every Baptist, every local church, every district association, every state convention, every board, every agency, every institution, every teacher, every college professor, every pastor, every evangelist, and every layman to pledge our allegiance to the blood-bought banner of the cross of the Lord Jesus Christ; and let us march forth under its crimson standard to the farthest limits of the world that all nations may know Christ and the power of His Risen Life.

The Cooperative Program

When Jesus said, "Go ye," he meant for all of us to go together. The Cooperative Program is a plan whereby every Baptist can obey this command. The hand that gives to the Cooperative Program gives the right hand of fellowship to every cooperating Baptist in the Southern Baptist Convention; it reaches out with a personal touch and lends its strength to every cause sponsored by State, Home, and Foreign Missions. The Pee Dee Association gave \$33,732.27 to program objects in 1948. In 1949 the amount was \$31,898.93.

State Missions

Our State Mission Program under the leadership of Dr. M. A. Huggins and his co-laborers has in it eighteen different activities. In fact all of the work of the State Convention is embraced under State

Missions except that committed by charter to the Schools, the Orphanage, and the Hospital. These activities are: Missionary Pastoral Assistance, Evangelism, Radio and Visual Education, work among Indians, cooperating with General Baptist State Convention, work at the Sanatoriums and Samarcand, The Allied Church League, Rural Church Work, work among the Silent People, Schools for Ministers and Deacons, The Baptist Brotherhood, The Sunday School and Vacation Bible Schools, The Training Union, The Student Union, The Book Stores, and Summer Assemblies. To carry on this program and to retire the present indebtedness of State Missions, a budget of at least \$350,000 is needed each year. At present the Board can only expect about \$160,000 from the Cooperative Program. A like amount must be secured through designations. The Pee Dee Association designated \$1,637.54 to State Missions in 1948. The amount for 1949 was \$1,685.24. In 1950 we designated \$1,352.71.

Home Missions

The supreme objective of the Home Mission Board is to evangelize the homeland and to mobilize for world evangelization. The department of "Direct Missions" is working in 14 States which have a combined population of 50,345,000 and in four Provinces of Cuba, Panama, and the Canal Zone with a combined population of 3,750,000 making a grand total of 54,000,000 of whom approximately 29,000,000 are unevangelized. In our language groups there are 37 Nationalities with a population of some 8,500,000. Living in the slums of our cities are nearly 9,000,000 underprivileged people who need the ministry of this department. An increased Annie Armstrong Offering is imperative to this work. In 1948 the Churches of the Pee Dee Association designated \$1,127.48 to Home Missions. In 1949 the amount was \$1,358.30. In 1950 we designated \$1,583.71.

Foreign Missions

"Into all the world with Christ" is more than a slogan with Southern Baptists; it is the very heart and soul of our Foreign Mission Program; it is our response to the Great Commission of our Lord and our answer to the cry of a sin benighted world. "Christ is the answer," and how will the lost in the darkened areas of the world ever know it, if we do not tell them. The Foreign Mission Board is located in Richmond, Va. Dr. M. T. Rankin is the Executive Secretary. The Foreign Mission Field is comprised of three divisions: Africa, Europe, and the Near East with George W. Sadler as Secretary; Latin America, Everett Gill, Jr., Secretary; the Orient, Baker J. Cauthen, Secretary. Sixty-seven Missionaries were appointed in 1949 bringing the total number of active Missionaries to just over 700. The goal for Southern Baptists is 1,750 overseas Missionaries. Special offerings to Foreign Missions by the Pee Dee Association amounted to \$3,235.50 in 1948. In 1949 the amount was \$2,822.15. In 1950 we gave \$2,505.11.

Conclusion

Time, space, and information would fail me to report on Christian Education, The Orphanage, The Baptist Hospital, The Biblical Recorder, Charity and Children, and The Simultaneous Revival, East of the Mississippi, beginning in March, 1951. But all of these deserve our most loyal support. Therefore, let us take a greater interest in Christian Education, give more liberally to the Orphanage, work in harmony and give more sacrificially to build the new South Wing at the Baptist Hospital, place more emphasis on the Biblical Recorder and Charity and Children, and cooperate in every way possible toward the success of the Simultaneous Revival next year. In the name of Christ and for His glory let us take courage and go forward.

Respectfully submitted,
George H. Wallace

11. A report of the Executive Committee was given by G. Carl Lewis, Chairman, Rockingham, and upon his motion was adopted after a brief discussion of the importance of the suggested change in the Constitution and the desire on the part of the leaders in the Association to promote a more extensive Associational Program of work.

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee of the Pee Dee Association has concerned itself primarily with the needs and opportunities for mission work within the territory of the Association. Much has been said by members of the Committee and by others who definitely are interested in the Baptist cause in this area about the need for an Associational Missionary and a definite program of Associational Missions. However, for two reasons the Committee did not consider it wise to take steps toward securing a missionary: First, no financial provision has been made for such a program; second, some opposition has been expressed to any plan for employing a missionary at the present time.

Nevertheless, the members of the Committee are unanimous in the opinion that an extension program should be launched in the Association, under the supervision of the Executive Committee. We suggest three fields of activity: First, a summer program, using one or more college or seminary students both in the churches and in unchurched areas; second, the promotion of organizational work in the churches; third, and chiefly, surveying the area of the Association with the view of establishing mission points where practicable.

To finance such a program and to begin a fund for the mission needs in the Association, the Committee recommends that the churches be asked to contribute funds for associational missions. By way of establishing a goal for such gifts, we suggest that the churches contribute the equivalent of ten per cent (10%) of the amount given to the Cooperative Program.

The Committee also recommends that Article 8 of the Constitution be revised to include, as ex-officio members of the Executive Committee, the heads of organizational work in the Association. Thus the last line of Article 8 would read: "The Moderator, Clerk, Sunday School Superintendent, Director of Baptist Training Union, Superintendent of W. M. U., and Brotherhood Director shall be ex-officio members of the Committee."

Respectfully submitted,
G. Carl Lewis, *Chairman*

Afternoon Session

18. The afternoon devotional service was led by R. D. Riggins, pastor of Pleasant Grove Church.

19. A report on the work of the American Bible Society was presented by James B. Turner, pastor of the First Baptist Church, Laurinburg.

20. Mrs. W. M. Dempsey, Superintendent of the Woman's Missionary Union gave the following report in behalf of that organization of the Pee Dee Association.

REPORT OF ASSOCIATIONAL WOMAN'S MISSIONARY UNION

Woman's Missionary Union for this year, 1950, have used as their hymn "Christ for the World We Sing" and as their watchword "To shine upon them that sit in darkness and the shadow of death; to guide our feet into the way of peace," Luke 1:79.

In 1946 when for the first time I stood before you to bring you some high lights of Woman's Missionary Union work in our association we were thinking then in terms of peace. That year we used as our watchword "Look unto me and be ye saved, all the ends of the earth; for I am God and there is none else," Isaiah 45:22.

We here today know there is none else but God to save our world today and forever; how many other people know that? What are we doing about it?

Many events have taken place and many changes have been made during the past four years. We have seen the Iron Curtain reach out and cover more territory and more people have been engulfed in its web. We still find Catholicism still dominating many countries by dictating to and controlling governments; keeping its peoples in ignorance and in a state of confusion and fear. We see almost the entire world involved in another conflict on the battle field either directly or indirectly. Yet we still find hosts of Christian people who know there is none other but God to save the world standing by indifferent and some with feelings of malice, prejudice and selfishness.

Yes, we see the world still in darkness. Luke tells us "to shine upon them that sit in darkness." As Christians Christ should be shining upon this world through us. He told us He was the "light of the world" and then He said "Ye are the light of the world." So God's plan is to have Christ shine upon this dark world through his followers.

We look now at our 23 churches in our association. Just imagine what would happen if each member of these churches would allow Christ to shine through them. Of these 23 churches 20 have a W. M. S. organization. Now we see a little light. In our 20 W. M. S. organizations we have touched a little over 1000 members.

Many Christian men and women are still in darkness as to their knowledge of missions. We need to enlist many more women in mission activities. Our three remaining churches need also to be enlisted to organize a W. M. S. If you are a member, man or woman, of a church that does not have a missionary organization, will you allow Christ to shine through you in doing all you can to get an organization started in your church? If you are a member already of a missionary society will you let Christ shine through you first by enlisting others in the work?

This year our goal for gifts through the cooperative program is \$6,816.24. Sometimes when I look at our goal which is a 10% increase over what was given the preceding year, I wonder if we are allowing Christ to shine through us around the world by bringing our tithes and offering. For 2 years we have missed being a Standard association

because we were not reaching our financial goal. How many of our women refuse to allow Christ to shine through them because they fail to be a faithful steward?

Yes, I know stewardship includes time, talents, influence, personality and power. In fact we feel safe in thinking of stewardship as referring to those many things and other intangibles but our substance, our possessions or in plain words our money is a touchy subject. Stewardship to many of us means so many things until for a lot of us it has come to mean little or nothing.

An article headed "Can Every Baptist Tithe?" was written by Dr. Duke McCall and his answer of course was a very clear and distinct, yes. Everybody can and ought to give the tenth back to God. For many it is only the beginning of what he is able to give back to God. To whom much is given, of him is more expected. One whose heart is willing will find a way to tithe and in seeking earnestly to do God's will, one can be assured that God will be pleased. Can you imagine what Southern Baptists could have done with additional millions of dollars in tithes that were kept back; people themselves would have grown; churches would have grown and a world program of missions would have grown.

God commands his people to tithe and it is dangerous to disobey. Out of our one thousand W. M. S. members we have 300 tithers. Remember these words from our scripture, "the tithe is the Lord's," "Bring ye all the tithes into the storehouse," "For where your treasure is, there will your heart be also," "Ye shall be witnesses." Are you singing "Christ for the World We Sing"? Are you allowing Christ to shine through you to them that sit in darkness?

As we bring our gifts we need to be informed. Through our missionary programs each month we can be informed. Another very important way to be informed is through mission study classes. So far this year we have had only 17 mission study classes. Six of our societies have not yet had a mission study class this year. In our association next month we are planning for an associational mission study institute which is classes to teach teachers to teach a particular mission study text. So this last quarter should show an increase in mission study classes. If we are to allow Christ to shine through us around the world we need to be informed as to the needs around the world.

If we are informed we then can pray more intelligently as an individual and united. We have 3 special seasons of prayer, Home, Foreign and State. Fifteen societies observed Home Mission Season of Prayer in March; 14 societies observed State Mission Season of Prayer in September. Our Foreign Mission Season of Prayer is in December; last year 16 societies observed this. There are several of our societies who do not observe any of these Seasons of Prayer. It was in prayer that Woman's Missionary Union was born and her usefulness in promoting the work of Christ is conditioned by her prayer life. Will you allow Christ to shine through you by your prayer life?

If we are informed we certainly will want to pray and if we pray we will be led to give. After doing these things we will surely be ready to do. The doing then is our Community Missions program. All of our societies are doing some type of community missions and most of our societies are carrying out a planned program each month. Over half of our members are being used in definite community mission work. Some are making definite efforts in soul-winning. Christ said "Ye shall be my witnesses," "Be ye doers of the word and not hearers only." Community Missions then in its full purpose of soul-winning must begin with the individual member. Then with a united spirit and the work of a society the result—soul-winning. Christ is unlimited and if we allow him to shine through us to win others we then can say with Paul "I can do all things through Christ which strengtheneth me."

What of our Young People? Eight of our missionary societies do not have any missionary organization for their young people. Those 8 plus the 3 churches without a W. M. S. makes just about half of our churches in our Association without missionary training for their young people. The answer today is the same it was in 1946. "We don't have the leaders." You love your children, I am sure; you desire for them the very best. You remember Jesus said, "Do men gather grapes of thorns?" If we are to continue to me missionary Baptists surely our children need to receive missionary education. We need the very best for these young people.

Today as never before the world is one large community. Our young people need as never before to have a keen sense of worldwide responsibility. Through an intensive program of missionary education for all of our young people fear, prejudice, malice, and selfishness can be overcome and Christian young people will rise to total Christian living.

Will you allow Christ to shine through you in helping to carry on a well-rounded missionary program in your church remembering again "Ye shall be witnesses"?

Respectfully submitted,
Mrs. W. M. Dempsey

21. The Clerk of the Association, Charles B. Deane, brought a report on the increased interest among the churches of the Association. He pointed out that for the first time, each of the twenty-three churches reported gifts to the denominational program. The Clerk gave a comparison of the total gifts for the Association for the years 1947, 1948, 1949, and 1950 which reveals splendid progress. He pointed out that the gifts in 1950 total \$238,594.80, in comparison to a grand total of \$224,029.00 in 1947. MORNING SESSION

The fifty-sixth annual meeting of the Woman's Missionary Union of the Pee Dee Association convened with the Gibson Baptist Church of Gibson, N. C. on March 28, 1950 at 10:00 A.M.

"Abounding in the Work of the Lord" was the theme for the day's program.

The meeting was begun with an opening worship period which included the singing of the missionary hymn, "Christ for the World We Sing," and a brief period of meditation led by Mrs. J. W. Hollis of Laurinburg. Mrs. Hollis had as her topic, "This Work Is the Lord's." Mrs. C. C. Jones, Gibson, then continued this phase of the program as she sang "O Master, Let Me Walk with Thee."

Prayer was led by Mrs. J. W. Hollis.

At this time Mrs. W. M. Dempsey, the Associational Superintendent, extended words of greeting.

The business session was opened with the roll call of churches. Twelve churches were represented with ninety-five as the total number present.

All new presidents, pastors, divisional officers and visitors were recognized.

The following committees were appointed by the Superintendent: Nominating Committee for 1950-51: Mrs. Edwin Pearce, Hamlet, as Chairman; Mrs. Tom Benton, Laurinburg; and Mrs. E. W. Moore, Rockingham; Time and Place Committee: Mrs. H. T. Allen, Rockingham, as Chairman; Mrs. Z. V. McGirt, Hamlet; and Mrs. Sam Key, Rockingham.

Mrs. J. B. Turner, Laurinburg, the Associational Stewardship Chairman, discussed the topic, "Abounding in the Grace of Giving."

The Superintendent then presented Miss Hilda Mayo, Raleigh, State Young People's Leader, who spoke on "Cooperating in the Work of the Lord."

This was followed by several announcements and special music during which all registration cards, expense fund and Burney gifts were collected.

Mrs. W. M. Dempsey introduced Miss Cornelia Leavell, Bristol, Virginia, Missionary of the Foreign Mission Board, as the speaker of the morning. Miss Leavell gave a most inspiring message on "The Work of the Lord in China and Hawaii."

ROCKINGHAM, N. C.

Tuesday Morning Session
October 23, 1951

1. The one hundred thirty-sixth annual session of the Pee Dee Baptist Association convened in the Cartledge Creek Baptist Church, Rockingham, N. C., on October 23, 1951, with James B. Willis, Hamlet, acting as Moderator and Charles B. Deane, Rockingham, serving as Clerk.

The Association had previously met at Cartledge Creek, first in 1830 and in the following years, 1876, 1890, 1920 and 1940. Moreover, here at Cartledge Creek some of the first actions were taken by the North Carolina State Baptist Convention looking toward the establishment of Wake Forest College.

4. Clerk Charles B. Deane was recognized and he announced that all messengers were being enrolled and upon his motion, it was agreed that the messengers now enrolled and those who may hereafter register during the day compose the Association for the transaction of business.

To the Pee Dee Association

Dear Friends,

As most of you know, I am now serving in the U. S. Army as a Chaplain and will be spending some time in Europe. But, I would like to assure you of my prayers and continued interest in the work of the Pee Dee Association. My thoughts are there, and it is my desire to return to my own church at Ellerbe, when my period of service is over. Although I shall not be with you for awhile, I trust that you will remember me in your prayers.

Sincerely,

CHAPLAIN F. EUGENE DEESE

Pastor, First Baptist Church
Ellerbe, N. C.

9. Upon the request of the Association, Charles B. Deane, Clerk, acknowledged the letter from Chaplain Deese who now serves with Hq. & Hq. Co., 102nd Inf. Reg., 43rd Division—European O.C., A. P. O. 112, c/o Postmaster, New York, New York.

10. A chorus from Wingate Junior College composed of Mary Louise Thompson, Charlotte Bayne, Delorah Short, and Annyce Hathcock, sang "O Holy Spirit."

11. Ralph Harrell, Ministerial Assistant, First Baptist Church, Hamlet, presented the Associational Report for 1951 and upon his motion was adopted:

**ASSOCIATIONAL REPORT FOR THE PEE DEE ASSOCIATION,
OCTOBER 23, 1951, WITH THE CARTLEDGE CREEK
BAPTIST CHURCH**

The master called men to him only to send them out. He sent forth every one who took his yoke and learned of him. Luke tells us that all the members of the church in Jerusalem went forth preaching the word, which reminds us that every Christian is a witness. The purpose of this witnessing is to bring others to the truth. A church which makes no converts is a church which Christ cannot own. This Evangelism must begin in the churches. The churches themselves must be turned back to the work. . . . When in our own church life, all the forces of the Christ life are *operative* without hindrance, then men will be brought under the sound and power of the great and glorious *evangel*.

Witnessing has always been an important aspect of vital Christianity. It forms one of the drives of Missionary endeavor. One of the

reasons for the *impotence* of Christianity today is that members of the faith fail to report what they have seen and what it means to them. Sharing has become a lost art among most of us.

The implied motto of our Southern Baptists is: "*ALL Christians MUST Work.*" Surely this is evidenced in the reports of our denomination.

Co-operative Program

The Co-operative Program has again this year proved its merit as the best plan ever used by Baptists for carrying out the Great Commission of our Lord Jesus Christ. More church members have participated and more money has been given and more work been made possible than ever before in any year. Total missionary gifts for 1950 through our 27,788 churches amounted to 33 million dollars of which over 19 million was given through the Co-operative Program. Of the amount given through the Co-operative Program, approximately 60% was for the state causes, and the remainder for Southern Baptist Convention and worldwide causes. The Pee Dee Association gave \$38,972.63 for program objects in 1950. In 1951 these gifts totaled \$40,967.00.

The goal and objective of State Missions may be stated thus: "*NORTH CAROLINA MUST BE CHRISTIAN.*"

In many places one observes that what was predicted some fifty years ago, namely, "Coldness within and iniquity without," has come to pass. This is not to say that there is not also a lot of iniquity within. It is the over-all purpose of State Missions working through churches, Sunday Schools and young people, to prevent such a thing happening.

State Missions

The aim and purpose of State Missions is a threefold one. In the first place, those activities are promoted which develop a Christian State, and evangelism and training; winning the lost to Christ and teaching the fundamentals that develop Christian Citizenship. In the second place, an aggressive State Mission program is essential to the growth of the denomination and to strengthening its morale. In the third place, all missions, state, home and foreign, all denominational schools, colleges and seminaries, and all benevolent agencies depend upon State Missions as their base support. By winning the lost through State Missions, they are trained, and new churches are established which in turn promote and support the whole denominational program.

Renewed interest and emphasis is being given to work among the rural churches. A significant statement was made recently to this effect: In a period of three generations, or about one hundred years, it is likely that 1,000 people living in the country will have 6 times as many descendants as the same number of people living in larger cities. If we are wise, everything possible must be done to build great country churches.

State Missions has many pressing needs, but perhaps the most pressing right now is some \$50,000.00 with which to buy lots where new churches should be established and another \$50,000.00 above what is now being received for State Missions with which to supplement the salaries of pastors to minister to the churches and thus get the work going.

Let it be remembered that State Missions is not just *one object*, but it is a program of some eighteen activities. A special offering during September and October of \$150,000.00 is perhaps the greatest need of our N. C. Baptist program. Last year, 1950, the Pee Dee Association designated \$1,352.71 for State Missions.

Southern Baptists are in a great Kingdom Campaign. It is not, and it should never be, simply a series of isolated attacks or a program waged by disconnected agencies of the convention. It is a world movement waged through the preaching of the gospel at home and abroad by the whole denomination. It is not a foreign mission task alone, or a home mission task alone, or a State Mission task alone. It is a world kingdom task including all the things and agencies necessary to give a full and comprehensive presentation of Christ and His redemptive work to the whole world.

The approach Christ made to this world task is indeed interesting and illuminating and should not be overlooked by his churches today. His method was from his homeland out. He organized and projected a mission movement designed through the missionaries whom he appointed to preach the gospel of the kingdom to his own people as a preparation for the world task he gave them.

Home Missions

Our Southern Baptist Fathers had that idea when they organized the Southern Baptist Convention. They knew that in order to have the means by which to carry on a world program for Christ, the resources of the homeland must be developed and in order to develop the resources of the homeland, it was necessary to have an agency appointed for that purpose.

Southern Baptists, in one hundred six years, have employed 48,134 home missionaries. Home missionaries have organized 10,012 churches and reported 1,011,134 professions of faith.

In recent years the Convention has added 988,642 square miles of territory to the home mission field and 22,000,000 people. In 1950 there were 754 missionaries plus 271 student missionaries for the summer making a total of 1,025. The missionaries reported 32,600 conversions. In addition there were 293 Chaplains who reported 6,120 professions of faith, and the evangelistic staff reported 5,989 baptisms in crusades which they personally conducted and a total of 9,922 additions to the churches in those crusades.

There are some things necessary if Southern Baptists would succeed in the evangelization of the whole world. Among these are

motives, money and men for the task. Our churches and our people must be inspired to go into all the world with the gospel. But motives, money and men are produced as the fruit of the denomination's life. These things do not grow and ripen spontaneously. They have to be grown. There must be a tilling of the homeland life before we can expect the fruit of motive, money and men with which to carry on the great world program of Christ.

In 1950 the Pee Dee Association designated to Home Missions \$1,583.71. For this world, it is Christ or chaos. We must Christianize it, or else civilization will rot in its own wickedness.

Foreign Missions

The Foreign Mission Board has lengthened its cords and strengthened its stakes in all parts of the world during the past year. Funds for Foreign Mission Advance have enabled the Board to establish new stations in almost every country in which it has work, and in four countries in which Southern Baptists have not been represented before. We have never before had as many foreign missionaries on the field as we have now. Surely the slogan, "THE FIELD IS THE WORLD," has become not only the goal of our people, but also a challenge to them.

The largest number of missionaries ever appointed in one year by the Board was appointed in 1950. This number was 111. This gives a total force of 803 active missionaries. Thirty more have been appointed during the first four months of 1951. These missionaries are serving in 28 different countries. The four new mission fields are Ecuador, Peru, Southern Rhodesia and *Malaya*. A total of 15,620 baptisms reported on the foreign field lengthen and strengthen the Baptist influence in those lands.

The Foreign Mission Board's total receipts for 1950 were \$6,014,909.49. But in 1951, other commitments of the Co-operative Program make it necessary to change the Co-operative budget figures to \$7,000,000 before the excess can go wholly to Foreign Missions. That means that Foreign Mission Advance is stopped unless Co-operative receipts are higher in 1951 than in 1950. In 1950, the Pee Dee Association gave \$2,505.11 for Foreign Missions through designated gifts.

Institutions of Convention

Since we shall hear from representatives of our State Convention and from several of our institutions, we will not take time to give a detailed account of the work of the N. C. Baptists which is being done here in our own state. All of the activities of our denomination, however, deserve and merit our most loyal and generous support.

Let the church remember that with all the work it is doing, its specialty is preaching Jesus to the world. And let Christians remember that whatever else they do, if men do not see Jesus in them, their work is vain. "The need of the world is pressing. The golden opportunities are slipping past. If we go about the work of God with

mental timidity or qualified enthusiasm, we shall make no impression on our generation. Passionate devotion joined with a cool and reasoned confidence—here is a two-edged sword that shall smite and win the victory.”

Let us take the attitude of the Great Apostle as he wrote these words to the Church at Corinth: “Brethren, the time is short.” 1 Cor. 7:29.

Go, Labor on! Spend and be spent!
Thy joy to do the Father's will;
It is the way the Master went;
Should not the servant tread it still?

12. A report was received from G. Carl Lewis, Chairman of the Executive Committee of the Association, which was received and upon the motion of J. Marvin Smith was adopted as follows:

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee of the Pee Dee Baptist Association held three meetings during the year to consider both routine and opportune matters of associational interest. At the first meeting the organizational work of the Association was considered and the following persons were asked to serve as associational officers: Mr. B. B. Covington, Ellerbe, Sunday School Superintendent; and Dr. R. E. Gandy, Jr., Rockingham, Brotherhood Director. Mr. Covington found that he was unable to serve as Sunday School Superintendent and the office has not been filled. It might be added that the Woman's Missionary Union continues its splendid associational program, and the Baptist Training Union, under the direction of Miss Willa Marks, has done outstanding work.

The Committee considered the action taken at the annual meeting of the Association last October in regard to the creation of an Associational Mission Fund, and Mrs. W. M. Dempsey was elected Treasurer of this fund. The Chairman of the Committee communicated with the pastors of the churches in the Association and requested them to encourage the churches to begin sending contributions to the Mission Fund. A number of the churches made contributions and at the close of the summer the fund amounted to approximately \$600.00.

The second meeting of the Committee was held, with the ministers of the Association present, to consider employing Brother Arch McMillan as Associational Missionary. The Ministers' Conference had previously named a committee to discuss the matter with Brother McMillan. All of those attending the meeting were enthusiastic in the conviction that the Lord had opened the door of opportunity in making available one so capable and so consecrated as Brother McMillan. Feeling very definitely that the hand of God is in the movement, the Committee voted unanimously to offer, subject to the approval of the Association in annual session at Cartledge Creek Church, October 23, 1951, the position of Associational Missionary to Brother Arch McMil-

lan, at a salary of \$3,600.00 per year, supplemented by \$900.00 for the expense of operating his car. Brother McMillan accepted the call and began his work October 1, 1951.

At the third meeting the Committee met with Brother McMillan for a general discussion of the Associational Mission work. At this meeting the Missionary delighted and challenged the hearts of all present as he discussed his conviction of God's call to the task and his conception of the mission to be accomplished in strengthening the churches, correlating the organizational activities, and initiating mission work in unchurched areas.

The Executive Committee requests the Association, in session this the 23rd day of October, 1951, to unanimously and heartily endorse Brother Arch McMillan as its Missionary. The Committee further requests each church to do its part in giving financial support to the associational mission program and the Committee suggests that, where possible, contributions be made monthly, beginning immediately.

Respectfully submitted,

G. CARL LEWIS, *Chairman.*

13. A further discussion took place concerning the proposed work of the Associational Missionary, led by the Chairman of the Executive Committee. There was general approval of the action of the Executive Committee in bringing Associational Missionary, Arch McMillan, Wagram, N. C., into the Association.

18. A discussion of the *Biblical Recorder* was led by G. Carl Lewis.

19. Mrs. T. G. Rhyne, Superintendent of the Pee Dee Woman's Missionary Union, submitted as a matter of information, a report of the work of the Associational W.M.U.

REPORT OF ASSOCIATIONAL WOMAN'S MISSIONARY UNION

As I look back over the years remembering the women who have so ably and faithfully served this Association as Superintendent, I feel grateful to our Saviour for giving me the privilege of following in their train, and for the glorious privilege of serving him through the capacity of W.M.U. Superintendent for the Pee Dee Association.

After reviewing the work of the Association for this year we see things that are both gratifying and challenging. Considering the fact that this year we have had only nine months in which to work, and that the Executive Committee is almost entirely new, we feel that our work has gone well.

In April our Annual meeting was held at the Cordova Baptist Church with a good attendance. A very interesting program was presented, after which the new officers were installed. Miss Kathryn Bigham was the guest Missionary and brought the women a very stirring message on her Mission work and the effects that Communism is having on the work of our Missionaries.

We are proud to report that this summer we were able to secure a bus to take a group of women from the various Societies in the Association, down to Camp Caswell during W.M.U. camp week. We felt that every woman attending was benefited by the inspiration, recreation, and information that they received. We hope that next summer we might be able to repeat this offer and that more of our women will take advantage of the opportunity.

On September 25th, under the direction of our new Mission Study Chairman, Miss Mary Livingston, an Associational Mission Study Institute was conducted. This meeting was held with the Spring Hill Church in Wagram. The Institute is for the purpose of teaching teachers to teach. All those who are to teach a Mission Study text to a group in their church are invited. Together with other teachers, our

Associational and State workers they study more effective teaching methods. We hope that because of the Institute, that the next quarter will show an increase in Mission Study classes.

Viewing the work accomplished under the heading ENLISTMENT, we are alarmed by the fact that there still remains four churches in our Association who have no Missionary organization. Pleasant Grove, New Hope, McDonald and Midway. Direct efforts have been made toward organizing two of these churches. We hope that in the near future that these two organizations will be functioning properly.

We are praying that everyone who is a member of a church without a Missionary organization will become concerned about the fact that they are neglecting the thing that is the very heart of our denomination, and that is MISSIONS. We hope also that the churches who have no Young People's Organizations will awaken to the fact that they are not concerned and are sadly neglecting the Missionary Education of their Young People, who will be the leaders of our Missionary Baptist Churches tomorrow.

How we need Christian men and women today who will accept the responsibility of teaching and leading our Young People. Time passes swiftly by and tomorrow may be too late to reconsider the opportunities that are offered you today. Remember that he has said that night cometh when no man can work. I beg of you, if you have failed in your opportunity to organize a W.M.S. or Young People's Organization in your church, that you will go swiftly and obey God's command to "Go ye and make disciples of all nations." It should be the purpose of every Christian to make disciples of those about us. One effective way in which we may do this is through Woman's Missionary Union and its Young People's Organizations.

It would be impossible to show you through reading off a lot of figures just how much has been accomplished in our Association this year. However, I do wish to give a brief statement on the following:

No. of Churches in Association	23
No. of Churches having no organization	4
No. of W.M.S. Organizations	19
No. of Young People's Organizations	37
Total No. Members W.M.S.	1,034
Total No. Members Young People	287
No. Stewardship classes conducted	14
No. Tithers	395
No. Organizations engaged in Community Missions ..	39
No. giving through Co-operative Program	100%

There is always a feeling of regret when we come to the end of a year. Regret that more has not been accomplished. However good the year may have been, there is still the wish that it had been better. We hope that this year will not be the best year yet for the women in our Association.

I am thankful and happy to report in behalf of the many faithful workers in our Association. Certainly I would recognize every Mission-

ary Society President, every Young People's Leader and the efficient Associational officers who have helped make the increase.

We need courage and faith to meet the demands of the day. We must pray more, evangelize more, give more, and serve more this year than ever before.

The words of this little verse should challenge us to do better this year.

"Today is ours.....let's live it
 Love is strong.....let's give it
 A song can help.....let's sing it
 Peace is dear.....let's bring it
 The past is done.....let's rue it
 Our work is here.....let's do it
 The world is wrong.....let's right it
 If evil comes.....let's fight it
 The road is rough.....let's clear it
 The future vast.....don't fear it
 Is faith asleep?.....let's wake it
 Today is ours.....let's take it!"

We praise the Lord for the consecration of our leaders during these days. We shall take courage, rededicate and reconsecrate ourselves that we may go forward! For we are "Laborers together with God."

Respectfully submitted,

MRS. T. G. RHYNE, *Superintendent*,

W.M.U. Pee Dee Association.

Crate Jones, Mrs. K. W. Edwards, Mrs. R. E. Gandy, Jr., W. H. Bogan were named as members of the Associational Executive Committee for the term expiring 1954.

22. G. Carl Lewis mentioned that it had been called to his attention that it would be wise to amend the Constitution to give to the Executive Committee some supervisory control of the associational missionary program, and he gave notice that he would at the afternoon session move to amend the Constitution as follows: That at the end of Article 8 a new sentence be added as follows: "The Executive Committee will supervise the Associational Mission Program between sessions of the Association, subject to approval of the Association."

23. Song, "Leaning on the Everlasting Arm."

24. Dosh J. Long, pastor of McDonald and Roberdell Churches, preached the annual sermon, using as his subject "God's Program for the World," from the scripture: Acts 1; and thereafter closed the morning session with prayer.

Afternoon Session

25. The afternoon session convened at 1:40 following a bountiful dinner served by the members of the Cartledge Creek Church. The audience sang, "At the Cross," after which Arch McMillan, Wagram, led the devotional.

26. The Moderator then recognized representatives from the Baptist schools that were present. They were C. C. Burres, President of Wingate Junior College, Wingate, N. C., and H. E. Jolley, Mars Hill Junior College, Mars Hill, N. C.

27. The message on Christian Education was brought by Jasper L. Memory, Director of the Department of Education of Wake Forest College, Wake Forest.

28. The Association welcomed for the first time, Marsh Grant, Editor of *Charity and Children*, who led the discussion on the North Carolina Baptist Orphanage.

29. The Moderator announced that it was necessary for him to leave the Association on an errand of ministry and requested Vice-Moderator E. N. Johnson, Wagram, to preside. Moderator Willis before leaving pointed out that he had served as Moderator of the Association since 1943. He expressed his gratitude for these years of service, but felt that the Association should at this session elect someone else.

JAMES BAXTER TURNER

To Whom the 1952 Pee Dee Baptist Minute Is Dedicated

James Baxter Turner was born April 15, 1886, in Bayboro, Pamlico County, North Carolina. He married Miss Ruth Quattlebaum of Aiken, South Carolina on December 30, 1919. Surviving are his widow, who now resides in Raleigh and three sons, Capt. James B., Jr. of the U. S. Marine Corps Eugene H., Portsmouth, Virginia, and Thomas J. of Wake Forest.

He attended Buie's Creek Academy, now Campbell College, afterwards entering Wake Forest College and there received his B.A. degree in 1907 and his LL.B. degree in 1911. Upon his decision to enter the ministry, he studied at the Southern Baptist Theological Seminary, receiving his Th.D. degree in 1916. Soon thereafter he assumed the pastorate in Beaufort, S. C. In 1917 he joined the Army Chaplain Corps and while overseas served with the 129th Infantry of the 30th Division. Returning, after two years, he served for one year as Alumni Secretary for Wake Forest College. Thereafter he assumed the pastorate of the Immanuel Baptist Church, Greenville, South Carolina. In 1922 he accepted the pastorate of the First Baptist Church in Albany, Georgia. After this pastorate, he accepted a call to the Hayes Barton Baptist Church, Raleigh, North Carolina. Under this pastorate, he accepted a call to the Hayes Barton building was erected. From this pastorate he went to the First Baptist Church, Griffin, Georgia and served there for 13 years. In 1942, he returned to North Carolina, as pastor of the First Baptist Church in Laurinburg where he served until his retirement on May 31, 1952.

Genial Jim Turner studied for the law both at Wake Forest and Mercer University and received his Law License from the State of Georgia, but never practiced the profession of law, instead he entered the Baptist Ministry. He served North Carolina Baptists as well as the Southern Baptist Convention with sincere fidelity. His unflinching love and devotion to the work will never be forgotten. His death occurred at his home in Raleigh on June 27, 1952, with the interment in the Montlawn Cemetery in that city.

ASSOCIATIONAL REPORT FOR THE PEE DEE ASSOCIATION

Our Association continues to move forward in carrying out the Great Commission of our Saviour: "Go ye into all the world and preach the Gospel to every creature." In the 23 churches of our Association there were 379 people baptized and received into the fellowship of the church. We now have a total membership of 7,003 compared to 6,747 last year. Total gifts for the year for all causes totaled \$236, 661. The total gifts for last year for all causes totaled \$248,607.

Co-operative Program

The Co-operative Program continues to win the favor of the churches. They have given more for all missionary, educational and benevolent causes through the Co-operative Program during the past year than ever before in their history. Southern Baptists have made remarkable progress in teaching and training, in evangelism, in education and benevolence, in missions, and in stewardship. But we have only "touched the hem of the garment."

We need to make still further advance in all fields. But the most

urgent need for advance today is in stewardship. How else shall we answer the calls of need in home mission and foreign mission fields? How else shall we meet the pressing needs in Christian education, hospitals, children's homes and state missions? The average per capita gift among Southern Baptists amounts to less than ten cents per week for missionary and benevolent causes, and less than sixty cents per week for all causes. There is room for improvement. We have reached the point where we must make advance in stewardship or we shall go backward.

The Pee Dee Association designated \$17,222.85 in 1952 compared to \$15,980.76 in 1951.

State Missions

The goal and objective of State Missions still remains: "NORTH CAROLINA MUST BE CHRISTIAN."

In order to accomplish this great purpose the State Mission program embraces many activities, and these may be stated as follows:

- S Sunday School Work
- T Training Union Work
- A Assemblies
- T Teaching Activities (Visual Education, Radio, Etc.)
- E Evangelism

- M New and Needy Churches
- I Work among the Indians
- S Schools for Ministers
- S Work among Silent People
- I Interracial Activities
- O Other Activities—Allied Church League, Rural Church, Etc.
- N Neglected Areas (Lots for New Churches)
- S Student Work among 15,000 Baptist Students

The Pee Dee Association has contributed to this phase of the Baptist Program in 1952 \$2,028.91 compared to \$1,582.95 in 1951.

Home Missions

Last year home missionaries reported 36,390 professions of faith in response to their 99,033 sermons. The evangelistic crusade in the south-eastern states led by the Department of Evangelism of the Home Mission Board resulted in the greatest number of baptisms ever reported in the churches in the area. In 1952 evangelism has turned toward smaller units for crusades by districts and associations.

In the Department of Direct Missions 344 missionaries, serving those who are shut off from the gospel by barriers of distance, racial distinction, language, and social and economic differences, won 6,767 converts. Each missionary in the department must serve an average of 27,000 people.

Southern Baptist now have 402 active chaplains to serve the estimated

355,000 Baptist men and women in the armed forces. The chaplains reported 10,464 professions of faith in 1951.

The Student Summer Mission Program enlisted 305 students to assist regular missionaries during the summer months. They served on a thousand mission fields and reported 3,826 professions of faith and 1,030 surrenders for special service.

A total of 1,170 missionaries served the Home Mission Board last year. The Board has work among the Chinese, the deaf, French, Indians, Italians, Japanese, Spanish-speaking, and the service of Good Will Centers, Rescue Homes, and the Emergency Home in the field of direct missions. In other departments the Board has ministry among the Jews, the Negroes, ranchers, and migrants. Through the Department of Co-operative Missions the Board serves in mountain missions, the rural church program, and city missions. Through its Departments of Evangelism, Education, Schools of Missions, and the Outposts various types of service are rendered in many avenues; while ten general field workers spread their services over the whole Convention territory. The Chaplains Commission, The Board's radio ministry, and its Church Building Loan Funds all minister to the spiritual needs of our people.

The Pee Dee Association contributed to this great cause during the past year the amount of \$1,819.24 compared to \$2,882.84 in 1951.

Foreign Missions

Feeling that through our Home and State Missions programs we are preaching the Gospel in Jerusalem first, we believe that through our Foreign Mission Program we are preaching it in Judea and Samaria also. We now have over 800 missionaries serving in the Foreign fields. May we pray, work, and contribute to the end that we may have many more missionaries on foreign soil. It is cheaper to send soldiers in the name of Christ than it is to send them in the name of our country.

In 1952 the Pee Dee Association contributed to the work of Foreign Missions the amount of \$3,583.13 compared to \$3,169.60 in 1951.

Institutions of Convention

Leaving to the representatives of our institutions who are present today to give detailed reports, I'll make mention only of what our Association has contributed to each. The contributions are as follows:

Christian Education, \$5,161.85; Orphanage, \$6,082.47; Hospital, \$2,778.11; Total, \$14,022.43. This total of \$14,022.43 is to be compared with the sum of \$14,517.96 given in 1951.

As we take pride in the progress that our Association and southwide convention is making, let us keep in mind the words of the Scripture: Christ speaking: "The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest." Let the words of the Scripture be a challenge to us and let us strive to do more in this year than ever before for our Master.

9. Arch M. McMillan, Wagram, the Associational Missionary, completing his first year of service as Associational Missionary, after a brief inspirational message, reported these activities during the year:

10. The report of the Executive Committee was made at this time by W. H. Bogan, Hamlet.

REPORT OF THE EXECUTIVE COMMITTEE

The Committee has held regular quarterly meetings through the year. At its meetings reports were received from Arch M. McMillian, the Associational Missionary. All projects and a great many details have been considered and counsel and assistance given when possible.

A calendar of activities and a schedule of associational meetings were adopted at the January meeting. A visit was also made to the Associational Missionary's office and it was noted that a good beginning in equipment and effective organization had been made. The Committee has recorded in its minutes wholehearted approval of the work of the Associational Missionary.

The former Treasurer, Mrs. W. M. Dempsey, having removed from the Association, W. Charles Barrett, Laurinburg, was elected Treasurer. The treasurer's report has been received and passed on to the churches. The new treasurer has set up a complete bookkeeping system and has made prompt and clear reports to the committee and the cooperation of the churches has been good.

The Training Union Central School and Deacons School has been the big project sponsored during the year. Its meetings were successful. All of the work of the Associational organizations have been prayerfully considered and separate reports will be presented to the Association. There is a feeling of gratitude for the accomplishments, yet a realization that a great deal awaits our efforts during the coming year.

The Executive Committee, after careful consideration, has reached the conclusion that it would be in the best interest of the Association to hold a spring session of the Association for the consideration of local church and Association work, and the regular Associational meeting to be held on the usual date, Tuesday after the third Sunday in October of each year, and to that end notice is hereby given to amend Article 7 of the Constitution by striking out the word "once" and inserting "twice" and in the same line change the word "time" to "times" and the word "place" to "places."

11. A. L. McGee, Cordova, gave notice that he would offer an amendment at the afternoon session to ammend Article 3 of the Constitution as follows: That the period at the end of Article 3 be changed to a semi-colon and this language be added: "Provided, that the Moderator shall be elected for not more than two years."

Song, "Am I a Soldier of the Cross."

12. With John G. Hass, Vice-Moderator, presiding, James M. Hayes, Winston-Salem, Superintendent of the North Carolina Baptist Home for the Aging, reported that the home "Resthaven" was filled to capacity with twenty residents. He pointed out that there were close to five hundred inquiries and if space was available the home would have two hundred instead of only twenty. He indicated that if the home for the aging was to meet the demanding needs the Baptist State Convention would have to give greater support.

13. The Moderator, having resumed the chair, he introduced Claude F. Gaddy, Raleigh, Executive Secretary of the North Carolina Baptist Council on Christian Education, who brought the message on Christian Education. He was joined in this discussion by George Griffin of the Wake Forest College Department of Religion and President C. C. Burris, Wingate Junior College.

14. Richard K. Redwine, Director Caswell Seaside Assembly brought the message on the Co-operative Program.

15. Several times during the session attention was called to the beautiful new church at Pleasant Grove where the Association was meeting. It was noted that R. D. Riggins, Rockingham, who had served faithfully as Pastor since March, 1944, had resigned the work as pastor and that Ben Ingram of Coker College, Hartsville, S. C., was serving as Interim Pastor and he was at this time recognized and given a cordial welcome.

16. The Association sermon was delivered by Crate R. Jones, now

serving Cartledge Creek and Saron Churches. He used as his topic "Witnessing Through Confession" from the scripture Romans 10:1-15. He closed the morning session with prayer.

Afternoon Session

17. At 1:30 following dinner served by the members of Pleasant Grove Church, the Association convened for the afternoon session with the singing of "We've a Story to Tell to the Nation."

18. The scripture and prayer was offered by Wade A. McKnight of the Mount Olive Church.

19. The Womans Missionary Union was represented by the Superintendent, Mrs. T. G. Rhyne, Ellerbe, who submitted the following report:

REPORT OF ASSOCIATIONAL WOMAN'S MISSIONARY UNION

Because of a deep sense of mission to a lost world and the sincere desire that the plans and purposes of Woman's Missionary Union might crown Christ Lord of all, we have used as our hymn this year "All Hail the Power of Jesus' Name." Our watchword has been these words from John 1:29. "Behold the Lamb of God, which taketh away the sin of the world."

The Annual meeting of W.M.U. convened with the First Church Rockingham this year, using as the theme for the day's program "The Power of Jesus' Name." One hundred fifty women from sixteen churches came to "Crown Him" on that day. Our guest speakers gave us so much information and inspiration that we all felt that the meeting was successful.

We rejoice that members of W.M.U. this year, through prayer and personal witnessing, were revitalized themselves and had the joy of seeing lost people come to Christ through our Community Missions program. 898 women have participated in these activities. Not only have our women been active in Community Missions, but they have led the Young People in this phase of the work also. We have been emphasizing soul-winning and alcohol education.

This year our women and young people have been better informed about what Southern Baptists are doing to meet the needs around the world and what she personally can do about them. We have had 38 Mission Study classes reported, with 678 members reading a Mission Study book.

Because we have been better informed of the needs, we have been led to give through our Stewardship program. We were happy that under the direction of our Mission Study Chairman, Mrs. C. A. Gillis that 5 churches met together and studied a book on stewardship. This year we gained 63 tithers among our W.M.U. members in the Association. It has been said that were it not for the money given to Missions through the W.M.U. that the Mission Program of Southern Baptists would go

lacking. This year our women in the Pee Dee Association have found joy through giving the following amounts to these quarterly offerings.

Annie Armstrong offering for Home Missions....	\$1,229.32
N. C. Heck-Jones Memorial Offering.....	565.35
Lottie Moon Offering for Foreign Missions.....	2,275.04
State Missions Offering.....	694.13

In addition to these we are proud that almost 100% of our members gave regularly through the Cooperative Program. Surely through our gifts to Missions we can have a part in Crowning Him Lord of all to all men everywhere.

Since the W.M.S. is the Mother organization we have continued fostering Sunbeams, G.A.'s, R.A.'s, and Y.W.A.'s throughout the Association. We have reported this year 7 new Young Peoples organizations. Late in September Mrs. R. E. Gandy, Associational Young Peoples Leader, gave a dinner for all Y.W.A. girls of the Association. At this dinner a Y.W.A. Council was organized which will function very much like our W.M.U. Executive Council.

As we have worked with our Young People this year we have desired to help them live today as they plan for tomorrow. For certainly working with youth means building for tomorrow.

This is a brief summary of the activities of the Association. How grateful we are for the accomplishments of the past year, but how urgent and sadly unfinished is our task! We deeply regret that all our aims and goals for this year were not attained. There is much to be done in our Association, and we realize the tremendous task that confronts us. We of ourselves can do so little; but with God all things are possible.

We hope that as we go about our work this year that each member will remember these words.

“Our call is to a new joy in the task—not the task new;
but light to make it shine in a new way.”

Respectfully submitted,

MRS. T. G. RHYNE

Associational Superintendent

20. A discussion of religious literature and in particular *The Biblical Recorder* was made by G. Carl Lewis, Rockingham, who serves as a director of *Biblical Recorder*. It was pointed out that the *Recorder* has a circulation of 51,081, yet it was noted that several church in the Association were not supporting the generous subscription plans that were available. The churches were encouraged to join the club subscription plan.

21. A challenging report was brought by W. K. McGee, Winston-Salem, representing the North Carolina Baptist Hospital. It was noted here and during the consideration of the Co-operative Program that the churches had not fully supported the new hospital wing which the Baptist State Convention had underwritten at the special Charlotte Convention

called for this purpose. The churches were encouraged to assume a larger share in this ministry of healing.

22. A warm welcome was extended Miss Lucille Reed, of the Mills Home, Thomasville, who came as representative of the North Carolina Baptist Orphanage. Her message was received with much appreciation.

23. In reporting on the Baptist Brotherhood, Ralph E. Gandy, Jr., Rockingham, Director of the Associational Brotherhood, reported increased interest in the work of the men throughout the Association and that there were 9 churches with Brotherhoods, with a total enrollment of 397 and that these churches held 241 meetings during the year.

24. The Baptist Radio Hour was reported on by Joe H. Smith, Hamlet. He pointed out that in the death of S. F. Lowe, the first moving spirit in pushing the radio program throughout the Southern Baptist Convention, was mourned throughout the Southland. The report indicated that radio activities continue to grow and that some 300 stations are now carrying the Baptist Hour every week, and that the program is heard in 27 states, five foreign countries, with an estimated audience of four million listeners a week. The ministers were urged to commend to their membership the Radio Hour which is brought to the Pee Dee section over Station WEWO, Laurinburg, at 5:00 p.m. each Sunday.

25. A special message was brought by C. C. Drye, Marston, on the American Bible Society. Attention was called to the splendid support in 1951 when Southern Baptist Churches gave \$90,909 to the Society of which \$9,643.76 came from the churches of the North Carolina Baptist Convention.

26. Charles B. Deane, Rockingham, Clerk of the Association made a brief report and called attention to the digest of Church letters, see page 26. This report, he indicated shows a decrease in baptisms of 14 in 1952 compared with the total of 393 in 1951. Total contributions showed a decline in 1952 of approximately \$11,946 as compared with 1951. However an increase of \$8,042 in mission gifts was noted in 1952 as compared with 1951.

The Clerk pointed out that since the last meeting of the Association two ministers who had served the Association for many years, B. K. King, Pastor at Bethel and James A. Turner, Pastor at Laurinburg, First, were deceased. He called attention to the 45 members of the various churches who were listed among the "Home-Goers." See page 27.

In closing the report, the Clerk pointed out that he was elected Clerk of the Association in 1927 and with the close of this session he would have served 25 years as Clerk. It was his feeling that a quarter of a century was a long time and that while he was not quitting he felt that the Association should in the election of officers name a new Clerk.

27. W. Charles Barrett, Laurinburg, Treasurer of the Association submitted the following report of receipts and disbursements as of September 30, 1952:

ASSOCIATIONAL REPORT FOR THE PEE DEE ASSOCIATION 1953

Through willing cooperation our churches are a part of a South-wide convention that has a world reach. It is a grateful privilege to help make up that group which has the needs of others at heart. Looking at our totals we move near the edge of pride; but a comparative glance will humble us and send us into humiliation. However, an honest appraisal of our work may create a desire within us to strive a little harder in the greatest work in all the world. For 1952 we had 28,865 churches in our territory with a membership of 7,634,493. Our total gifts amounted to \$248,004,289.00 with \$45,822,830.00 going for the cause of missions. This sounds very fine until we remember we baptised only 354,384 people which means it took around twenty Christians to reach one for Christ. Our financial side makes a good appearance until we see the per capita giving—for the total is \$32.48 per year, or about .64 cents per week.

Our mission giving is \$6.00 per year, or about 11½ cents per week. Our mission zeal seems to cool just a little when we think of the amount we give to support it.

We have a total of 23 churches in the Pee Dee Association with two new ones soon to join us. We are looking forward to the association with Pine Grove and Laural Hill which shall materialize soon. In the twenty-three churches there are 7,027 members. We baptised 296 people which is about 24 to one. Our local contributions amounted to \$266,236.00, with \$55,208.00 going for mission causes. The total for all causes is \$342,221.00. This is a good increase over 1952 when we gave to local work \$187,652.00 and to missions \$49,009.00 for a total of \$236,661.00. This makes an increase of \$105,560.00. We are grateful for these added blessings, but our hearts hurt a little when we find that we have reached fewer people for the Lord than we did last year. In 1952 we baptised 379 as against 296 for this year. May we not lose sight of the purpose of all of our working, praying and giving—namely people.

Co-operative Program

The co-operative program is well known to missionary Baptists. There is no other way known to us that enables us to sit at home and yet play such an important role in the shaping of world conditions. May we catch the right emphasis in this program. We do not give to the cooperative program, but we give through it. It is a giant river that has tributaries running to all parts of the needy world. When we give our money, we are giving "coined person" as someone has said. That means that the giver becomes a preacher, a teacher, a missionary, a doctor, and a participant in all the other areas of our work. Through it each of us is multiplied a thousand fold. God has increased our vision in the Pee Dee Association for this year. Our people contributed a total of \$21,416.42 as compared to \$17,222.85 for 1952. That gives a net gain of \$4,193.57 for the year. May those of us who believe in it help to teach the hearts of others who as yet have not seen the light.

State Missions

Not only do we as missionary Baptists engage in associational work, but we reach out to every area of our state of North Carolina. Through about eighteen different activities we help to carry out the commission of Jesus to preach, teach, and heal. Many people are in the Kingdom of God, because there is such a program as State Missions within our scope. Needs are being met through the contributions of the people and through the willingness of dedicated lives that God is using in a fine way. At least \$375,000.00 is needed to do the job. About \$175,000.00 will come through the co-operative program, so that leaves \$200,000.00 that God will have to send through designated gifts. When viewed from this overall point of view the amount from the Pee Dee does not show up so well. This year we have given \$2,335.51 as compared with \$2,028.91 for 1952. An increase of \$306.60. There are two ways in which we can help meet this need. One is through increased co-operative program

giving and the other is through special emphasis on the special offering that is taken. A wise person said, "if a man knows missions, he will not oppose missions." Let us inform our people which will cause them to want to have a larger part in something so fine.

Home Missions

To love our state and not our southern territory would be a limited and selfish type of love, so our hearts reach out to help in the work of the home mission board. We are always advancing into new territory and finding new opportunities for service. As the needs arise our missionary spirits seek to meet the challenge. We have 1,274 workers under the direction of the Home Missions board who work with every type of situation. They are with the foreign speaking people of this country, the deaf people, and serve in Alaska, Cuba, and the Panama Canal Zone. Their work covers promotional work such as visual aids, news, magazines, recordings, and such. There are rescue missions in overlooked sections of our cities such as the French quarters of New Orleans. The mission in this particular section has been in existence for twenty-five years. The Gospel has been preached every day since its establishment. In 1952 there were 365 sermons preached with 277 professions of faith. The attendance was 19,469, and out of that group there is no telling this side of eternity how many lives have been changed through the hearing of the Word. There were reported 130,632 personal contacts by our Home Mission workers, with 30,565 conversions. Through our gifts we had a part in making possible their salvation. Besides the proportionate amount given through the co-operative program, the Pee Dee gave \$2,165.10 for this year against \$1,819.24 in 1952. An increase of \$345.86.

Foreign Missions

Branching out from Home Missions we find ourselves in foreign countries. We begin to discover the Christian heart is large enough to beat in Christ-like concern for all of God's family whether sons by creation or by adoption. Our percentage of missionaries on the foreign fields is not too impressive in comparison to the number of Southern Baptists at home. We have nearly 8,000,000 holding the lines for 879 who have responded to the call of God to go to other lands. There are others who are waiting to go, but because we have not had a strong enough vision in our giving they are unable to do the work that God has laid upon their hearts. The Foreign Mission board received about 13½ million dollars from all sources for 1952. Of this amount a little over 7½ million came from the States in the Southern territory. We love Foreign Missions to the tune of per capita giving of about one dollar per year, or less than two cents per week. In spite of our small giving we are represented in 32 different places around the world. As we are told, "The sun never sets on the co-operative program dollar." This year the Pee Dee gave \$5,693.95 in designated offerings against \$3,583.13 for 1952. This is a marked increase of \$2,110.82.

Institutions of Convention

There are many gifts sent to the various institutions within our state. To name some of them, we find Christian education, orphanages, hospital, publications and such. All of them are worthy of our support and deserve a great deal more than we are giving. Through the co-operative program, State Missions, Home Missions and Foreign Missions the Pee Dee Association gave \$31,610.98, but to all mission causes outside of the local work we gave \$55,208 which means we gave to these other institutions \$23,597.02.

Our task is great, and may God enable us to learn how to lay our hearts upon the altar in complete surrender that the giving of our means will be a real pleasure.

Respectfully submitted,
CRATE JONES

11. James M. Hayes, Superintendent of our Home for the Aging, was scheduled to speak during the afternoon session, but in view of his having to leave soon to attend another Associational meeting, was recognized and brought a most informative discussion relative to this phase of our endeavor. Brother Hayes mentioned the splendid manner in which individuals and businesses are responding to the needs of "The Home," including the new unit at Albemarle, now being made ready for occupancy.

12. Crate Jones, Chairman of the Executive Committee, next submitted his committee's report, as follows:

REPORT OF EXECUTIVE COMMITTEE

Your Executive Committee has tried to meet from time to time to carry out the needed work, but many of our members have been unable to attend. We need to keep this in mind and perhaps contact those who may possibly become members of this important committee. We feel that we have a responsible position to fill, and much of the Association's work and promotion depends on a functioning committee. Thanks to a good Associational leader in our faithful Missionary, we have been able to move forward and accomplish a few things.

Our largest and most successful undertaking of the year was our school of Missions. This met with the approval of nearly all of our churches and was supported in a wonderful way. This activity has made a great contribution to our churches, and is responsible for an increased missionary emphasis, resulting in more financial support of the work.

Report of School of Missions

Total Income (20 churches).....	\$1,081.34
Total Expenses.....	783.89
Balance on Hand.....	<u>297.45</u>

It is recommended that $\frac{1}{2}$ of the above balance be given to the co-operative program and $\frac{1}{2}$ to be applied to the fund to be used to purchase a lot adjacent to the lot previously purchased for the Laurel Hill Mission of the First Church, Laurinburg, \$148.73 to each cause.

It is also recommended that \$49.27 be taken from the Associational Treasury and given to the above mentioned fund, to complete the amount needed to buy the additional property.

The committee decided that a "Missions Committee" of three members is needed, such a committee to be appointed from the new Executive Committee.

Our committee approves the plan of our Associational Missionary to have a simultaneous association-wide Sunday School enlargement campaign in the Spring of 1954. At the approval of the committee and the request of Sunday School Superintendent, A. L. McGee, it is recommended that this project be presented to the Association in the form of a recommendation.

It was also planned that we would cooperate with the simultaneous revivals in 1955.

The Executive Committee recommends that the Pee Dee Association approve the appointment by the Moderator of a committee of three to study our associational organization, with special consideration of the following points:

- (1) The desirability of having a General Board for the Association, with the Pastor and one additional member from each church.
- (2) The desirability of having Associational Trustees, empowered to hold property.
- (3) What constitutional changes these recommendations might entail.

Motion was made that report be adopted. E. N. Gardner offered an amendment to the motion, that action on the report be deferred until the afternoon session. The amended motion was carried by a majority vote.

13. Arch McMillan, our Associational Missionary, who has done a splendid bit of work in this phase of our activity during the two years with our Association, spoke next regarding his work and presented the following report:

A motion was made by Horace Kinney, duly seconded and carried that the foregoing report be approved. Along with his report, Mr. Barrett submitted his resignation as Treasurer of the Association, for which the Moderator expressed his and the Association's regret at losing such an efficient treasurer, and also our sincere appreciation of the splendid manner in which Mr. Barrett had filled his office.

15. At this time, and upon the request of the Moderator, the Chairman of the Executive Committee, Crate Jones, re-read the recommendations of his committee.

16. One of the most interesting, informative and inspiring messages ever heard by the Association was brought by Dr. H. W. Tribble, President of Wake Forest College. Dr. Tribble's subject was, "Christian Education" and he gave a great report on the college and her many activities, dwelling at length on the Enlargement Campaign. It is gratifying to know, and certainly in keeping with the long established Christian ideals of Wake Forest, that the first Building erected on the

new campus is a chapel. Dr. Tribble stated that the college expects to move to their new campus during 1955.

17. Rev. R. K. Redwine next spoke on the Cooperative Program and emphasized that our various institutions belong to us and are our responsibility, and that their services are carried on in the name of Christ and touches practically every life in the State. Brother Redwine made reference to the work of our Southern Baptist Convention, our Foreign and Home Mission Boards, our several great seminaries and hospitals and other agencies, and reminded us that our weekly gifts are allocated to these agencies under the cooperative plan.

18. Following the singing of the hymn, "My Faith Looks Up To Thee," the Association sermon was delivered by A. L. McGee, who used the topic, "Christian Missions in a Changing World." He closed the morning session with prayer.

Afternoon Session

19. Following a most bountiful dinner, served by the ladies of Cobb Memorial Church, the Association reconvened for the afternoon session. After the singing of the hymn, "Stand Up, Stand Up, For Jesus," J. W. Meares, pastor of the East Laurinburg church, conducted the devotional part of the program by reading from the twelfth chapter of Romans, after which he offered prayer.

20. E. N. Johnson offered a motion to rescind the motion made during the morning session dealing with the appointment of a nominating Committee to nominate associational officers.

21. Charles B. Deane made a motion, which was duly seconded and carried, that the nominations be placed on the Clerk's desk, to be voted on just before closing the meeting.

22. Horace Kinney introduced Arnold Smith, Chaplain at the Baptist Hospital, Winston-Salem, who spoke on the various activities there, and based his remarks on Matthew 4:23.

23. Rev. C. W. Bazemore, Associate Editor and Circulation Manager of The Biblical Recorder, spoke to the Association on the subject, "Christian Literature."

24. Rev. Isaac Terrell, Pastor of the Orphanage Church, brought a most interesting and inspiring report of the great work being done at this fine institution in which Baptists take so much pride.

25. Dr. Budd Smith, President of Wingate Junior College, spoke on the program now under way at Wingate. So eager were our messengers to hear Dr. Smith that the Association voted unanimously to give him what time he needed to make his report, even though the program was running behind schedule.

26. Mr. W. B. Biggerstaff, representative of the Allied Church League, spoke briefly concerning the work of his great organization.

27. Arch McMillan made a motion that the recommendations made

by the Executive Committee during the morning session be approved, except that the words, "Enlarged Executive Committee" be substituted for the words, "General Board," as indicated in the Committee's report. Motion was duly seconded and carried. It was agreed that the newly elected Moderator would appoint this committee and notify them by mail.

28. A motion was made by Eugene Deese, duly seconded and carried, that the newly elected Moderator appoint a Committee on Committees and instruct same to bring their recommendations on the five committees to the Spring meeting of the Association. The members of this committee will be notified by mail.

29. The Committee on Resolutions, represented by Chairman Clifton Tuttle, made the following report:

"We, the Committee on Resolutions, wish to express our sincere thanks for:

1. The warm spirit of fellowship and hospitality on the part of the Pastor and people of Cobb Memorial Baptist Church.
2. The bountiful meal that was provided for all.
3. The contribution of everyone for making this day a good one for the Lord and our Association."

30. The committee on Time, Place and Preacher, represented by its Chairman, Joe H. Smith, recommended that the Spring session be held on Tuesday following the third Sunday in April, 1954, with the Cordova Church, with Clifton Tuttle as preacher and William Currie as alternate. The committee also recommended that the 1954 Fall session be held with Ellerbe Church on Tuesday following the third Sunday in October, with Billy Rivers as preacher and Howard Price as alternate. The recommendations of this committee were unanimously adopted.

31. The committee on Reception of New Churches, consisting of E. N. Gardner, J. B. Willis and Arch McMillan, reported through its Chairman, E. N. Gardner, and recommended that Pine Grove Baptist Church be received into the fellowship of the Association. Brother Gardner put the recommendation in the form of a motion, which was seconded by E. N. Johnson. The motion was unanimously carried. The Moderator called the Pastor of this church, George Langley, and their messengers to the front of the auditorium, where he gave them the right hand of fellowship, expressing the joy of the Association in having them become one of us, and requested that they take their seats in the front pews in order that those present might also extend the right hand of fellowship following the closing prayer.

32. Maxcey King, Clerk of the Association, gave a brief report and called attention to the increase in gifts but deplored the noticeable decrease in baptisms.

33. Dan Gore, Chairman of the audit committee, reported that his committee had examined the records of the Clerk, had verified all re-

ceipts and disbursements, and found same to be correct, and made a motion that their report be adopted. Motion was carried. Following is the Clerk's financial report:

Spring Session

SPRING SESSION

April 28, 1953

FIRST BAPTIST CHURCH OF LAURINBURG

The idea of a mid-year session of Pee Dee Baptist Association became a reality with the first such meeting on April 28, 1953, with the First Baptist Church of Laurinburg.

1. G. Carl Lewis, Moderator, called the session to order at ten o'clock, adopting as the theme of the meeting, "Christ Building His Church."

2. The Moderator called attention to the printed program, and upon motion by John G. Haas, which was duly seconded and carried, same was made the official program of the session.

3. The Moderator instructed the Clerk, H. Maxcey King, to call the roll of the churches, and it was noted that of the twenty-three member churches, nineteen had sent messengers. A motion was made and duly carried that the messengers present and any who might register during the session compose the association for the transaction of business.

4. Following the singing of the hymn, "The Church's One Foundation," Clifton Tuttle read the scripture and offered the opening prayer.

5. At this time the following new pastors were introduced to the Association:

Howard Price

Cliff Tuttle

E. N. Gardner

Harold House

Pleasant Grove

Roberdell

Laurinburg, First

Laurinburg, First

6. The Moderator extended greetings to the messengers and visitors.

7. It was noted that the program of this session followed the line of Associational endeavor, leaving the discussion from a Statewide standpoint until the Fall session.

8. A. L. McGee, Superintendent, gave a most encouraging report of our comparatively new associational Sunday School organization. Following is Brother McGee's report:

SUNDAY SCHOOL REPORT TO THE PEE DEE ASSOCIATION

April 28, 1953

I am happy to report to the Pee Dee Association that we now have an Associational Sunday School Organization. This organization would never have become a reality without the cooperation of the pastors,

Sunday School superintendents, and other Sunday School minded people throughout the Association.

We have been fortunate in securing the service of the following people to assist us in this important work: Supt. of Evangelism, C. O. Funderburk; Supt. of Training, Tyler Dunn; Supt. of Enlargement, Walter Pope; Supt. of Vacation Bible School, Mrs. Ralph Gandy; Secretary-Treasurer, Miss Aubrey Dabbs; Nursery, Mrs. Claude Stewart; Beginner, Miss Mamie Odom; Primary, Miss Evelyn Marks; Junior, Mrs. V. H. McIntire; Intermediate, Mrs. A. A. Williams; Young People, C. M. Farmer; Adult, K. L. Dawkins. You will notice that our Association is fully organized except for the Cradle Roll Department and the Extension Department. We hope to have someone filling these important positions as soon as possible.

We have had two meetings of our Sunday School officers this year at which time the officers discussed and made plans for our general Sunday School meetings. These meetings of the officers have proven to be very worthwhile. Also, we have had two general meetings during the year. Attendance at these meetings has been very good. At the first meeting, the attendance was 260 with every church in the Association represented. Attendance at the second meeting was 312 with every church again represented. I feel that this is a testimony of the interest being shown by all the churches of the Association in the Sunday School work.

Your Associational Sunday School officers pledge themselves to join hand and heart with our State Sunday School organization and our South-wide organization and their affiliates in reaching a "million more in '54." We solicit the help of any and all who will assist us in this great endeavor.

Respectfully submitted,

A. L. McGee

Associational Sunday School Supt.

9. Mrs. T. G. Rhyne, Associational W.M.U. Superintendent, brought a most inspiring report of the work of her organization, as follows:

REPORT OF ASSOCIATIONAL WOMANS MISSIONARY UNION

Each time I bring you a report of the development and activities of the W.M.U. in our Association, I am ever mindful that behind each accomplishment are the lives of many individuals who have invested time, energy, means, and personality to the end that Christ might be shared with others. It is a privilege of the Associational Superintendent to bring into one account our experiences of the past months. Every woman who has participated in a Woman's Missionary Society has had a vital share in the information I present. We sincerely appreciate the leadership of every local W.M.U. officer and the encouragement and cooperation of their pastors. Above all, we realize that only as God has been allowed to work through us have the accomplishments been possible. To him we owe the greatest debt of gratitude.

During the past months definite growth has been made in enlistment. Two new Missionary Societies have been organized, making a total of 21 Societies in our Association with only 2 churches remaining unorganized. Special recognition and thanks are due Mr. Arch McMillan, Associational Missionary, to whom we give the credit for organizing these two new Societies. They are at Midway and McDonald.

We have gained three new Young Peoples organizations. In order that our Association might reach the A-1 attainment we must organize before October 1, 1953, 3 Y.W.A.'s, 3 Sunbeams, 3 G.A.'s, and one R.A. Have you done your part toward organizing one of these in your church? Everywhere today we are confronted with the problem that there is no one to accept the responsibility of teaching and leading our Young People. We feel that the Missionary Organizations are especially important in that they receive information that goes toward keeping our churches Missionary Baptist Churches. We cannot afford to neglect teaching our leaders of tomorrow about this thing upon which our denomination is founded.

An informed people is an alert people. Thus we think that because of our school of Missions and the increase of number enrolled in the class and attending the Missionary lecture that we are all more aware of the Missionary challenge. I believe that before our October meeting these Young Peoples organizations will be organized.

One of the greatest joys of the year is the W.M.U. camps at our Baptist Assemblies. We have set a goal of 50 to attend the W.M.U. Conference at Caswell July 20-24. Have you made your plans yet? Fruitland July 7-9, Ridgecrest Aug. 6-12.

19 Societies observed the Season of Prayer for Foreign Missions and 19 observed the Season of Prayer for Home Missions. These seasons of prayer always increase gifts to the special offerings. The Woman's Missionary Societies of our Association gave \$4,542.84 to the Lottie Moon Christmas Offering and \$1,458.59 to the Annie Armstrong Offering.

The theme of our Annual meeting on March 27, was "Come Women Wide Proclaim." We met with the Cobb Memorial Baptist Church. Fortunate we were to have Miss Vivian Nowell, now of Nigeria, as our guest Missionary. Miss Ruth Provence, our Executive Secretary, made us realize our opportunity of reaching those who are not yet His followers. The meeting was well attended and the presence of the Master was felt by those present.

We were glad to see several of our pastors attend our Annual Meeting. May I remind each of you pastors again just how much it means to the women to have you show an interest in our work. Woman's Missionary Union has always been an Auxiliary. We do not ask for the first places of leadership, but that we might be a helper to those who are first in leadership. It is gratifying to us to see our pastors show enough interest to attend our Associational meetings. I wonder how many of you have ever attended, without special invitation, a general

meeting of the W.M.U. in your own church? Why not surprise your women by dropping in occasionally? Try it and see if you don't help to plant new zeal and enthusiasm just by this act of encouragement.

As we look toward the goals of the months ahead we realize they are great and that many things will happen to discourage us. But I am reminded of the words spoken by Miss Annie Armstrong whose motto was "Ever forward." "I have always found," she said, "that, if one will go forward in faith, she will find the stone rolled away."

There is much that needs to be done. We are looking forward to greater things in the months ahead, for Christ's sake.

Respectfully submitted,
MRS. T. G. RHYNE,
Associational W.M.U. Superintendent.

10. Following the singing of a hymn, the messengers and visitors were lifted heavenward with one of the most inspiring sermons ever heard at any of our meetings, the timely message being delivered by Horace V. Kinney.

11. The association adjourned for the lunch hour at approximately twelve o'clock.

Afternoon Session

12. The association reconvened for the afternoon session with the singing of a hymn, after which Howard Price read the scripture and offered prayer.

13. At this time E. Norfleet Gardner, Pastor of the First Baptist Church of Laurinburg, expressed in a most appropriate manner, the pleasure of his church in having the association meet with them.

14. Miss Willa Marks, Association Training Union Director, brought a report of the work of this organization which reflects the splendid work that has been done. Following is the report:

The Associational Training Union of the Pee Dee Association continues to make steady progress. Our records reveal that Training Unions are organized in 17 of our 23 churches with a total of 87 units and 1591 members. This is an increase over the previous year of 2 churches, 13 units, and 341 members. We are grateful for this progress but greatly concerned about the six churches having no Training Union organization and for the members of our churches—a number that runs into thousands—who have not yet availed themselves of the spiritual enrichment and usefulness provided by the Training Union. We are also constantly concerned about improving the quality of our work in all departments.

To meet these needs of extension and intensification in our churches, a loyal group of consecrated associational officers has been enlisted. Recently these officers have met several evenings and studied the Associational Training Union Manual. We were fortunate in being able to have Mr. Fred Scott of the State Training Union Department lead us

in one of those meetings. We surveyed the needs of our association and mapped enlarged plans for meeting them. We scheduled our meetings for the year—a quarterly meeting for the Associational officers and a combined Officers' and Leaders' Council with our mass meetings. We confidently expect to be standard during this year.

Our Mass Meeting held on M night last December with the Cobb Memorial Church was most successful. Our missionary, Rev. Arch McMillan did a splendid job of planning and promoting that program. It was a great joy during our mass meeting last month to welcome back our Pastor-Advisor, Rev. Eugene Deese, who inspired us with a great message on Training.

Even though some of our people have been attending our Regional Meetings from time to time, this year our association for the first time in many years—participated in the Tournaments. We had representatives in the Scripture Reading Tournament, Speakers' Tournament, and two choirs in the Hymn Festival. A trophy is awarded to the association in the region having the largest attendance and greatest participation in the Tournaments.

Now we are looking forward to the Summer Assemblies at Caswell, Fruitland, and Ridgecrest. If your church doesn't have their reservation, make one at once.

MISS WILLIE MARKS
By DAN GORE

15. The Moderator at this time recognized Brother Eugene Deese, Pastor of Ellerbe Church, who has been serving with the armed forces overseas.

16. The Moderator had previously appointed the following Committee on Committees, C. O. Funderburk, Ralph Harrell, A. L. McGee, who made the following recommendations:

Resolutions: Colin Covington, *Chairman*, A. R. Gibson, Mrs. Edwin Pearce.

Reception of New Churches: J. B. Willis, *Chairman*, E. Norfleet Gardner, K. L. Dawkins.

17. At this time the committee on resolutions, represented by Horace V. Kinney, expressed to the good people of the First Baptist Church of Laurinburg the sincere appreciation of those attending the session for the splendid fellowship enjoyed during the day and for the delightful meal served at the noon hour.

18. Crate Jones, Chairman of The Executive Committee, next reported for the Committee on Reception of New Churches. This committee recommended that Pine Grove Church be received on watchcare of the Association for a period of six months, until the Fall session, at which time it would be in order to receive them as a member-church of the Association. This recommendation was put into the form of a motion and unanimously carried.

19. A. L. McGee made a motion that the Association go on record as commending James Pittman, who is our representative to the General Assembly, for the splendid stand he has taken with respect to the question of a State referendum on the sale of alcoholic beverages, and instruct the Clerk to write a letter to Brother Pittman advising him of the action of the Association. The motion was unanimously carried. Following is a copy of the letter written:

Mr. James Pittman

Rockingham, N. C.

Dear James,

At the recent meeting of the Pee Dee Baptist Association, held in Laurinburg, the body went on record as endorsing the fine stand which you took during the recent General Assembly in connection with the liquor question, and I was instructed to express to you the sincere appreciation of the Association for the splendid manner in which you stood up for your convictions and what you knew to be the right thing.

As Clerk of the Pee Dee Association, it is a distinct pleasure to communicate to you the action of this organization.

Cordially and sincerely,

(Signed) H. MAXCEY KING, *Clerk*

20. Ralph Harrell, President of the Associational Brotherhood, gave a most encouraging report of this work, using various charts effectively. It is noted that in his report Brother Harrell recommends that certain officers and committee members be elected. A motion was made and unanimously carried that this report be adopted and the suggested officers be elected.

21. Arch McMillan brought to the session a glowing report, reflecting the great way in which his efforts are bringing forth fruit. The messengers listened with much interest as he spoke of the many opportunities for service which are daily found in his field.

22. The Ministerial Quartette, composed of Brothers Kinney, Harrell, Jones and McMillan, sang a selection which was appreciated by those present.

23. Upon a motion, which was duly seconded and carried, the first Spring session of the Pee Dee Baptist Association was adjourned with prayer.

Brotherhood began as a Laymen's Missionary Movement with the purpose of enlisting the laymen of the churches into a more liberal knowledge of support of the mission program of the Convention. This movement began in 1907.

In 1926, the name changed to the Baptist Brotherhood of the South. This enabled the men of the churches to launch out into an active program in all phases of the denominational program. However, it was not

until 1945 that the Brotherhood was placed in the table of percentages among the other agencies of the Convention.

The program of the Brotherhood is fourfold: Evangelism, Stewardship, Church Loyalty and Bible Doctrine.

As an Associational Brotherhood, we see the purpose to be:

- “1. To deepen the spiritual life of the men of the churches,
2. To quicken the interest of the men of the churches in church and denominational affairs,
3. To discover and utilize talents and abilities of Christian men,
4. To promote practical projects as recommended and sponsored by the Association,
5. To stimulate interest in Brotherhood growth and development,
6. To provide Christian fellowship among the men of the churches within the Association.”

Thus far in our Association, we have only eleven of our Churches with an organization. The total membership in these is 488 members. As we look at the great potential among our men that has not been enlisted, we should look ahead with great determination to enlist all of the men in all of our churches into an active program for Christ and His Church.

The following names were submitted and elected as Associational Officers for the Pee Dee Baptist Brotherhood:

President: Ralph Harrell—Hamlet First.

First Vice-President: Mack Ussery—Cordova.

Program Vice-President: Jesse Williams—Rockingham First.

Attendance Vice-President: Bruce Sellers—Hamlet First.

Promotion Vice-President: George Hodges—Hamlet Second.

Chorister and Pianist: Eldridge Clark—East Rockingham.

Secretary and Treasurer: T. M. Grubbs—Laurinburg First.

RALPH HARRELL, *President*.

ONE HUNDRED THIRTY-NINTH ANNUAL SESSION
OF THE
PEE DEE BAPTIST ASSOCIATION
HELD WITH
ELLERBE BAPTIST CHURCH
ELLERBE, N. C.

Tuesday Morning Session
October 19, 1954

1. The one hundred thirty-ninth session of the Pee Dee Baptist Association was called to order at nine-thirty o'clock on the morning of Tuesday, October 19, 1954, by the Moderator, James W. Mason, the theme of the session being:

“THE COOPERATIVE PROGRAM”

2. Following the singing of a hymn, L. A. Talbert, Cartledge Creek, conducted the devotional exercises, after which he led in the opening prayer.

3. At this time the Moderator recognized the Clerk, H. Maxcey King, who called the roll of the member churches, from which it was noted that only one church, Marston, had failed to send a messenger. In this connection, the Clerk made a motion, which was duly seconded and carried, that the messengers now registered, and also any who may register during the session, constitute the Association for the transaction of business.

4. The Moderator recognized a number of visitors at this time, after which he spoke warm sentiments of welcome to the following new Pastors, calling them to the front to be presented to the Association:

L. A. Talbert, Cartledge Creek
Thomas C. Faircloth, Ellerbe
D. E. Parkerson, Gibson
Joe Campbell, Saron
Cecil Smith, East Laurinburg

5. A few words of greetings were spoken by Thomas C. Faircloth, Pastor of the Ellerbe Church.

6. Those in attendance were inspired and spiritually refreshed by the

Association sermon, preached by Billy Rivers, Assistant Pastor, First Baptist Church of Hamlet, who used as his text, Matthew 13:38, and whose subject was, "God's Concern for the Whole World."

10. At this time Ellis Marks, Midway, gave a most interesting report on "Christian Literature." In his report attention was called to the wide variety of literature published by our Denomination and available for all ages and groups. Following is the text of this splendid report:

REPORT ON CHRISTIAN LITERATURE

Christian literature does not need defending; it needs more distribution and wider reading. Never before have Baptists had such opportunities as today to magnify and promote the Lord's work through vital Christian literature. The printed page is powerful; its influence is universal. Baptists have compelling reasons for securing and reading Christian literature, especially from their own presses. The aim of it all is to promote Bible study, to build Christian character, and to inform, enlist, indoctrinate, inspire and unify our people in all the great work the Lord has committed to us. We must bear in mind that we as Baptists have a great opportunity to provide the best reading matter that people can get for their homes.

I will list briefly some of the literature that we make available for our people. We have the Sunday School Builder, which carries fine reading material for everyone plus great helps for Sunday School workers; the Teacher, for teachers of Adults and Young People; the Home Life, for use by Cradle Roll and Extension Dept., which also carries very rich and worthwhile reading for anyone; the Training Union Magazine, very needful and helpful for Training Union workers; our Mission magazines, "The Commission," "Southern Baptist Home Missions,"

which keep us informed about Mission activities both at home and abroad. All of these are published monthly and are available either through our churches or individual subscriptions. Then we have our graded Sunday School and Training Union literature, which is supplied by our churches for all who attend and become members of Sunday School and Training Union. There is also literature provided for all phases of the work of the W. M. U. and Brotherhood.

Published here in our own state are: "Charity and Children," the "Biblical Recorder," and "N. C. Baptist Homes Bulletin," which covers all phases of our Baptist work; this fine Christian literature, published by our Baptist presses, should be in every Baptist home.

Respectfully submitted,
ELLIS L. MARKS, Chairman

11. Howard S. Price, Pleasant Grove, presented an informative report on, "The American Bible Society." Following is his report:

REPORT OF THE AMERICAN BIBLE SOCIETY

Every person must have the Bible in his own language if the word of God is to speak to his heart. The Bible is the missionary's chief tool. He uses it in every form of mission work. The Bible itself is a missionary. It can go where the human missionary cannot go, stay when he must leave and keep on working in a man's heart.

The American Bible Society aids in Bible translation, publishes the Scriptures without note or comment and distributes them without profit, usually below cost. In cases of special need at home and abroad, they are given without charge. Scriptures for the Blind are supplied in raised-letter systems and on talking book records. The society serves every form of Southern Baptist mission work around the world.

During 1953 the American Bible Society—

- Distributed throughout the world more than 15 million volumes of scriptures.
- Distributed in the U.S.A., 9,726,391 scripture volumes in 81 languages.
- Helped the Japan Bible Society to continue its systematic program of widespread distribution of the scriptures in that land.
- Continued to supply scriptures in Korea, through the Korean Bible Society, for civilians, military personnel and prisoners of war.
- Strengthened its work throughout Latin America, where scripture distribution by thousands of volunteer workers is producing outstanding missionary results.
- Supplied some 500,000 volumes of scriptures for refugees in Western Germany and materials for 400,000 Bibles and testaments in Iron Curtain countries.
- Provided 1,301,145 scripture volumes for our own Armed forces, bringing the number supplied since 1940 to more than 12 million volumes.

—Received gifts which made possible its largest budget—and adopted for 1954 an even greater program to meet expanding needs for scriptures around the world.

In 1953, Southern Baptist churches gave \$102,010 to the American Bible Society.

I recommend that the churches of our association increase our gifts for this worthy cause so that hungry-hearted people in mission lands will receive the Bible—people who otherwise would not have the printed word of God.

Respectfully submitted,

H. S. PRICE, Chairman

12. Brother C. W. Bazemore, of The Biblical Recorder, is always a welcome visitor to our sessions and the messengers always hear him with unusual interest. His address at this time was no exception to the rule, for the comments heard during the lunch hour reflected that Brother Bazemore had left us much spiritual food for thought.

13. J. B. Willis, Hamlet, Chairman, Committee on Reception of New Members, presented the names of Oak Ridge Baptist Church and Laurel Hill Baptist Church, along with their respective Pastors, W. H. Bogan and O. W. McManus. Motion was made, seconded and unanimously carried that these two churches be accepted as members of Pee Dee Baptist Association. Both the Moderator and Brother Willis spoke appropriate words of welcome to these new member-churches.

14. In the absence of Charles B. Deane, Chairman, Committee to Study Reorganization of Work, E. Norfleet Gardner presented the committee's report. A motion was made, seconded and carried that the following report, as presented by this committee, be received, subject to the action of the Association during the afternoon session.

COMMITTEE TO RESTUDY THE ASSOCIATIONAL ORGANIZATION

Held after lunch on Monday, January 4, 1954, at the home of Mr. and Mrs. C. B. Deane, 411 Leak Street, Rockingham, N. C.

Present: C. B. Deane, chairman; E. N. Gardner; G. Carl Lewis, guest; F. Eugene Deese, moderator; Arch M. McMillan, missionary and secretary of committee.

Absent: John D. Patterson, Jr., 306 Terry Street, Hamlet, N. C.
Agenda:

- (1) Whether the association should have trustees.
- (2) Whether the association should have an enlarged executive committee.
- (3) Whether the minute fund should be merged with the associational treasury.
- (4) What constitutional changes such matters would entail.

(5) Whether officers should be nominated by a nomination committee.

(6) Whether there should be an associational ordaining committee.

(7) Whether the moderator should be chairman of the executive committee.

(8) The matter of the auditing of the associational financial books.

The committee was directed by vote of the association to consider points 1, 2, and 4, above. The other matters were brought up as being related to the general field of restudy of the associational organization of the Pee Dee.

Without the formality of voting, the consensus of opinion of those present led to the following decisions:

1. That the committee recommend to the association in its fall session that the association elect trustees to hold any property that the association may possess. Presumably the number of such trustees would be three.

2. The general feeling of the majority of those present seemed to be that the executive committee should not be enlarged but remain its present size.

3. It was felt that it might prove advantageous to merge the minute fund with the general associational funds. The method of implementation was not fully indicated.

4. Suggested constitutional changes were indicated which will be given below.

5. The feeling of those present was that the principal or general officers of the association should be nominated from the floor rather than by a nominating committee. Since this had been the prevailing custom until last year, it was not felt that any recommendation need be made on this point. Secretary's note: However, see last of Article 9. Method of election probably should be indicated in the constitution, which the secretary thinks needs rewriting.)

6. The general feeling of the majority present seemed to favor the selection of an ordination committee to be available to the churches to assist them in the examination and ordination of ministers of the gospel. Mr. Lewis was asked to present this matter to the Pastors Conference and secure their thinking on the matter. (Secretary's notes: The committee idea was approved at one meeting of the Pastors Conference and the action was rescinded at the next meeting, it being the feeling of some that the matter should have fuller discussion. The pastors have not met during the summer. If the secretary may make a suggestion, it might be best for the committee to table this matter until the Pastors Conference takes final action.)

7. Sentiment seemed to favor the moderator serving as chairman of the executive committee. As one committee member expressed it, since the moderator's time of service is limited by the constitution, he should

during his tenure of office have as much opportunity as possible to promote a worthwhile program of work. (Secretary's note: The moderator, James W. Mason of Laurinburg, now serves as chairman of the executive committee.)

8. It was felt that the associational treasurer's books should be audited by an auditor. (Secretary's note: The association also felt this would be wise. See 1953 minutes, page 21, point 35, in which this was voted.)

The chairman informally suggested that the missionary might take the lead in requesting a further meeting of the committee. In such case, it was considered desirable to find out when would be the best time for Mr. Patterson to meet with the committee.

(Secretary's notes: Since the committee discharged the principal duties assigned to it by the association, it was not felt necessary to call another meeting. Usually the main business of the association is transacted in the fall; therefore, no committee report was called for at the spring meeting. The secretary apologizes for his extreme tardiness in preparing the minutes.)

There being no further business requiring immediate committee action, the meeting was adjourned.

CONSTITUTION

Respectfully submitted,

ARCH M. McMILLAN, Sec. to Committee

15. Elbert N. Johnson, Spring Hill, next gave an interesting and very timely report on "Christian Education." Brother Johnson, whose address follows, emphasized the importance of Baptists becoming more and more concerned about keeping Christ at the center of all our denominational schools.

EDUCATION

Education alone is not enough. It is somewhat like the creature of one boy's imagination—a pony with two heads that could go in either direction without turning around. Education apart from the educator is without character. What it produces—whether moral and spiritual delinquents or witnesses of the living Christ—depends on with whom and with what it is associated. Manipulated by a godless state, education may be used for regimenting robots under the coercion of fear; but dedicated to Christ, it produces Christian disciples under the impulsions of love and faith.

We must insist on the union of religion and education, because education apart from the redemption of Christ cannot become Christian. But we must resist any union of church and state, because education, in such union, cannot remain positively Christian, or even definitely Protestant in character. Our state-controlled schools, essential and helpful as they may be, are, because of their relationship to the state, definitely limited in their religious emphasis. This fact makes the maintenance of our church-related schools all the more imperative.

Genuinely Christian education is centered in Christ. It seeks a heart to feel, a head to think, and a hand to help—all dedicated to Jesus; and only as these are dedicated to Him can they be completely integrated in the personality of the student. If Baptists are wise, they will become increasingly concerned about keeping Christ at the center of all our denominational schools.

Southern Baptists have five seminaries. They are: The Southern, Louisville, Ky.; Southeastern, Wake Forest, N. C.; Southwestern, Fort Worth, Texas; New Orleans, New Orleans, La.; Golden Gate, Berkeley, Calif.

North Carolina Baptists are blessed with two senior and five junior colleges, with some 6,000 students enrolled last year. Wake Forest College is on the move, and plans to reach Winston-Salem during the next year or two. The removal of Wake Forest is a colossal task, and this should challenge our people to generous giving. Meredith College, Raleigh, N. C., is engaged in a program of expansion. This too is a worthy cause.

Our five junior colleges are: Mars Hill, Mars Hill; Gardner-Webb,

Boiling Springs; Wingate, at Wingate; Campbell, Buies Creek; and Chowan, Murfreesboro. These junior colleges meet a definite need and they are rendering excellent service for Christ. These and all our institutions deserve our moral and financial support.

Respectfully submitted,

ELBERT N. JOHNSON, Chairman

16. Under the head of The Cooperative Program, but also speaking on "Christian Education," W. Lawson Allen, of Gardner-Webb College, brought a message of vital interest to every Baptist family, for it had to do with the proper education of our young men and women. Brother Allen based his remarks on the Scripture, "A Sower Went Forth to Sow." During the course of his message, Brother Allen stated that there are four things Baptists can do, viz, Visit our schools; Send them our children; Keep giving through the cooperative program; and Pray for them.

17. Also speaking under the head, "The Cooperative Program," G. Carl Lewis gave a report on "State, Home and Foreign Missions." Brother Lewis' message, which follows, offers a definite challenge to every Southern Baptist.

STATE, HOME, AND FOREIGN MISSIONS

In the vocabulary of Southern Baptists no word is larger than the word "Missions." However, some of us tend to place a limit on the term, thinking either of missions on the local level or, ignoring the needs of our own State and nation, we see only the distant opportunities—those which are beyond our personal reach. Our Lord commanded, "Go ye into all the world and preach the gospel to every creature," and His Commission should interpret the word "missions": taking the gospel to every living soul in the world, thereby meeting the needs of the local community, the southland, the nation, and the world. However, for practical and administrative purposes we divide our Lord's program into State, Home, and Foreign Missions.

State Missions

Our State Mission program is tremendous in size and importance. Space will permit a mere listing of the activities of State Missions: the giving of assistance to 94 missionary pastors and the 109 churches which they are serving, the work of the Department of Evangelism, the program of Church Extension, Cooperative work with the General Baptist State Convention, the ministry to the Deaf, the chaplaincy at the North Carolina Sanatorium at McCain, the ministry at the State Correctional Institution at Samarcand, Schools for ministers and deacons, the summer assemblies at Fruitland and Caswell, support of the Allied Church League, the promotion of the radio ministry and visual education, the Sunday School Department, the Training Union Department, Student Work, and the Rural Church program.

Let us pray for Secretary E. L. Spivey and his associates in the large and vital work of State Missions, and let us see to it that our churches give financial backing to the program.

Home Missions

Dr. Courts Redford is Executive Secretary of the Home Mission Board and director of a great program which now has 937 regular missionaries and 366 student missionaries. A listing of the departments of work will give a brief view of the task being performed by the Board:

1. Direct Missions in the homeland. In this department the missionaries work with foreign language-speaking groups—Chinese, French, Italian, Japanese, Russian, Spanish-speaking—with the deaf, the American Indians, and under-privileged people. Here we have the rescue missions and goodwill centers.

2. The department of evangelism.

3. The department of Jewish work.

4. The ministry in Alaska, Cuba, Panama and the Canal Zone, and the migrants.

5. The department of Cooperative Missions: city missions, the rural church program, western and pioneer work.

6. The department of education and publicity—providing materials for study so that Southern Baptists might be informed about the Home Mission program.

7. The negro work.

8. The work of Southern Baptist chaplains serving with the armed forces.

Foreign Missions

The phase of missions which has been given the greatest emphasis and the strongest financial support is our Foreign Mission endeavor. More than 900 missionaries are now working in thirty-two countries in a correlated program of evangelism, education, medical missions, orphanages, good will centers, and publication work. In our many fields of service there are 2,201 churches with a combined membership of 214,767. 373 of these churches are self-supporting and there are 1,444 national pastors serving in the churches. Last year these churches baptized 20,326 people.

Dr. Baker James Cauthen, Executive Secretary, and his associates are pleading with Southern Baptists to place the world on their hearts so that the millions who dwell in the darkness may have the light of God. In our churches we must work and pray for greater financial support of our Cooperative Program and, through the Cooperative Program, for a finer support of Foreign Missions. In our churches we must sound the need for young people to hear the call of God to go into the lands of paganism and darkness to preach the gospel.

"Give of thy sons to bear the message glorious;
Give thy wealth to speed them on their way;
Pour out thy soul for them in prayer victorious;
And all thou spendest Jesus will repay."

Respectfully submitted,
G. CARL LEWIS, Chairman

18. One of the most interesting, inspiring and challenging messages ever heard by the Association was that of Brother Marvin Garrett, Missionary to Algeria, who based his remarks from the 12th chapter of Romans, and spoke of both his and Mrs. Garrett's work and experiences in that field. This fine couple are doing a great work but the facilities are so limited, according to Brother Garrett, that out of 600 applicants to the high school in which he taught, only twenty could be admitted. This splendid Servant of God urged his hearers to support his and similar work of others by both prayers and gifts to the cooperative program.

19. After prayer, in which Howard S. Price invoked God's blessings upon the physical nourishment of which we were about to partake, the morning session adjourned.

AFTERNOON SESSION

20. The afternoon session was opened with a devotional service, consisting of a hymn, reading of the Scripture, and a message by D. E. Parkerson, Gibson, on the subject, "The Cooperative Program—Its Dynamic Motive."

21. Next followed the Moderator's message to the Association. Brother Mason spoke encouraging words relative to the accomplishments of the Association during the year just closed, but also reminded us of many things which should claim our attention. Following is the Moderator's message:

MESSAGE OF MODERATOR

The duties of Moderator of the Pee Dee Baptist Association unexpectedly fell on my shoulders six months ago following the resignation of the able Rev. Eugene Deese, who accepted a pastorate in another Association. The duties of Moderator were new, and I have spent most of the last few months becoming acquainted with the responsibilities of this office, the many churches which compose the Association, and the many outstanding Christian leaders, to whose credit no small amount of praise should be given for their outstanding work in the advance of the cause of Christ in this Association.

It has been an honor and privilege to serve as Moderator of this Association, which has since the year 1816 been a moving force for good in the development and growth of the area in which we live. Its history has been one of progress and great devotion to all of the various endeavors of our great denomination. I have had many richly rewarding

experiences during the last few months in contacts with individual members, with leaders carrying on the responsibility of different organizations or fields, with pastors and with the Executive Committee. My only regret is that I have not had the opportunity to visit all of the churches and to know more intimately the many fine pastors and church leaders who are responsible for the great work that is being accomplished.

Too great praise cannot be paid to our Associational Missionary, Arch M. McMillan, for his tireless efforts and unselfish devotion to the Association work. I have leaned upon him heavily and want to take this opportunity to express to him my genuine appreciation for his great contribution.

I have placed particular emphasis upon reorganizing and revitalizing the work of the Executive Committee and the Financial Program of the Association. The cooperation of the Executive Committee and the churches in attaining these goals has been commendable, and continued efforts in this direction should contribute greatly to better administration of the affairs of the Association.

The following developments during the Associational Year 1953-1954 are worthy of note:

(1) Two new churches, Laurel Hill and Oak Ridge, are applying for membership in the Association, and their applications will be acted upon later at this meeting.

(2) Two other missions have been started at Norman and Old Hundred. These will have the study of the Committee on Missions of the Executive Committee.

(3) Two of our Associational organizations, the Sunday School and Brotherhood, have completed their first full year of Associational activity. The W. M. U. and Training Union have continued their full program of activity, as in former years.

(4) A successful Sunday School enlargement campaign was conducted, with all but two of our churches participating. Our Sunday Schools in the Association have made unprecedented growth during the past year.

Looking to the future, the emphasis for next year is evangelism. Our Association and the Southern Baptist Convention are being called on to win and to baptize one person for every eight people on the church rolls. Several churches of our Association are already formulating plans and have these goals in sight. As Moderator, I earnestly urge every church in the Association to participate in the Simultaneous Revival Crusade of 1955 and try to meet the challenge of increased baptisms.

Finally, I wish to thank the members of the Executive Committee and other Association officers for their guidance and unselfish service in promoting the work of the Association. The opportunities for service are many, and there is much work that can be done and should be done by laymen and ministers alike to insure the continued advancement of

the cause of our denomination in this Association. I urge everyone in the year ahead to redouble his efforts and to renew his faith so that these worthy goals may be attained.

Faithfully yours,
JAMES W. MASON

A motion made, seconded and carried that the report be adopted.

22. The Clerk was recognized at this time and gave an oral report consisting of some figures or statistics taken from the annual church letters (reports) which had been delivered to him. The Clerk stated that he plans to have much additional data available to the messengers when they register at the next annual meeting. Thus, the messengers will not have to wait until the minutes are printed to obtain this interesting information. A motion was made, seconded and carried that the report be adopted.

23. The Association Treasurer, C. D. Bounds, Jr., presented the following report along with a proposed 1954-1955 budget, proposed by the Executive Committee.

24. Next our Association Missionary, Arch M. McMillan, brought to those present an interesting and most informative report covering his activities during the year just closed. Brother Arch's inspiring report fully reflects his great enthusiasm for our Master's work and his sincere concern for the unsaved. His report is not indicative of a most fruitful year but still greater accomplishments during the year just begun.

25. A. L. McGee, Cordova, made the report of the Committee on Evangelism, which report was adopted by a unanimous vote of the association. Here is Brother McGee's report:

REPORT OF COMMITTEE ON EVANGELISM

Evangelism was and is the chief object of the Master's mission. It is the chief mission of the Holy Spirit. It is the chief business of the Church of Jesus Christ. In fact it is the chief business of all God's people to win mankind from the pits of perdition to the portals of Paradise. The first, the foremost, the uppermost and the fundamental call of Christ to His Church is the call to Evangelism—Evangelism that not only redeems the soul, but enrolls, enlists and energizes that soul for Christian service.

The Associational Chairman of Evangelism and the Associational Missionary are now in the midst of naming and notifying the members of the Steering Committee. Once this Committee has been selected, then additional people will be named to the various committees to assist in planning and promoting our Evangelistic Campaign in the Spring of 1955.

The Pee Dee Association is in the Eastern Division which means that our Crusade will be March 27-April 10th. As Chairman of Evangelism, let me urge that every pastor and Church participate and begin work immediately setting up the necessary organizations to assure success.

Respectfully submitted,

A. L. MCGEE

26. John G. Haas brought to the session most interesting reports on our hospital, orphanage and home for the aging, and urged our people to remember these great Baptist institutions both in our prayers and also in a material way. Brother Haas' fine report follows:

HOSPITAL, ORPHANAGE, HOME FOR THE AGING REPORT

Hospital

Our report on our Baptist Hospital calls our minds to an account in the Bible when a plea came from a poor leper, going to the ears of Jesus and this plea touched his heart because it was a plea for help. He said, "If thou wilt thou canst make me clean." A cry very much like this is ringing every day in North Carolina. It comes from the mountains and the sea shore. Our hospital in Winston-Salem is the evidence that North Carolina Baptists have heard this plea and are trying in the spirit of Christ to answer it.

Each year thousands from our great state are cared for in our hospital, while hundreds are making visits to the clinics. An amazing number of these people are unable to pay the full cost for their care and many cannot pay anything. These are people from all walks of life; the old people at the sunset of life and the child at the dawn of life. There are fathers, mothers, young and old that must have help. The mothers must be helped to care for their homes and families. The fathers must be helped in order to provide support for their families, while many young people and children must be set free from handicaps that would bind them for life.

A stream of afflicted people are visting and depending on our hospital to provide skilled specialists for them in the field of medical care. This demand is so great that it is good to have an appointment in advance. If there is an emergency have your family doctor talk to the proper people at the hospital and they will do all within their power to enter a patient as soon as possible.

Meeting the physical needs of the patient is only a part of our hospital program. It will thrill your heart to visit our hospital and see how the Chaplains, Doctors, and Nurses are meeting the spiritual needs of the people. We have trained Chaplains who serve our hospital and give much of their time training Pastors and Christian workers the importance of ministering to the sick and the most effective way to discharge this important duty.

The new south wing is being completed and this will provide much needed space and facilities making our hospital one of the largest and

best equipped in the state. We must always remember that our hospital cannot go beyond the support it gets from our churches. Let us keep this in mind and every Baptist church this year when the Mothers Day offering and other needs are brought to our churches. Give this year and give generously.

Report on the Orphanage

Jesus did many great things while on earth. He had a message for all people. The Bible tells us that Jesus blessed the little children and had compassion on them. In the heart of North Carolina Baptists our Lord has placed the same love and compassion and based on that love, Baptists established our orphanages. Our prayers and the dreams of hundreds of little children have come true and can come true as we support this great agency of our Baptist program. Let us remember this when our churches make their Thanksgiving Day Offerings.

Report on the Home for the Aged

This is the youngest child in the Baptist family. For many years there has been much talk about this great work and a few years ago we saw the first home established at Winston-Salem, N. C. This could not meet the demands and we were able to buy some property in Albemarle, N. C. where the second home was established. Our homes are under the direction of Rev. Jimmy Hayes and Rev. Zeb Caudle. This fine work needs our prayers and support. You will find out when you make a visit to the home of the aged and will see that Baptists of North Carolina are spreading the joy of our Lord among the aged people.

Respectfully submitted,
JOHN HAAS, Representative

27. The Association was privileged to hear at this time a most interesting address by Dr. Richard K. Young, of our Baptist Hospital. Brother Young, being a member of the staff, was in position to bring us first hand information concerning the great ministry of healing that is being carried on by this institution, of which we are so justifiably proud. Baptists of North Carolina are always eager to receive news and information about our hospital, and we were fortunate in having Brother Young speak to us.

28. One of God's own Elect was the next to appear on the program—Brother Marse Grant, representing our Orphanage. Brother Marse delighted, entertained and inspired the messengers with the showing of enlarged photographs of the daily lives of our boys and girls at the orphanage. These photographs gave us a glimpse into the many phases of the operation of this fine home, and there is little doubt but that those attending the afternoon session went home with a greater appreciation of this part of our endeavors and a resolve in their hearts to lend it greater support in the future.

29. Our Fall session would not have been complete without the attendance of Brother James M. Hayes, who has done such a magnificent job in connection with our Homes for the Aging. Brother Hayes related many amusing incidents which happens at the two homes almost daily, but also brought to us an interesting report of what really is being done, all of which makes us thankful that we can have even a small part in their support.

30. J. Marvin Smith next reported for the Committee on Time, Place and Preacher. According to Brother Smith, the committee had received no invitation for the Spring session, but that they suggested Wade A. McNight as Preacher and William Thompson, alternate. The committee reported that Pee Dee Church had invited the Fall session to meet in their church, and that the suggested preacher is Thomas C. Faircloth, with Clifton Tuttle as alternate. A motion was made, seconded and duly carried that the report be accepted.

31. Joe H. Haywood, at this time presented the report of the Audit Committee. Into this report was also incorporated the report of the Clerk. A motion was made, seconded and carried the report be adopted. Following is the Clerk's report which was read as part of the committee's report:

32. Representing the Resolutions Committee, Billy Rivers made their report, which was adopted by a unanimous vote of the Association. Following is the text of the committee's report:

REPORT OF RESOLUTIONS COMMITTEE

Be it resolved, that we, the people of Pee Dee Baptist Association, express our sincere thanks to Brother Faircloth and the Ellerbe Baptist Church for the fine food and hospitality, and to the program committee

for such an informative and inspirational program we have enjoyed today.

Respectfully submitted,
BILLY RIVERS, Chairman

33. Arch M. McMillan made a motion that the Committee to Study Reorganization of Work be thanked for their work during the year just closed, and continued for another year, that the Moderator add additional members, if he deems same necessary, and that the committee consider a complete revision of our constitution and by-laws; that their report be presented at the next Spring session and voted on at the following Fall session. The motion was duly seconded and carried.

34. Arch M. McMillan made a motion that Mr. James P. Morgan, State Secretary of Baptist Training Union, be invited by the Pee Dee Baptist Association to come, with his associates, and lead us in simultaneous Baptist Training Union Enlargement Campaigns in our churches during the week of February 11-16, 1956, or the nearest suitable date. The motion was seconded and unanimously carried.

35. The Nominating Committee next recommended that the following serve the association as officers during the year, 1954-1955:

Moderator—James W. Mason, Laurinburg

Vice Moderator—Ellis Marks, Midway

Clerk—H. Maxey King, Rockingham First; C. D. Bounds, Jr. East Laurinburg

Following a call for other nominations, a motion was made and carried that above officers be elected.

36. A motion was made, seconded and carried that the session adjourn. With the closing prayer ended the one hundred thirty-ninth session of the Pee Dee Baptist Association, from which the messengers and visitors made their way homeward, not only inspired, but without doubt, with a firm determination to serve their Master in a greater way than ever before.

PEE DEE BAPTIST
ASSOCIATION OF
NORTH CAROLINA

Recognizing the twenty-five years during which he served the Pee Dee Baptist Association as Clerk, and the unselfish loyalty which characterized his tenure of office, his splendid Christian character, his wise counsel at all times, and the wonderful way in which he has endeared himself to the people over the Southland, and more especially to those of this Association, we do sincerely and affectionately dedicate these minutes of the one hundred thirty-ninth annual session of The Pee Dee Baptist Association to—

CHARLES BENNETT DEANE

Born in Anson County, N. C., the son of John Leaird and Florence Boyette Deane; educated Trinity Park School, Durham; LL.B. degree, Wake Forest, N. C., 1923; licensed attorney; register of deeds of Richmond County 1926-34; retired to engaged in practice of law and in the operation of general insurance business; was elected clerk to the Pee Dee Association 1927, served until 1952; On October 15, 1927 married Agnes Cree. They have three children Betty Cree, Carol and Charles; trustee of Wake Forest College; elected recording secretary of Baptist State Convention 1936, in which capacity he is still serving; elected November 5, 1946 member of U.S. Congress and re-elected all succeeding Congresses to date. He expresses as his one regret in serving in public life in Washington that it deprives him of being as active in his own church and denomination as he would like to be. In 1929 his minutes were judged first place in North Carolina and each year thereafter were judged first place in South or second in North Carolina or second in South or tie for these places until 1946 when he was ruled no longer eligible in view of previous rewards.

Spring Session

SPRING SESSION

April 20, 1954

CORDOVA BAPTIST CHURCH

Morning Session

1. F. Eugene Deese, Moderator called the second Spring session of the Pee Dee Baptist Association to order at ten o'clock on the morning of April 20th, 1954, the theme of the session being, "The Vision We Need."

2. Following the singing of the hymn, "Work for the Night Is Coming," W. Cecil Smith, East Laurinburg, conducted the devotional exercises with the reading of scriptures and prayer.

3. A motion was duly made and unanimously carried that the printed program be made official for the Spring session.

4. A motion was duly made and unanimously carried that the messengers then registered and also any who might register during the session constitute the Association for the transaction of business.

5. Dan Gore, Association Baptist Training Union Director, was the first to appear on the program, and brought his hearers an enthusiastic and encouraging report on Training Union work in the Association during the past year. Under the splendid leadership of Mr. Gore this phase of our work has made great strides.

6. Crate Jones, Cartledge Creek, next presented the report of the Executive Committee, as follows:

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee had its quarterly meeting during the month of January. Only three members were present, plus the moderator and associational treasurer. Our missionary was ill and could not attend, so we were limited in the activity of the evening.

The main business was an examination of the financial statement which was in good order and well prepared by the treasurer. Each year the State Mission Board reduces its support by 10%. The committee voted to make this amount up plus a hundred dollar raise on the year for Bro. McMillan. The suggested plan is to ask each supporting church to increase its gifts by one dollar per month. This will not hurt any church but over a period of a year will make up the difference needed. We ask each pastor to keep this in mind and present it to your churches at an early date. We feel that Bro. McMillan has done and is doing an excellent work among us, and the cooperative spirit in the association has greatly improved. We feel that all of the churches should support the program, and we are looking forward to the time when we shall be able to support it without State aid. We are grateful to God for sending Bro. Arch to us.

It is hoped that better attendance will be noticed at our next regular meetings. They are scheduled on your associational calendars, so please keep them in mind. New officers are due to be elected.

We commend our missionary in arranging for the state Sunday School workers to be in our midst for the enlargement campaign during May. We pray that the Lord will bless him as he continues to lead us, and may he bless each church as we seek to follow the revealed plan.

Sincerely,

CRATE JONES, Chairman

7. The Moderator instructed the Clerk, H. Maxey King, to call the roll of the member-churches for a count of their messengers present. In addition to the roll call, three visiting pastors were recognized, as well as the following new pastors to the Association: W. J. Thompson, Hamlet Second, and Smith, East Laurinburg.

8. Our Associational Missionary, Arch McMillan, next gave a report of his fine work. He called to the front and presented the new W. M. U. Association officers. Although these officers had already been elected by the W. M. U., a motion was made and carried that the election of these officers be wholeheartedly indorsed by the Association's Spring session. (Note: These officers will also be endorsed by the Fall session of the Association. Following the reading of a passage from First Corinthians, Brother McMillan discussed his work during the past several months, and recognized Brother James Mason, whose church, The First Baptist of Laurinburg, was instrumental in organizing the Laurel Hill Mission. Brother Mason spoke briefly about the splendid progress being made by this mission. Brother B. B. Covington, Ellerbe Church, spoke next in connection with the organization of the Norman Mission and told of the bright prospects for this work. At this time the three messengers from this mission were recognized. Brother McMillan's report was both interesting and inspiring, but it was also challenging. Our people are happy that he has come our way and is giving us such a wonderful leadership in this work.

9. Next on the program was the report of the W. M. U. Associational Superintendent, Mrs. T. G. Rhyne, but before giving her report she, with the assistance of two of her co-workers, Mrs. G. C. Luther and Mrs. Edgar Robinson gave an illustrated talk on the progress made in the various member-churches with respect to the number of W. M. U. organizations organized in these churches. Mrs. Rhyne then recognized Mrs. Robinson, who brought a most informative talk on our Baptist literature and the place it should occupy in our church, W. M. U. organizations and our homes.

Mrs. Rhyne's report was so interesting that it is reported as follows:

REPORT OF ASSOCIATIONAL WOMAN'S MISSIONARY UNION

Someone has said that the most important word in the Christian vocabulary is "we," meaning a spirit of "togetherness" as we serve

in the cause of Christ. As we make this report I am aware of the privilege of being "comrades-in-service" with others in our Association who are seeking to advance the cause of Christian missions.

Past months have shown good growth in the Enlistment program. Four new Missionary Societies have been organized. These are at Pleasant Grove, McDonald and Pine Grove. A Society has also been organized at the Laurel Hill Mission. We are especially proud that in just a few months the McDonald Church has organized a full graded W. M. U. This leaves us with only two prospects for W. M. S. organizations next year. New Hope Church, and Norman Mission.

This year our Association met all the points on the Associational Standard of Excellence. We hope that this can be accomplished in the coming year. In order that we might do this we must organize the following. 2 W. M. U., 2 Y. W. A.'s, 4 G. A.'s, 3 R. A.'s, 4 Sunbeams. I hope we will become more interested in organizing W. M. U. Young Peoples organizations. It is on them that we shall place emphasis this year. "Youth is important because it is capable of growing up." How much assistance are you giving in this task of Youth growing up?

Our women have continued to participate in Community Mission activities. We have also shown growth in Mission Study. A Mission Study Institute was conducted just prior to our Season of Prayer and Offering for Home Missions. Through study and prayer we are led to give more liberally. According to the reports sent to me, we have become better Stewards this year. This year, we gave through our Offerings these amounts: State Mission Offering—\$975.93. Heck Jones Offering—\$756.56, Annie Armstrong Offering—\$1,411.59, and Lottie Moon Christmas Offering—\$5,212.49. Making a total of \$8,356.57, given to Missions through the W. M. U. Organizations in our Association this year.

The theme of our Annual Meeting on April 8, was "Entrusted to Us." We met at the First Baptist Church, Ellerbe. Mrs. Robert Standley of Brazil was our Missionary guest, and Mrs. John Wacaster, was our Representative from the State office. The meeting was well attended and we had a good day together.

The year has seen advance in many areas. Let us not be satisfied with what has been accomplished but press "ever forward." Realizing always that these gains have been made possible only because we are "Laborers together with God."

Respectfully submitted,

MRS. T. G. Rhyne, *Superintendent*

10. The following Committee on Committees has been previously appointed by the Moderator: John Haas, Chairman, J. B. Willis and Howard Price. The Chairman gave the following report:

JOHN HAAS, Chairman

11. Following the singing of the hymn, "My Jesus I Love Thee," Clifton A. Tuttle, Roberdell, brought one of the most inspiring messages ever heard at such a gathering, using our theme, "The Vision We Need," using as a basis for the sermon Acts 16:1-11 and as his text, Proverbs 29:18. At the close of this powerful sermon Brother Tuttle offered thanks for the bountiful dinner we were about to enjoy in the community building across the street from the church.

AFTERNOON SESSION

12. Following the enjoyable hour of food and fellowship the Association reconvened at one-thirty o'clock for the afternoon session. Following the singing of the great old hymn, "At the Cross," William J. Thompson, Roberdell, conducted the devotional by using the third chapter of First Corinthians, which was followed by the opening prayer.

13. A. L. McGee, Cordova, Associational Sunday School Superintendent next brought a most interesting report, as follows:

REPORT ON SUNDAY SCHOOL WORK

The purposes of the Sunday School work are many and time will not permit me to refer to them all, but I would like to point out that the Sunday School is to reach and teach the Word of God to every nation. Jesus was the greatest teacher of all time. He commissioned His disciples to "go ye therefore and teach all nations," thus placing the responsibility of teaching His Word upon their heart. Paul made great use of teaching. He stayed at Corinth a year and six months, "teaching the Word of God among them," Acts 18:11. He stayed at Ephesus two years and used the School of Tyrannus. In Second Timothy 2:2, he states "the things that thou hast heard of me among many witnesses, the same commit thou to faithful men who shall be able to teach others also." It should be clear to all then, that if we are to be

“good stewards of the manifold Grace of God,” we must put high value on Christian Education.

During the first six months of this Associational year, we have been placing great emphasis upon reaching and teaching as many as possible. Following the advice of the Sunday School Board in Nashville, Tennessee and Mr. L. L. Morgan in Raleigh, we have been working and will continue to work toward reaching our quota of “a million more in ’54.” As things look now, I feel sure that we will go even above our quota.

As most of you know, our quarterly meetings of the Associational Sunday School Organization have been a great inspiration. They have been well-planned, well-attended and greatly enjoyed by all. Our Associational officers and leaders are to be complimented for their untiring efforts in behalf of Sunday School work. Probably the most important thing facing us just now is the Sunday School Enlargement Campaign that is to be held May 9-14th. Our Associational Missionary, Brother Arch McMillan, has worked hard for the past few months getting things ready. Let us work as faithfully and as untiringly as has Brother McMillan and we can be assured of success.

As we look back over the past year’s work and “count our blessings,” let us also look ahead to the race to be won and the work to be done and rededicate ourselves first, to Him who loved us and gave Himself for us and secondly, to the work whereunto Christ has called us.

Respectfully submitted,
A. L. MCGEE, Superintendent

14. Brother L. L. Morgan, North Carolina Sunday School Secretary, was scheduled to speak to the session at this time, but could not be present. However, he sent Brother Jack Bagwell to represent him. Brother Bagwell was introduced by Arch McMillan, and held those present practically spellbound by his sincerity and the fine manner in which he illustrated his remarks with references to his own pastorate at the High Shoals Baptist Church, which has recently undergone an extensive and successful period of expansion and enlargement. It is regrettable that there is not available a copy of Brother Bagwell’s remarks.

15. Under the head of business, the Moderator appointed the following “Survey Committee,” whose duty will be to survey the needs of the Association both from a standpoint of its organizational structure and anything else they may see fit to recommend: Charles B. Deane, Chairman, John Patterson, Hamlet, and N. Norfleet Gardner, Laurinburg.

At this time the Moderator requested that the Vice-Moderator preside for the rest of the session. The Clerk then read a letter of resignation of Brother Eugene Deese, who is leaving our Association to ac-

cept the pastorate of the First Baptist Church of Aberdeen. The resignation was regretfully accepted by a vote of the Association.

Reference was also made to Crate Jones, who is leaving the Cartledge Creek Church to accept a pastorate at Asheboro. E. Norfleet Gardner suggested that we express our love and appreciation to these two brethren and wish them Godspeed in their new pastorates. Brother Willis added the suggestion that the Clerk be instructed to forward suitable resolutions to the churches to which they will go.

16. At this time the session was lifted spiritually by a solo by Brother Horace Easom, State Brotherhood Secretary, who sang, "The Beautiful Garden of Prayer." Mack Ussery, President of the Associational Brotherhood, next gave an encouraging report of the progress being made in this work, as follows:

THE ASSOCIATIONAL BROTHERHOOD REPORT

The Associational Brotherhood of the Pee Dee Association has recently completed its first year of work, on an Associational basis. This work began to grow under the very able leadership of Brother Ralph Harrel.

Our records reveal to us that at that time there were eleven churches with an organization of Brotherhood work with a total membership of 488. There has been an increase over the previous year of one church and a total membership of 515.

The Executive Committee has tried to meet from time to time to carry out the needed work. Many of the Committee Members have been unable to meet with the Committee in these meetings. We need to keep this in mind and perhaps contact those who may become members of this important committee. Since this is a responsible position to fill and much of the success and progress of the work depends on this committee, we should give it much prayer and thought.

Our Mass Meetings have been well attended thus far. The first Quarterly Meeting this new year was held at First Baptist Church, Laurinburg. Dr. Norfleet Gardner was the speaker. His message followed that of the Program Theme, "Stewardship of Our Substance." The second Mass Meeting was held at Pleasant Grove Baptist Church, with Dr. E. L. Spivey speaking on, "The Baptist work in North Carolina." The next meeting is planned for Roberdell Baptist Church, May 16, 1954, 2:30 P.M. with a message from one of our Fruitland Student Pastors. Since the program of the Brotherhood is fourfold—Evangelism, Stewardship, Church Loyalty, and Bible Doctrine, the Mass Meeting programs are usually built around one of these themes.

There is yet a great work to be done to stimulate interest in Brotherhood work, in both growth and accomplishments. By discovering and utilizing talented Christian men we can attain this goal. As we look at the great potential workers among our men yet to be enlisted, we

should look ahead with great determination to enlist all of these men in all the churches into a greater Brotherhood movement for Christ's sake.

Respectfully submitted,
MACK USSERY, President

Our people always expect something great when Brother Easom is on the program, and today was no exception and they were not disappointed, for Brother Easom held the attention of everyone in discussing the purposes and aims of the Baptist Brotherhood, inserting from time to time instances from his own personal experience. Our messengers, undoubtedly went away with a keener insight into the purposes of the Brotherhood and a greater appreciation of the work they are trying to accomplish.

17. At this time the second Spring session of Pee Dee Baptist Association was adjourned with prayer by A. L. McGee, Pastor of the host church.

15. Mrs. T. G. Rhyne, Rt. 3, Rockingham, associational superintendent of Woman's Missionary Union, brought the report for this organization, as printed below. It was received with interest and appreciation.

REPORT OF ASSOCIATION WOMAN'S MISSIONARY UNION

It is again my privilege, for which I am grateful, to bring you an account of activities and accomplishments of the W. M. U. in our association. As we look at our growth we feel proud; yet we realize that there is much to be done. We hope that this small appraisal of the work may create a desire within us to strive for greater gains in the coming year.

This year we had two new Societies added to our group. These are Norman Mission and Oak Ridge. This gives us a total of 26 W. M. S. organizations.

We have gained several new young people's organizations. We give special recognition to Pleasant Grove for organizing all their Young People's organizations during this year.

Our associational Young People's leader, with the assistance of her co-workers, has had special interest meetings for the young people. The Y. W. A. girls had a dinner at East Laurinburg. The G. A.'s and R. A.'s were invited to the Laurinburg First Church for a rally. The associational Sunbeam leader is planning a Sunbeam rally for the early summer. This will be the first time we have had an association-wide meeting for the Sunbeams. One of our aims for the year is to organize more Young People's organizations and to improve the quality of work now being done.

The Leadership Conference was held in October at the First Church, Rockingham. This was well attended. It is an annual meeting designed to instruct all W. M. U. officers and chairmen in their duties, and to give pointers on how we might do better work.

Late in the summer, under the direction of our associational Community Missions chairman, a Community Missions Clinic was conducted. Mrs. Alton Greenlaw, former State Community Missions chairman, was with us for the meeting. Her program was informative and inspiring.

In January we held an Officers' and Chairmen's Council meeting. This was the first time we have had this meeting in our association, and it was very successful. It was conducted by the associational officers and chairmen. The purpose of such a meeting is to give the associational leaders an opportunity to state their aims and goals for the year.

Our annual meeting met with the Ellerbe church. Mrs. Robert Standley of Brazil was our missionary guest, and Mrs. John Wacaster represented the State. Both speakers made us keenly aware that there is much to be done at home and abroad.

Several of our women attended the W. M. U. camps. A number of young people attended the W. M. U. young peoples' camps. We are grateful for everyone attending these camps, as we firmly believe that an informed people is an alert people.

We are proud to be able to say that our association was one of four in the State to reach the W. M. U. Standard of Excellence. This is the second year that we have accomplished this. We are also glad to report having had two A-1 societies this year.

As we look toward a New Year we realize our task is great. May God enable us to yield him our money, our time and talents that we might truly have a part in taking His gospel into all the world.

A playlet, "Tithing," was presented in excellent manner by young ladies from McDonald Baptist Church. A splendid message on W. M. U. work was brought by Mrs. G. Carl Lewis, Rockingham.

16. A report from the Executive Committee of the association was brought by the moderator. In it he told of the opening of a Seminary Extension Center at Rockingham, with Lee A. Talbert, Rockingham, putting in excellent work in leadership, and of the successful Simultaneous Revivals just reaching a conclusion. The report of the associational treasurer, C. D. Bounds, Jr., Laurinburg, was read by the moderator.

17. The following items of Miscellaneous Business received attention:

(a) A Committee on Committees to report at the fall meeting was appointed by the moderator, with the following members: Lee A. Talbert, chairman; Carl Lewis; C. O. Funderburk; Wade A. McKnight, alternate. The following two members were added to the Committee to Restudy the Associational Organization: L. A. Talbert, co-chairman with C. B. Deane; Clifton Tuttle, Roberdell.

(b) J. B. Willis, chairman of the Committee on the Reception of New Churches, moved that Calvary Baptist Church of Hamlet and Old Hundred Baptist Church be received into the Pee Dee Association. This motion was seconded and carried unanimously. The committee also recommended that in the future such matters be acted on at the fall session and that accepting these churches does not set a precedent.

(c) There was a standing vote of thanks for the hospitality of the First Baptist Church of Hamlet.

18. Dan Gore, Rockingham, associational director of Baptist Training Union, brought the report of this organization and then introduced James P. Morgan, Raleigh, State secretary of Training Union. Mr. Morgan brought an inspiring message on "Conserving the Results Through the Training Union." Mention was made that he and his co-workers would lead churches of the Pee Dee Association in simultaneous enlargement campaigns during the week of Sunday, February 12, through Friday, February 17, 1956.

19. At this time the third Spring session of the Pee Dee Baptist Association was adjourned with prayer by E. N. Johnson, Wagram.

FALL MEETING, HELD WITH PEE DEE BAPTIST CHURCH, ROCKINGHAM, N. C.

Morning Session, Tuesday, October 18, 1955

1. The fall meeting of the one hundred fortieth session of the Pee Dee Baptist Association was called to order at 9:30 o'clock on the morning of Tuesday, Oct. 18, 1955, by the moderator, James W. Mason, the theme of the session being: "The Tie That Binds."

2. Moderator Mason called E. N. Johnson to lead in an opening prayer. After this the hymn, "Blest Be the Tie," was sung. Following this the devotional was led by Harvey Clark, East Rockingham.

3. Next came the roll call of the churches and enrollment of messengers, led by Ellis L. Marks, Rockingham, assistant to the acting

clerk. (Names of messengers and visitors are listed on pages 7 and 8 of this publication.)

4. Next came recognition of visitors and recognition of new pastors. New pastors included the following: J. H. Clark, Pine Grove; Rufus Bolton, Old Hundred; Jerry Wallace, Saron; and George T. Story, Calvary of Hamlet.

5. Under Miscellaneous Business, the following report was received from L. A. Talbert, chairman of the Committee on Committees:

Committee on Time, Place, and Preacher: J. B. Willis, chairman; Cecil Smith; Horace Moree; alternate, C. O. Funderburk.

Audit Committee: Maxcey King, chairman; Mrs. Lawrence Crouch; Charles Barrett; alternate, Mitchell Wallace.

Program Committee: E. N. Johnson, chairman; Mrs. T. G. Rhyne; Horace V. Kinney; alternate, Mrs. C. A. Gillis.

Resolutions Committee: W. H. Bogan, chairman; A. C. Phifer; D. E. Parker-son; alternate, Howard S. Price.

Committee to Nominate Representatives for Associational and State Organizations: E. N. Gardner, chairman; Koy Dawkins; Tom Fairecloth; Mrs. R. L. Harrington; Mrs. E. L. Marks.

Submitted by L. A. Talbert, Carl Lewis, and C. O. Funderburk.

6. The report on the Baptist hospital was brought by Horace V. Kinney, East Rockingham, who introduced as principal speaker on this subject W. K. McGee of the staff of the Baptist Hospital at Winston-Salem. A part of Mr. McGee's message follows:

The Mother's Day offering for the Baptist hospital is the largest ever made, and is running 14 per cent ahead of last year's. Last year the hospital operated in the red financially, this year in the black. There is hope for a small balance. The Pee Dee Association gave about \$200 less than last year. Cordova's gift was the largest in the association. Thanks were expressed for the support received. About 50,000 people will probably be served by the Baptist hospital this year. About 40 per cent of these are of limited means and need help such as that provided through the Mother's Day offering.

7. Greetings were brought by the host pastor, Billy G. Rivers. He announced that dinner would be served at a building owned by the Pee Dee Methodist Church.

8. The report on Christian Education was brought by Thomas C. Fairecloth, Ellerbe, and was as follows:

EDUCATION

Who among us would doubt the emphasis that Jesus placed upon education? How beautiful are the words: "Jesus went about all the cities and villages, teaching in their synagogues" (Matthew 9:35). The gospel writers in no small way tell of his ability as educator. Jesus taught to inform minds and to move the wills of men. He was recognized by friend and enemy, by believer and skeptic, as *rabbi*, *master*, that is, *teacher*. Those who gathered about him were best known as *disciples*, that is, *learners*.

The apostle Paul, a giant in the faith, was trained to be a teacher. Up to the time of his conversion he had spent most of his life as a student. He knew how to learn and he knew how to teach. He was thoroughly familiar with the Jewish synagogue as a school. The idea of a school in Christian living immediately gripped him. He became fascinated by the thought of Jesus as teacher, of the

propagation of the Christian faith through teaching, of the church as a teaching agency, of the possibility of remaking life through the processes of teaching and learning.

Through the long centuries many schools have come into existence. And, thank God, many of these schools have been Christian in their efforts, orientation, and propagation. Wherever education has been sound and strong, Christianity has been vigorous and victorious; wherever education has been unsound and weak, Christianity has been decadent and defeated.

Do Baptists believe in Christian education? It is needless for me to say that they do, for Baptists throughout their history have supported colleges and seminaries along with their orphanages, hospitals, homes for the aging, state missions activities, home missions, and foreign missions. We, therefore, have an army of saints who fully believe in and look forward with a steadfast hope in the future of Christian education. We seem to believe that there is an ever-growing need for increasing the number and enlarging the present theological seminaries for the training of ministers of the gospel and other full-time Christian workers. In addition to our five Southern Baptist theological seminaries, we aid the American Baptist Seminary for Negroes in Nashville, Tenn., and the Carver School of Missions and Social Work. These seven institutions had a total enrollment of 5,782 young people last year studying for various phases of full-time Christian service, including 3,826 ministers and 810 mission volunteers. In our Southwide program there are in operation 30 senior colleges, 21 junior colleges, eight academies and four Bible schools, with a total enrollment last college year of 53,457. Of these 53,457 college students, 6,628 are ministerial students and 2,011 are mission volunteers.

Here in North Carolina we are fortunate in having Southeastern Seminary on the Wake Forest College campus. In addition to the seminary, we have seven Baptist colleges with a total enrollment of approximately 6,000 young people, 750 of whom are training for the ministry and full-time mission service. These seven colleges in North Carolina are Wake Forest, Meredith, Mars Hill, Campbell, Gardner-Webb, Wingate, and Chowan. Wake Forest will be moved to Winston-Salem in June, 1956, and Southeastern Seminary will take over all the property of the campus at Wake Forest, North Carolina.

Why do Baptists provide seminaries and colleges for the training of leaders? First, we believe that God's will for a man's life will be revealed in a study and understanding of the Bible. Second, we believe that Christian education will help a person to find the truth in God's Word. Third, the present demands of our world make education a necessity. Fourth, we can observe the fruits of Christian education in our best homes. Fifth, the best of our churches are seeking trained men and women for leadership. Sixth, our denominational activities in all departments are dependent upon trained men and women. And seventh, our Foreign Mission Board insists that only young men and women who have had college and seminary training can be considered prepared to carry the gospel message to the world.

What can the members of Baptist churches do for this program? Churches can increase their gifts to the Cooperative Program. Individual church members can give personal gifts to our schools. We can send our young people to them. A good way to encourage this is to send the names and addresses of all the young people in our churches enrolled as juniors in high school to the Council on Christian Education of the Baptist State Convention of North Carolina, P.O. Box 1505, Raleigh, N. C.

And now in these things let us be good stewards.

The first representative of Baptist educational institutions in the State to discuss the report was Eugene Olive, Wake Forest College. Referring to these colleges he said "there is no competition between lighthouses." He traced events leading up to the founding of Wake Forest, involving such personalities as Samuel Wait and Thomas Meredith.

President Budd Smith of Wingate Junior College told how the enrolment at this fine institution had grown as shown by these totals for the last two years and this year: 236, 303, and now 478 (more than doubled in two years). Of these 30 are from the Pee Dee association. He expressed thanks to pastors and urged churches to give through the Cooperative Program, "the life blood of our institutions." He told of \$59,000 received through the Cooperative Program and of a challenge gift of \$100,000 if Baptists match that sum. He said the faculty is fine and students come from such lands as Brazil, Bulgaria, and Hawaii. Wingate trustees include Willa Marks of Rockingham and E. N. Gardner of Laurinburg. Alumni include Billy G. Rivers, host pastor.

9. E. N. Gardner, Laurinburg, brought the following report on the Cooperative Program.

COOPERATIVE PROGRAM

Investments ought to be of more concern to a Christian than to any other. Throughout the Bible the obligations and rewards of stewards are constantly taught. Joy accompanies the returns on good investments which make one feel that he participates in the use of those possessions with which he has been entrusted. For the Christian who is determined to be found faithful there is a responsibility to give intelligently. It is not enough just to give money: it is the wise steward who knows the causes to which he contributes, so that he can support worthy objects understandingly.

Information concerning needs should be coupled with insight and sympathetic understanding that touch the emotions, and bring heart-power into the distribution of funds set apart for Christ's work. Thus in the faithful steward are intellect, emotions and will subject to the control of Christ.

Accordingly for around a quarter of a century Baptists have projected a carefully studied program that has included Jesus' missionary activities of preaching, teaching, and healing, recalling his unlimited geographical boundary, "unto the uttermost part of the earth." For around a quarter of a century, with increasing knowledge of world conditions, and steady emphasis upon the opportunity to invest one's talents and money and self in the work of Kingdom building, Baptists have channeled their gifts through the life-bringing stream of the Cooperative Program.

NORTH CAROLINA FOR CHRIST

This undertaking includes the persistent effort to win our own state for Christ. The population of North Carolina is around 4,225,000. Of this number around 2,000,000 are members of some church, about 800,000 on the rolls of churches of the Baptist State Convention. While we are thankful for these figures, we must not forget that perhaps the staggering number of a million and a half over eight years of age have not surrendered their hearts to Christ. Joining forces with our 32,000 churches, state missions help by aiding missionary pastors, associational missionaries, workers with the deaf, and through the department of evangelism.

In making disciples by teaching and training, the Cooperative Program lends notable support, bringing tremendous dividends through our state papers, the Sunday School, Training Union, Woman's Missionary Union, Brotherhood and Student Union. At the apex of this missionary task is the work of Christian education, represented by seven flourishing institutions close to our Baptist people in North Carolina. The healing ministry of state missions reaches those whose lives otherwise might be broken: children through the care of the Orphanage, sick through the ministry of the Hospital, and aging, who are about to see the props

taken from under them, through the gentle support and oversight of those who serve in the Homes for the Aging. That is the Cooperative Program in North Carolina, as it uses your investment placed in the envelope Sunday after Sunday.

SOUTHERN BAPTIST WITNESS IN THE UNITED STATES

When we consider the territory of our own country, we no longer stop with those states below the Mason and Dixon line, but now extend our Convention program from ocean to ocean, and reach from the Gulf of Mexico to the border of Canada. Alaska, the Canal Zone and Cuba, are also a part of the cooperative program activity directed by the Home Mission Board. It reaches Chinese, Japanese, Italians, Russians, and French- and Spanish-speaking peoples. The Jew, the deaf, migrants, groups of Negroes, men and women in military service are included in this investment for Christ.

Our gifts through the Cooperative Program have enabled the Home Mission Board to complete a "Five-Year Crusade," emphasizing witnessing for Christ, and bringing in dividends of many thousands turned from sin to salvation, from complacency to burning lights of the Kingdom of God. This year an emphasis on evangelism and conservation is yielding rich returns; and in 1956 the goal of church extension and revitalization will prove an incentive for our people throughout the Southern Baptist Convention.

"THE WHOLE, WIDE WORLD"

This great program enlisting missionary-minded people among the millions of our denomination makes its investments abroad, too, remembering that the disciple of Jesus must include all the earth in his witness. The 1000 missionaries of the Foreign Mission Board are our representatives in thirty-four countries. They are supported on their fields, and are furnished funds for expansion there through the offerings we present in the church envelopes. For the Cooperative Program after all is Christian missions, aptly defined by Albert McClellan as "men and women joining together to help God to reach out after man." In prayer we form a circle around the globe. Our contributions count, too, for "money in mission work is an accepted standard of vitality—the material, visible effects of our inward spiritual force" (Annie Armstrong). It is a program that enlists our efforts: that of thousands who have a part in kindling the fires of spiritual fervor at home, and that of those who, hearing the call to go as missionaries, rejoice in the dividends that are counted in the lives of men and women to whom they have told the story of a Redeemer, and who have been gloriously saved by the grace of God.

That is the Cooperative Program. It offers everyone investments in life. It reaches around the globe. It calls us to declare:

"The whole wide world, the whole wide world,
Proclaim the gospel tidings thro' the whole wide world;
Lift up the cross of Jesus, His banner be unfurled,
Till every tongue confess Him thro' the whole wide world."

Dr. Henry E. Walden, Jr., of Raleigh, secretary of the Rural Church Department of the Baptist State Convention, spoke on this report. His text was Acts 20:35, "It is more blessed to give than to receive." He said Baptists need not apologize for asking people to invest in the only enterprise that yields dividends in this world and the next. He expressed a great need that people be both missionary and Baptist.

10. Reporting for the Committee to Restudy the Associational Organization, L. A. Talbert gave notice, for the record, of intention to make a recommendation at the afternoon session regarding the enlargement of the associational Executive Committee.

11. Arch M. McMillan gave notice of intention of moving that the method of electing officers specified in the associational Constitution be set aside.

12. Moderator Mason gave notice of intention of acting at the afternoon session in relation to revising articles of the Constitution.

13. W. J. Thompson led in the singing of the hymn, "He Keeps Me Singing."

14. Dr. Budd Smith of Wingate introduced the Wingate sextette, including Sally McDonald of McDonald Baptist Church. They sang "Jesus Calls Me" and "O Master, Let Me Walk With Thee."

15. Wade A. McKnight of McDonald and Mount Olive churches brought in a powerful and effective way the annual sermon, using as his text I John 1:7 and his subject, "God's Plan," showing how God had a plan for feeding the world, a plan for redemption, a plan for homes, a plan for churches, and a plan for world missions.

16. The association adjourned for lunch after a prayer of dismissal and thanks for the meal by the Rev. Mr. McKnight.

Afternoon Session

17. The afternoon session was opened with a hymn, led by W. J. Thompson, "At the Cross."

18. The devotional was led by George T. Story, who used as his scripture Matthew 22:34-39.

19. The moderator brought the following message:

MESSAGE OF MODERATOR

The year 1954-55 has been a good year in the Pee Dee Baptist Association. Most of our churches have shown an increase in membership and gifts, and they have continued their support of the State and southwide denominational program in a commendable manner.

The participation of churches in the Simultaneous Revival Crusade of 1955 was most gratifying. This emphasis upon evangelism had a wholesome effect, resulting in increased baptisms and renewed interest in the advancement of the cause of our denomination by laymen and ministers alike. Too great praise cannot be paid to our associational missionary, Arch M. McMillan, for his untiring efforts in the promotion and success of the Simultaneous Revival Crusade.

During the year there has been evidenced a greater spirit of cooperation between churches in the work of associational organizations, such as the Sunday School, Brotherhood, W. M. U. and Training Union. These programs have met with success and have given greater opportunities for service on the part of both pastors and church leaders alike.

The following developments during the year in the program of the Association are worthy of note:

(1) Two new churches, Old Hundred and Calvary Baptist Church, were accepted in full membership in the Association at the Spring Meeting.

A new church, Skyway Baptist Church, located at the Laurinburg-Maxton Air Base has been formed, and their application for membership in the Association will be acted upon later at this meeting.

(2) The work of the Norman Mission has continued, and missions in North Laurinburg and Rockingham-Hamlet airport have been established and are making commendable progress.

(3) A Seminary Extension Center has been established and is now operating. This project has been a significant one and the ministers of our Association are to be congratulated on this endeavor.

It is encouraging to note, as we review the progress of last year, that our Baptist churches have continued to keep step with the progress and development which we are now experiencing in other areas of life in this Association. As a denomination, it is important that we always strive to move ahead, for the opportunities for service by both laymen and pastors are many.

I wish to thank the Executive Committee, associational officers, ministers and laymen alike, for their assistance and cooperation during the past year. The experience of serving as Moderator has had many compensations, and I desire to express my genuine appreciation for the opportunity of service which has been given me.

The friendships and acquaintances which are now mine, as result of my work with the Association, will always be treasured.

20. The acting clerk, Arch M. McMillan, brought a report in which he called attention to the progress made in the churches of the association, referring his remarks to the digest of church letters prepared by him.

21. In the absence of the treasurer, C. D. Bounds, Jr., of Laurinburg, the moderator brought the treasurer's report, calling attention to the report given below, and also to the proposed budget. Motion was made, seconded and passed that the budget be adopted.

22. Report of Associational Missionary: After a very appropriate and touching presentation of his Dad, he brought to us an encouraging report of progress in the Association, calling attention to new work.

23. The report on the Baptist orphanages was brought by Lee A. Talbert. Miss Lucille Reed of the Orphanage at Thomasville spoke on the report.

REPORT ON BAPTIST ORPHANAGES

During the past year your program of child care has moved steadily forward. Probably there has never been a year in the history of the Orphanage when the children's needs were more adequately met.

God created the home as a place for children to live as they grow into maturity. The best institution is a poor substitute for a good Christian home. However, we are doing our best at your Children's Homes to make conditions as nearly like a normal home as possible. This is reflected in the fine spirit of your children.

During the year we cared for a total of 713 children. At the same time we gave services to and helped in the placement of more than 600 other children.

CHARITY AND CHILDREN

Your Orphanage publication, *Charity and Children*, continues to reach our people all over the state in ever increasing numbers. It carries the message direct from the Orphanage to more than 47 thousand homes each week. Every Church in the state should have a club of ten or more copies to be distributed in the Sunday Schools. The subscription price is 60c per year in clubs of 10 or more. Through *Charity and Children* you get so much for so little you just can't afford to miss it.

BUILDING PROGRAM

Special gifts have made possible the continuation of our building program. The new Church building at Kennedy Home is almost completed. It is considered one of the most beautiful in the state. This will greatly help to meet the greatest single need of the 160 children who live there.

During the year the Broyhill Swimming Pool was constructed at Mills Home. This was a gift from the Broyhills of Lenoir, N. C. It meets a very definite need in the lives of growing children.

OUR NEW PLAN OF SUPPORT

In 1954 our income from the Churches was at an all-time high.

The Baptist State Convention voted for the Orphanage to come into the Cooperative Program beginning January 1, 1955. From the Cooperative Program it is to receive "that part of its support not otherwise provided for." Under this plan the vast majority of the churches continue to send to the Orphanage the Once-A-Month offering just as in the past. Some, however, have put the Orphanage in their Cooperative Program budget. It now looks as if about \$60,000.00 of our income this year will be through the Cooperative Program.

THANKSGIVING OFFERING

Under the new plan of support the Thanksgiving offering becomes more important than ever before. Any future expansion of your child care program will depend largely upon this offering. Hence, the Orphanage representative in your Association, along with every pastor and Sunday School worker, is urged to try to get every church to promote a worthy "Thank Offering" this year. Urge each person to give at least "One Day's Pay" to help the host of homeless children who cannot possibly help themselves.

WHAT WILL OUR ANSWER BE?

The true greatness of any group of people is measured largely in terms of the care, the training, and the religious attitudes it gives to its children. If we Baptists are to hear from our Saviour the words, "Well done, thou faithful servants," we will have to continue to minister to the homeless and helpless children in our midst. Your faith and mine in the redeeming love and power of a merciful Saviour is all that stands between these little ones and utter destruction. We never have, we never will fail them.

24. The report on the N. C. Baptist Homes for the Aging was brought by W. Cecil Smith, East Laurinburg. It was moved, seconded and carried to adopt the report, which follows. It was discussed by Zeb Caudle of the Baptist Home at Albemarle.

REPORT ON HOMES FOR THE AGING

The North Carolina Baptist Homes for the Aging began their fifth year of operation on March 16, 1955. This has been a year of encouraging progress. Both homes—Resthaven in Winston-Salem and the Albemarle Home—have had

a continuing waiting list of applicants, from which lists residents are received as vacancies occur.

This has also been a year of enlargement of facilities. Construction of the Administration and Residential Building at Winston-Salem at a cost of about \$300,000 will soon begin and should be finished by the fall of 1956. Various needs will be met in this building, especially the housing of 40 more residents, thus raising the total capacity of the Homes to 95 residents.

Two-thirds of the cost of the new building is now in hand, with additional personal and corporation gifts expected. Various plans for memorial gifts are outlined in literature available from North Carolina Baptist Homes, Inc., Kentucky Avenue, Winston-Salem, N. C., James M. Hayes, General Superintendent and Chaplain.

In addition to the sources of revenue mentioned above, the Homes have the following sources of income: a share of the Nine Year program of the Baptist State Convention; Special Day offering, taken on the third Sunday in February; what residents pay for their care; and bequests willed to the Homes.

Below is a list of contributions to the Home from Pee Dee Baptist churches during 1955 up through September 30, except for any donations which may have been made through the Baptist State Convention during September: Bethel, \$25.00; Cartledge Creek, \$32.84; Cordova, \$270.00; East Laurinburg, \$50.00; Ellerbe, First, \$75.00; Gibson, \$18.45; Hamlet, First, \$250.00; Laurel Hill, \$12.00; Marston, \$10.00; Midway, \$17.05; Mount Olive, \$9.25; Pee Dee, \$28.02; Pine Grove, \$20.40; Rockingham, First, \$101.70; Saron, \$3.20—Total, \$922.00.

So far this year the Special Day offering has reached almost \$70,000. As other gifts come in, as through churches with the Homes in their budgets, it is expected that the goal of \$100,000.00 will be nearly reached. In addition, the Homes will receive \$39,850.00 as their share of the Nine Year program, according to the estimated budget. All connected with the Homes—staff and residents—are most grateful for the prayers and support of their friends and the blessings of our Heavenly Father.

25. The following report on the Allied Church League was filed with the clerk by A. L. McGee. He brought to our hearts very stirring remarks concerning the alcoholic situation in our own midst.

ASSOCIATIONAL REPORT

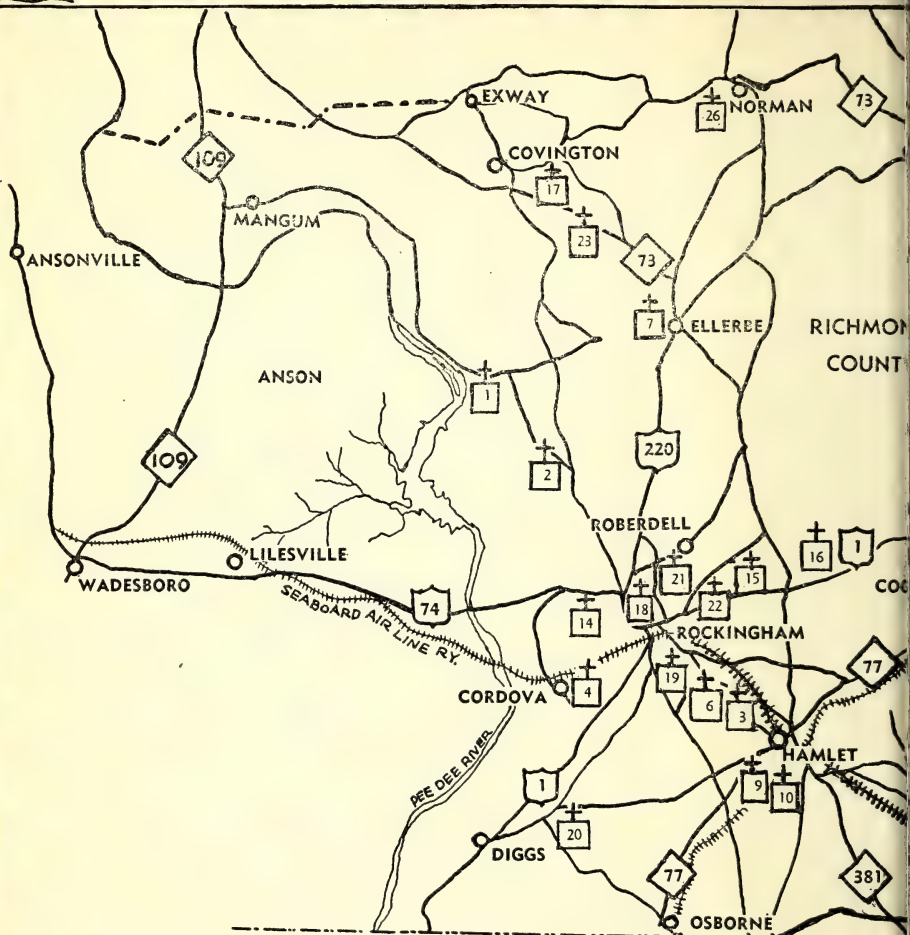

Allied Church League, Inc.

One phase of our work which needs much more emphasis in the churches is the program of the Allied Church League. It is the conviction of the writer of this report that we will never make any headway toward a solution of the problems and evils created by the sale of and use of beverage alcohol until our people are informed and aroused about the situation which confronts us. We shall never get any action by our General Assembly until the people who elect its members are concerned enough to demand that action be taken. A state-wide referendum will come when our churches are sufficiently aroused to create a sentiment in their respective communities that will become vocal enough to be heard in the halls of the General Assembly.

During the 1955 session of the legislature, the League had three representatives in Raleigh most of the time, Hon. Marvin T. Leatherman of Lincoln and its two regular employees. A sincere effort was made to get a bill through calling for a referendum but we again met with failure. We did succeed in rendering ineffective a beer bill which would have brought back to every county in North Carolina 3.2 beer and a second beer bill was killed in committee.

The League is greatly handicapped by lack of funds to promote an effective program and it seems that we may be forced to curtail what we are now doing. This will be tragic in the face of what should be done. There is need for additional personnel, funds for an educational program, new films, and a more

vigorous effort in the field of Good Government. We also need to combat liquor propaganda by radio and television and, with a reasonable amount of money we could do a very effective job in that wide open field.

The Drys have recently won two major victories in North Carolina. On July 23rd, an election was held in High Point on the question of establishing ABC stores. The city remained dry by a vote of 5,446 against stores and 2,283 votes for them. Then on August 6th, the voters of Henderson County voted out beer and wine by a vote of 5,976 against beer and wine and 1,499 for beer and wine. We now have forty-nine counties in the State that have voted out beer and wine since local option was granted in 1948.

Problems created by the use of beverage alcohol are increasing as time passes. Under the constant urging of liquor advertising more and more people are using it, and becoming its victims. It is said on reliable authority that one-quarter million people are becoming alcoholics each year. It kills one-fourth of those slain on our highways and is said to be rapidly becoming the No. 2 health hazard.

One of the major problems in dealing with the situation in our State is that of indifference on the part of many church members. One dangerous attitude is that liquor is here and we can do nothing about it. This is the position of the defeatist. Whatever conditions exist in North Carolina do so by the permissive will of the churches. There are enough Christian people in our State to do whatever needs to be done if we will only stand together.

It is possible that we need a new approach to some of the problems, certainly in those sections of the State where liquor is entrenched. The Allied Church League program is flexible enough to meet any situation. We are anxious to work with any group which wants to make an effort toward a solution of local problems. Because the law permits local option on the legal sale of beverage alcohol, we believe every county or city having legal sale should call an election as soon as it is practical. An election can be called in any city or county upon the signing of a petition by fifteen per cent of those who voted in the last general election for governor. We also sincerely believe that every church should promote a vigorous program of alcohol education. We are ready to help any church in setting up such a program. It would be very helpful if local groups on the county or associational level would undertake to hold clinics or seminars on alcohol problems. The League would be happy to assist in such work.

We express deep appreciation to our Baptist people for the support given us. You have stood by us financially and have cooperated in a fine way in many elections in various places. We are trusting you for continued support and pledge our best effort in helping to make ours a better State in which to live and a safer one in which to work.

26. The report on Christian literature was brought by Arch M. McMillan. He reported on a meeting of the directors of the *Biblical Recorder* which he had attended the previous day and said that this splendid publication should be in every Baptist home.

27. The following report on the American Bible Society was brought by Ellis L. Marks.

REPORT ON THE AMERICAN BIBLE SOCIETY

The American Bible Society is the agent of American churches for global Scripture translation, publication and distribution. The Society provides, without purpose of profit, Bibles, New Testaments, and separate books of the Bible in hundreds of languages . . . in varying formats . . . in different sizes of type . . . in many styles of binding . . . as well as books in many languages and systems for the Blind. For the Blind, it supplies Scriptures in raised-letter systems and on Talking Book records. The Society has given itself to the task of giving to the people of the world the Bible in their languages.

During 1954 the American Bible Society—
—distributed throughout the world more than 15 million volumes of Scriptures.

- donated 1,360,604 Scripture volumes for the Armed Forces, providing a vital link between the home churches and the members of the Armed Forces.
- continued to supply Scriptures in many strategic areas, such as Germany and other countries along the “fringes” of the Iron Curtain, Africa, Latin America, Japan, Korea and India—and to millions of Chinese in the countries of East Asia and Southeast Asia, outside the communist-controlled China mainland.
- received gifts which provided for the largest budget in its history and adopted for 1955 an even larger program to serve more of the millions who still wait for the Word of God—keenly conscious that missionary advance, through increased Scripture distribution, waits only for needed funds.

In 1954 Southern Baptist churches gave \$112,064 to the American Bible Society. Gifts from churches of all denominations totaled \$826,721.

Your American Bible Society is responding to the need for the Word of God in the world mission of your denomination. To do its task it needs your financial and prayerful support.

28. The moderator recognized Congressman C. B. Deane, who served with great effectiveness for 26 years as clerk of the Association. Congressman Deane spoke appropriate words and reminded his hearers of the cloud of witnesses viewing present Baptist progress. He told of his trip to Kenya in Africa and urged a cosmopolitan, Christian, missionary spirit.

29. A report was heard from Howard Price of the Committee on the Reception of New Churches. It was as follows:

The committee has made a rather thorough investigation with respect to the conditions and opportunities as related to Skyway Baptist Church of the Laurinburg-Maxton Air Base, and we are recommending its acceptance into the Pee Dee Association.

The report was adopted.

30. The report of the Resolutions Committee was brought by W. H. Bogan, chairman. It was as follows:

RESOLUTION CONCERNING DR. BRUCE BENTON

Inasmuch as it pleased God on April 17, 1955, to remove from the earth Dr. Bruce Benton, and inasmuch as he rendered valuable service to the Pee Dee Association for a period of many years,

Therefore, BE IT RESOLVED that we express through the minutes of the Association our gratitude to God for permitting this noble servant to give so many years of his life to the strengthening of our denominational life within the bounds of the Pee Dee Association, and beyond. Dr. Benton was pastor of the First Baptist Church, Rockingham, for a period of thirty-one years, a resident of the community and an active promoter of the denominational program for forty-two years, and Moderator of the Pee Dee Association for twelve years.

Dr. Benton's keen mind, courageous outlook, and progressive spirit made lasting contributions to the cause of our Saviour and Master, Jesus Christ. Although he is greatly missed in the assemblies and activities of the Association, we are grateful for the blessed assurance that, having completed the assignments of the earthly life, he has gone to be with his Lord.

G. Carl Lewis, for the Committee.

The report was adopted.

A. L. McGee moved that appreciation be expressed to the Pee Dee Baptist Church for the use of its building, the fine dinner and excellent provision for all needs; and to the Pee Dee Methodist Church for the use of its building in the dinner hour. The motion was carried.

31. Due notice having been given by the Moderator and L. A. Talbert at the first or morning session, the Moderator stated that it would be in order to make indicated amendments to the Constitution. These changes were made in the Constitution as indicated in the following motions. They are not reprinted here, but may be found on page 8 of this publication, with the changes indicated in italics.

(c) W. J. Thompson moved the amendment of Article 7; seconded and carried.

(d) W. J. Thompson moved the amendment of Article 8; seconded by Clifton Tuttle and carried.

32. Dr. E. Norfleet Gardner, chairman of the Committee to Nominate Representatives for Associational and State Organizations, brought the report of this committee. It will not be reprinted here but will be found on page 5 of this publication under the heading, "Associational Representatives." The report was adopted. It was understood that the Executive Committee could fill other vacancies among associational officers.

33. A. L. McGee asked that the missionary contact each church, asking the church to elect one member to serve on the Executive Committee along with each pastor in the Association.

34. Dr. J. B. Willis, chairman of the Time, Place and Preacher Committee, brought the following report, which was adopted.

Spring Meeting—time, Tuesday after third Sunday of April, 1956; place, Bethel Baptist Church; preacher, W. J. Thompson; alternate, W. Cecil Smith.

Fall Meeting—time, Tuesday after third Sunday in October; place, undetermined; preacher, E. N. Gardner; alternate, L. A. Talbert.

35. It was moved by Arch M. McMillan, seconded by E. N. Johnson, that the last ten words of Article 9 of the Constitution be deleted. The motion carried. (The new form may be found on page 5 of this publication.)

36. Billy Rivers reported on a committee studying a School for Negro Ministers located in the territory of this association. He said that the Negro leaders of this movement had spent \$4,000 and borrowed \$10,000, and that construction would cost \$16,000. He asked that churches of the association contribute to this enterprise.

37. A motion was made by Arch M. McMillan, duly seconded and passed, that the Committee to Restudy the Associational Organization be thanked for their work and continued for another year; that the committee consider a complete revision of our constitution and by-laws; that their report be presented at the next Spring meeting and voted on at the following Fall meeting.

38. The Association was urged to cooperate in the forthcoming Training Union Enlargement campaigns to be conducted in churches of the Association during the week of February 12-17, 1956, under the

leadership of James P. Morgan, Raleigh, State Training Union secretary.

39. As indicated in the Constitution, the last order of business to take place was the election of officers, with the following results:

C. D. Bounds, Jr., was nominated for treasurer and re-elected by acclamation.

MINUTES**THE WOMAN'S MISSIONARY UNION
OF THE PEE DEE ASSOCIATION**

April 21, 1955

MORNING SESSION

The sixty-first annual meeting of the Woman's Missionary Union of the Pee Dee Association convened with Pleasant Grove Baptist Church on April 21, 1955, at 10 a.m.

"Go Quickly and Tell" was the theme for the day's program.

The meeting was begun with an opening worship period led by Rev. Arch M. McMillan of Wagram. Mrs. Thomas C. Fairecloth of Ellerbe sang a solo.

Mrs. T. G. Rhyne, associational W. M. U. superintendent, led in a brief business period in which she appointed committees, called the roll of churches, and recognized all A-1 Woman's Missionary Societies.

Mrs. Rhyne then presented Mrs. Henry Gamble of Waxhaw, superintendent of the Charlotte Region, who spoke briefly on W. M. U. work in this area. Mrs. G. Carl Lewis, associate superintendent for the association, then discussed enlistment.

Associational officers then brought their annual reports. Mission Study and literature were presented in novel dialogue form by Mrs. C. A. Gillis of Rockingham and Mrs. Edgar Robinson of Hamlet. Mrs. Lindsey Odum of Hamlet discussed community missions, and Mrs. G. C. Luther of Ellerbe brought the report on stewardship in the absence of the stewardship chairman, Mrs. Perry Williamson of Rockingham.

After singing a hymn, "We've a Story to Tell," Mrs. Donald Jordan of Laurinburg, associational youth leader, told of her work. Next came the hymn, "Oh, Zion Haste," and announcements.

The superintendent then presented Mrs. Charles A. Maddry of Durham, state mission study chairman, who brought a most interesting and challenging message on the subject, "Go Quickly and Tell."

After Mrs. Maddry's message, the host pastor, Rev. Howard S. Price, led in the closing prayer and offered thanks for the noonday meal. The morning session then adjourned for lunch, served by the ladies of Pleasant Grove Church.

AFTERNOON SESSION

Following the dinner the Association reconvened for the afternoon session. It was opened with the singing of the hymn, "There's a Call Comes Ringing," after which Mrs. K. W. Edwards of Laurinburg led in a short devotional.

Mrs. Jack Covington of Cartledge Creek church then brought a discussion of Margaret Fund and Carver School.

Greetings were brought by Miss Aletta McDonald and Miss Jo Ann Smith, the W. M. U. scholarship students at Wingate Junior College.

Mrs. Rhyne then presided over a short business session, at which a report from the nominating committee was brought by the chairman, Mrs. Carl Warner of Rockingham. While Mrs. E. N. Gardner of Laurinburg took the chair, the report was adopted and the following officers were elected:
